

Chapter 1 : Subaru maintenance schedule and new car break-in period

I was told the Factory Service manual for the Forester is broken down into over a dozen separate books, and they are over 100 for the complete.

In which Subaru vehicles can BlueConnect be installed? Check the phone compatibility tool. If a phone is not listed, then it has not been tested and compatibility is unknown. Can I pair a Bluetooth adapter with BlueConnect? No, BlueConnect is only compatible with cell phones that have Bluetooth built in and that are listed as a compatible phone. Will I be able to transfer my phonebook entries into to the BlueConnect phonebook? No, the system does not support phonebook transfers via Bluetooth. You must enter phone book entries using voice commands. What should I do if BlueConnect does not auto-connect to my previously paired phone? Also, make sure that BlueConnect is marked as a "trusted" device. This will allow BlueConnect to automatically connect to your phone when it is in range. What if I still have questions? EST Monday through Thursday Check the phone compatibility tool on this page. How do I pair my phone to the system? Up to five compatible mobile phones may be paired, although you can only use one phone at a time to make or receive calls. The system will recognize the last phone paired as the priority. Bluetooth technology allows two electronic devices to transfer data between them over relatively short distances. Available as a genuine accessory on: How far is the range of the Bluetooth signal? Anywhere within the vehicle is more than adequate to maintain a connection. Depending on several factors, Bluetooth technology generally supports a range of up to 30 feet. What is the registering or "pairing" procedure? Can I connect more than one mobile phone? Yes, your Subaru Bluetooth Handsfree Kit can connect with and recognize up to five compatible mobile phones, although you can only use one phone at a time to make or receive calls. Can I access and call phone numbers from my mobile phone contact book? Yes, individual phone numbers may be downloaded from a compatible cell phone and stored in the vehicle for faster dialing. Phone numbers from multiple phones will all be stored as part of one master contact list. Will I be able to transfer the phonebook entries on my cell phone into to the phonebook? Yes, but in most cases you will need to import contacts one at a time. You can contact our Customer Service department at the number below, or submit your question through our Contact Us form.
