Other duties include, but are not limited to, ensuring sufficient staffing levels are met, developing successful sales plans, recruiting, training, developing, and motivating all employees, and implementing new product lines. How do you develop good working relationships? This can be a difficult question to answer because, most likely, you have never thought about it before. Think about the steps that you take when developing any kind of relationship and this should assist you in answering this question. If somebody comes in and buys a soda, what would you suggest to them to go with their drink? This question is asked to determine if you have the know-how and charisma to upsell other items. When you suggestively sell add-ons, you are increasing the profitability of the company. If done well, you will be able to also show the hiring manager what you can do for the company. Can you give an example of how you take pride in your work? It is recommended that you use the STAR method to answer this question. Remember, STAR means that you explain the situation or task, describes on action you took, and conveys the result or the outcome of your action How do you define great customer service? You should also provide an example of when you received great customer service and what made it so good. Advice for Application Process Whether you are applying online or applying person, you will have to take some assessments so give yourself plenty of time. Make sure to read the application instructions and fill it completely. Update your resume and restrict it to two pages, keeping the layout simple. Give examples that will link your skills and experience to the requirements of the position that you are applying for. Once you have overcome the hurdle of getting an interview, the next challenge is giving a good first impression. The night before the interview, do some research into the company and write down any questions that you may have regarding job advancement opportunities. Keep away from questions such as paid time off, or wages as this may give the wrong impression. Layout and iron the clothes that you plan on wearing keeping to casual or business casual clothes. On the day of the interview, look neat and tidy by being well groomed and trimmed. Keep makeup and jewelry to a minimum. Make eye contact and whenever possible, answer the interview questions with examples from your previous school or work experience. At the end of the interview, smile and shake hands with the person that you had spoken to. Be gracious and show gratitude for the opportunity to speak with the person.

### Chapter 4 : 7 Eleven Application - Printable Form Online

*7-Eleven employee helping out a customer Applicants interested in hourly retail positions or corporate positions may apply online by going to their homepage [www.com](http://www.com). There will be a 'Careers' link in the upper right hand of the page.*

