

Chapter 1 : Ford Focus Repair: Service and Maintenance Cost

The Ford Focus Reliability Rating is out of , which ranks it 29th out of 36 for compact cars. The average annual repair cost is \$ which means it has average ownership costs. While the frequency of repairs is higher than normal, the severity of those issues is average, so your Focus may.

Transmission shuddering, lurching, bucking, and loss of power issues. TCM reflashed with latest revision. Ford Dealer updated the PCM and advised that shudder experienced by clutch slip was normal. There is a TSB for this which is a trans leak, then clutches would get oil soaked. All they had to do was to remove and clean the clutches and replace the seals. Works much better now. The dealer replaced clutches, seals, throw out bearing and reprogramming. Also had the battery replaced. Smoothed out the shifting. The dealer replaced the clutch packs and reprogrammed the transmission. Transmission error message on dashboard. Transmission Control Module and clutch packs were replaced. The dealer replaced the clutch packs under warranty. Kept saying "Parking Assist needs Service". Dealer checked and then re-programmed the Transmission shift unit. Car likely to get new Transmission in next 6 months Said Dealer km Recall for reflash of the transmission. Seemed to improve it. Shop could not duplicate, computer said everything within params. It was replaced, problem is cured. Clutch was shuddering again! The clutch had to be cleaned because a leak had developed. Then the oil leak had to be repaired. Ford cannot fix the transmission shuddering problem via programming or replacement parts. The flawed design causes premature wear and tear in the clutch assembly. This car will have to be repaired every year or two until it dies! The repair technician just said the transmission operates as designed. A week later, my service charge was refunded when I ran the issue up the flagpole. Slight leaking led to more robust review of trans.

Chapter 2 : Find Your Owner Manual | Official Ford Owner Site

We'll get you the repair information you need, every time, or we'll refund your purchase in full. This manual is specific to a Ford Focus. RepairSurge is compatible with any internet-enabled computer, laptop, smartphone or tablet device.

FORD is not the seller of the parts offered for sale on this website. Rather, any and all parts purchased through this website are sold to you by your dealer. FORD is providing the website solely to facilitate an efficient and easy means for customers to order parts from participating dealers. You agree to comply with all applicable export and re-export control laws and regulations, including the Export Administration Regulations maintained by the U. You specifically acknowledge and understand that products offered on this website are subject to U. Your access to and use of this website is subject to these Terms and Conditions of Use Terms and Conditions. By accessing this website, you agree to be bound by the Terms and Conditions whether or not you have read them. If you do not agree to these Terms and Conditions, do not access this website. FORD may at its sole discretion, with or without notice, modify these Terms and Conditions at any time and such modifications will be effective immediately upon being posted on this website. Your continued use of this website will indicate your acceptance of these modified Terms and Conditions of Use. If you do not agree to the Terms and Conditions or any modification of the Terms and Conditions, then you must immediately stop using this website. By conducting financial transactions on this website, you represent that you are 18 years of age or older. FORD reserves the right to change, suspend or discontinue all or any aspects of this website at any time without prior notice. FORD, as website administrator and parts manufacturer, or your dealer may make changes to any products or services offered on this website, or to the applicable prices for any such products or services, without notice at any time prior to placement of your order. The products and services listed on this website may not be up to date, and FORD and your dealer are not obligated to update them. The products and services offered or referred to on this website are subject to availability and are subject to change without notice. You agree not to use any robot, spider, automated technology, device, or manual process to monitor or copy the information contained on this website and you will not use any of the same to interfere or attempt to interfere with the proper working of this website. Pricing Your dealer, not FORD, is the seller of the parts on this website and all customer prices are set by each individual dealer. All transactions are solely between your dealer and you, the customer. Your dealer is solely authorized to set prices for the product and services, by either accepting the MSRP or setting customer pricing, and for any applicable fees including but not limited to those mentioned herein. Prices are subject to change without notice. The price of an item will not be confirmed until you order. Further, your credit card will NOT be charged until after your order has been shipped to you or picked up by you from the dealer, as the case may be. Despite best efforts, a small number of the items on this website may be mispriced. Taxes The amount of tax charged for your order depends upon many factors, including: The identity of the seller The type of item purchased, and The destination of the shipment or location where you will pick it up. The dealer s providing the service s and merchandise on this website charge sales tax in the tax jurisdiction s in which they are registered. Taxes not collected by them may be your responsibility depending on the laws of the jurisdiction in which the sale takes place. How Sales Tax Is Calculated If an item is subject to sales tax at the location where the sale takes place, tax is generally calculated on its total selling price. In accordance with state tax laws, the total selling price of an item may include, some or all of the following; item-level shipping charges, handling charges if applicable, discounts and an allocation of order-level shipping and handling charges and discounts. The tax rate applied to your order will generally be the combined state and local rate for the address where your order is shipped or the location where it is picked up, as required by state tax laws. Therefore, the sales tax rate applied to your order may be different for an order shipped to your home address than it is for an order for the very same items shipped to your work address or items picked up at the dealership. Estimated Tax Many factors can change between the time you place an order and the time your order is shipped. Therefore, the amount appearing on your order as "Estimated Tax" may differ from the sales taxes ultimately charged. Payments As noted above, transactions made via FordParts. Most US-issued credit and debit cards can be used on this website. In order