You need to be amenable to working on-call and meet physical requirements to perform the job. Pay Scale for Managerial Jobs Managers at 7 Eleven can earn a lucrative salary, depending on their experience, knowledge, and time spent working for the company. Managers have a potential to manage multiple stores assigned to them or even be part of the corporate office operations. Direct Competitors 7 Eleven seems to be everywhere these days, and with over fifty thousand stores across sixteen countries, they might as well be. Consider applying to CVS as well for a larger convenience store set up and a wider variety of products and services. Apply to Circle K as well and work in a well known and established chain of stores. Working for one of these stores is going to provide your customers with fast service and plenty of options. Interview Tips Interested applicants seeking for work at 7 Eleven need to submit their resume and information to the branch they desire to work in. Another option is to send in a job inquiry on their website. After reviewing, qualified candidates will be contacted by recruitment specialists to schedule a one-on-one interview with the store manager or the franchise owner, usually within the same week. During the interview, applicants for the sales associate position will be asked the following questions: How would you handle a shoplifter? What would you do if a colleague would ask you to compromise company regulations? Make sure to attend your interview on time and dress in a business-casual attire. The interview process normally lasts between 15 to 30 minutes. Once the interview has finished, the manager will spend the remaining time to get to know the applicant and also detail the demands of the job. Applicants who qualify the criteria set by the manager will be given a job offer and sent to process for drug testing and criminal background checks. For managerial positions, the interview process is a bit different. Instead of the former, applicants will have to undergo an intensive hiring procedure. The first step is to get in touch with the qualified applicant for a phone interview schedule. When the call is over, a one-on-one or panel interview will be scheduled. Some of the questions during this secondary interview stage include: What do you know about the company? How would you deal with a highly aggressive customer? Share an incident you instigated a policy your subordinates did not like. How were you able to manage the situation? Just like the tips for an entry-level position, you need to answer these questions confidently. Use your previous experience to give you the answers you need in showcasing your competency in the job you applied to. If the interview goes well, you may be given a job offer. However, there are some wherein a six to eight weeks wait is part of the hiring process. Benefits In its effort to become the largest convenience store chain in the world, 7 Eleven believes that it needs to start with its employees. As such, each employee is given an array of benefits to reward them for their hard work and dedication. Apart from enjoying competitive pay rates, employees get paid training programs and potential for career advancement. Apply online today so you cantake advantage of the 7 Eleven employment opportunities. Medical Full time employees of 7 Eleven and their eligible dependents can enjoy a health program with a co pay system through Aetna. Prescription drug coverage is included in medical coverage as well as a vision plan. Part-time employees are given an affordable basic plan inclusive of a limited prescription drug benefit plan. Dental Full time employees have a couple of dental options available including a prepaid dental program or a preferred provider organization PPO. Part-time employees are eligible for an affordable basic dental coverage plan. Together with the Basic Term Life Insurance, this comes at no additional cost. Time Off Employees at 7 Eleven are entitled to receive paid time off for holidays, vacation, sick time, bereavement, and jury duty. Through this, employees have access to a hour and toll free number to talk to a qualified counselor regarding their legal or financial problems, drug and alcohol dependency, work-related issues, or any other struggles they may go through. Other Benefits Domestic Partner Benefits â€” The same-sex domestic partners of full-time employees are eligible for the same health care benefits inclusive of the medical, dental, and vision coverage. Placing orders for the required merchandise Sales Associate â€™ Salary and Compensation The Sales Associate position is an entry level 7 Eleven career and therefore, the starting salary will be the minimum wage that is legal in the state. Additionally, there are several performance-based bonuses that are awarded to Store Managers so as to reward outstanding results in sales and management. The responsibilities for this 7 Eleven career include: Basic 7 Eleven Application Tips If you have decided to pursue one of the 7 Eleven careers, then you might use a couple of tips for applying efficiently. You should follow the steps listed in the 7 Eleven Application Process above whether you choose to apply in person or via the 7 Eleven application portal. The portal is a very useful tool for the 7 Eleven application process because you can always check the application status of your chosen 7 Eleven job. You can make use of the portal even if you choose to apply in person, because as soon as you find a job opening at 7 Eleven that is suited to your needs, you can submit an online job application and then print out a copy of the 7 Eleven job application form , fill it in and take it to the 7 Eleven store where the job is listed. Advanced 7 Eleven Application Tips When you complete the 7 Eleven application, be sure to include the most relevant information regarding your work experience and your education. You might not have enough space to include all the information you might want to, so be sure to prioritize the qualifications that are most valuable to the 7 Eleven career you are applying for. But before submitting your 7 Eleven job application, you need to proofread it and check for any spelling and grammar mistakes that you might have missed. This is a very important detail because submitting an application that has mistakes might make the people who read it get the wrong impression about you. Benefits at 7 Eleven 7 Eleven is a company that values its employees and as such, they have created a comprehensive benefit pack that covers all the needs of the employee. The 7 Eleven hiring experts will assess your qualifications and if you are an eligible candidate for the position, you are called in for an interview. If you are applying for a Sales Associate position , then you are going to have one interview with the Store Manager. If you are applying for a higher level position, then you might have to go through a more complex interview process that might include more than one interview. After the interview it will take another few days before you get a final answer, because there are going to be other candidates who will be considered for the 7 Eleven career. You should regard the interview as your chance to show the 7 Eleven Managers that you are their next employee. This means that you will have to start an extensive preparation process, so that you can deliver the best possible performance. Research the 7 Eleven website for information regarding their values and their policies, because you will be expected to know that during the discussion with the Manager. Try going to a 7 Eleven store and look at their products again, order a cup of coffee and a sandwich, so that you can interact with the employees and try to pay attention to their customer service skills. Then, when you have all the information ready, look through your resume and think about how you can do all of the tasks that are associated with the 7 Eleven career you are applying for. Try to think about various moments during your career when you have performed similar tasks and think about your best qualities that enabled you to give a good performance. You should not expect feedback during the interview, as the Manager s will try to be as objective as possible all throughout the discussion. Try to remain positive in spite of that and try to smile as often as it is appropriate. After the interview, you should take the time to write a Thank You letter to the Manager s. You can do so via e-mail or you can simply bring it by the store. Remember to send in the letter on the same day as the interview. Thank the Manager s for the opportunity you were offered and for the interview. Be sure to let them know what information you found most interesting from what they told you and what you would be excited about if you were granted the 7 Eleven career. A Thank You letter will demonstrate respect and a high level of commitment, that might help set you apart from the other candidates. Examples of 7 Eleven Interview Questions Most interviews for 7 Eleven careers begin with questions about the store such as: What do you know about 7 Eleven? What do you enjoy most about 7 Eleven? This is why you should have a fresh customer experience at the store, as this could provide you with concrete examples that might make your interview answers more solid and reliable. Then, you will have a series of questions that focus on the job tasks, such as: How would you deal with a difficult customer? While you should try to highlight your best assets, try to do this by integrating them into your answer. Use them as tools to support your answer, rather than the main idea.

### Chapter 6 : Download 7-Eleven Job Application Form | Fillable PDF wikiDownload

*calendrierdelascience.com is a job search site. All trademarks, service marks, logos, and/or domain names are the property of their respective owners.*

Those looking for a 7-Eleven job can download the PDF application above. Print the form out and complete it using the directions on this page. Then, deliver it in person to a local store. Candidates can also read about applying online at the company or find jobs nearby. Why Apply at 7-Eleven? The chain is open all day long and frequently hires. Most jobs include good pay rates and part-time or full-time hours. An application could be the start of a brand new entry-level career. Filling Out the 7-Eleven Application The 7-Eleven application is two pages and includes prompts regarding work experience, schooling, and interests. Respond legibly in ink for the best results. Personal Information 7-Eleven applications require a name, address, and phone number. The job hopeful must answer questions on legal work status and possible crime history here. The final prompt asks for details of any referrals. Employment Interest The next portion lets employers know what job seekers expect if hired. Desired position, location, hourly wages, and start date help managers decide if there are openings that fit. Listing availability is important for the hiring process as well. Education Here, applicants list educational training. Those who are currently attending a high school or university should note it on their applications. While college degrees are not necessary for most 7-Eleven jobs, any extra schoolwork is a plus. Employment History Job hopefuls need to provide a record of previous employment. The company requires names and contact info for all positions held. This section is also a place to mention military service. Signing and Submitting After completing all parts, sign and date the bottom to indicate that the facts are accurate and current. Review the form one last time to ensure everything has a response. When finished, turn in the job application to a manager at any 7-Eleven. Leave a Reply Your email address will not be published.

### Chapter 7 : 7- Eleven Application - (APPLY ONLINE)

*7-Eleven Stores are built on more than 65 years of incredible teamwork. Our friendly, helpful, hard-working employees give 7-Eleven its signature customer experience.*

I used my refillable cup for the coffee in order to save a cup. I explained to him that I used my points to get a free coffee and I only filled up the cup to the amount of coffee that a medium coffee would be. He stated that this was not the procedure and that he had to use a medium cup of coffee in a paper coffee cup in order for me to redeem the points. I thought this was very ridiculous. The cashier, a male of Indian decent whose first name started with an S. We are so sorry to hear about your recent experience in one of our stores. We will reach out to the store directly and in the meantime we would love to make this right by you. Please email us to GMElevenCares We appreciate your honest feedback and want you to know we are still in the business of delighting and rewarding our customers for their loyal support and we could never jeopardize that! We look forward to hearing from you soon. Thanks So i go to everyday maybe even twice a day. I could run to car but the whole point of this store is fast efficient purchasing and running in and out is a waste of time! Please consider entering a phone number at register or even allow me to scan my receipts at end of day. I practically pay the rent at my location Where does that stuff go?? Lol i know the employees prob deserve those perks! Because the certainly and one heck of an awesome bunch of people! Thanks for reading my review! We now have the option to enter your phone number at the register if you forget your phone! Give it a whirl next time you visit the store so you can keep earning those points! As for those fixtures Thanks so much for your feedback about the app! I got myself a double gulp for the free cup and I was suppose to get the free medium ice coffee. He repeated saying the big gulp is free not the ice coffee even though the rewards is saying for it to be free. If is going to create an app they should inform their workers how to understand the app! We are bummed you had such a negative experience trying to redeem your free cups. We want to make it better! We will address your complaint. Please email us at GMElevenCares Thank you for the honest feedback and for being a loyal member!