to make a payment, you must enter valid credit or debit card information. By submitting an order on FordParts. You will receive a receipt of your FordParts. Member Communications Information you provide to FordParts. Changes FORD and your dealer reserve the right to refuse service, terminate accounts, remove or edit content, or cancel orders at their sole discretion. FORD reserves the right to change or terminate this website, or any parts thereof, at any time without notice. All items purchased from this website are made pursuant to a shipment contract. This means that the risk of loss and title for such items passes to you when your dealer delivers the item to the carrier. FORD and the dealer reserve the right to refuse to replace orders for customers who have made excessive loss and replacement requests determined at the sole discretion of FORD and the dealer. Orders FORD and your dealer are not responsible for orders that are not received. FORD and your dealer reserve the right at any time after receipt of your order to accept or decline your order for any reason in their sole discretion. You may cancel an order via this website that is in a pending processing status on the My Orders page. Once an order is processed, it is your sole responsibility to contact your dealer directly if you wish to cancel the order. If you opted not to provide a VIN s , your dealer, at his or her discretion, may not be responsible for incorrectly ordered parts. Returns and exchanges may be subject to a restocking fee of up to 10 percent, which will be waived if the return or exchange is due to an error by your dealer. You can obtain a copy of the FORD core return policy directly from your dealer or by clicking on the no-risk core return policy link. It is an additional charge at the time of purchase to promote the return of the core when the part is replaced. When the core is returned, the charge is refunded. Labor costs or any other consequential expenses incurred on products purchased on this website are nonrefundable by FORD. Product Warranty You agree to the limited warranties for the products that have been purchased. See your dealer for a copy of the limited warranty applicable to the part purchased. Accounts, Passwords and Security You are entirely responsible for maintaining the confidentiality of your account information, including your password, and for any and all activity that occurs under your account. You agree to notify FORD immediately of any unauthorized use of your account or password, or any other breach of security. You may be held liable for losses incurred by FORD or your dealer due to someone else using your user name, password or account. FORD and your dealer cannot and will not be liable for any loss or damage arising from your failure to comply with these obligations. Errors on the Website This website may include inaccuracies or typographical errors that may be corrected as they are discovered at the sole discretion of FORD or your dealer. Errors will be corrected where discovered, and your dealer reserves the right to revoke any stated offer and to correct any errors, inaccuracies or omissions, including after an order has been submitted, confirmed and your credit card or PayPal account charged. If your credit card or PayPal account has been charged for the purchase and your order is canceled, your dealer will issue a credit to your account in the amount of the charge. Individual bank policies will dictate when this amount is credited to your account. You are personally liable for any orders that you place or charges that you incur prior to termination. By entering an order, you accept personal liability for any charges that you may incur even if your account or use of the FordParts. International order arrangements must be made separately and independent of FordParts. Indemnification You agree to indemnify and hold harmless FORD and its affiliates and their respective directors, officers, employees, agents or other representatives from and against all claims, liability and expenses, including all legal fees and costs arising from or relating to a your breach of these Terms and Conditions of Use; and b your use of this website including transmission or placement of information or material by you on this website. This provision shall survive the termination of your right to use this website. Dispute Resolution All claims, disputes or controversies whether in contract or tort, pursuant to statute or regulation, or otherwise, and whether preexisting, present or future arising out of or relating to: Because this method of dispute resolution is personal, individual and provides the exclusive method for resolving such disputes, you further agree, to the extent permitted by applicable laws, to waive any right you may have to commence or participate in any class action or class-wide arbitration against FORD related to any claim. Governing Law These Terms and Conditions shall be governed by, construed and enforced in accordance with the laws of the State of Michigan, without regard to its conflict of laws provisions.
