

**Chapter 1 : 99 Work-at-Home Career Ideas for Women**

*99 Minutes to Your Ideal Job clues you in on such valuable insider information as what exactly employers are looking for today, what turns them on (and off) in resumes and interviews, how they evaluate applicants, and more.*

**Doula** Do you adore babies? **E-Book Writer** Are you an expert in your field? Do you enjoy writing? Take your knowledge and put it to paper and sell it on your website, blog, Amazon, or Barnes and Noble. Need help getting started? Suzi shares her exact formula for creating an e-book in one-month! **Editor** Do you have an eye for detail? Do grammar and spelling errors drive you crazy? Writers and publishers are in desperate need of Editors and Proofreaders to correct and fine tune their written masterpieces. If you think proofreading may be your calling – check out this free minute workshop. **Etsy Seller** Are you artsy? Make and sell hand-made goodies for profit! People are selling everything from homemade candles, and handbags, to jewelry, soap, tutus – and the possibilities are endless for those who have a creative flair. **Event Planner** Do you love to plan parties? Do you have an eye for detail? From weddings and birthday parties to baby showers and retirement parties, Event Planners handle the details of location, budget, lodging, decorations, entertainment, food, beverages, transportation, activities, invitations and the like. **Expert Advice Giver** Are you a know it all? Ether is a company that sells expert advice by phone and email. Set your rate and hours, they take 15 percent of what you earn. Some examples are a therapist, doctor, nurse, tax expert, or teacher offering their expertise to customers. **Face Painter** Are you a talented painter? Do you enjoy working with children? Take your artistic talents to birthday parties, carnivals, amusement parks, company picnics, zoos, and more. Use a site like GigMasters to connect directly with clients. **Fashion Consultant** Do you have a passion for fashion? **Financial Planner** Did you major in finance, business, or economics? Do you geek out over math? Check out this post for more math-based careers! **Food Creator** Are you a foodie? Create and sell food products, from gourmet peanut butter to spicy sauces and salsas, the niches available are endless. Try testing out your food creation on a smaller site like Foodzie or learn how to bring your food product to market. **Forum Moderator** Do you have the gift of gab? Do you enjoy managing people? **Gift Guide Creator** Do you love the holidays? Are you great at curating gifts? Then consider creating, writing, and publishing holiday gifts guides – this will involve collecting articles, recipes, and features, as well as editing, formatting, and obtaining advertisers to purchase ad space. This post talks more about getting started. **Grant Writer** Do you have experience writing grant proposals? You can find grant writing jobs on Freelancer. **Graphic Designer** Do fonts and boldface type excite you? Graphic Design is a way to visually communicate with people; it could be through a poster, an advertisement in a magazine, a website, a business logo, a greeting card or even an album cover, these are all examples of what graphic designers create. **Hairdresser** Do you have a cosmetology license? **Handmade Invitation Creator** Are you artistic? Create beautiful and unique handmade cards, wedding invitations, or announcement greetings. The avenues for selling are numerous: **Home Stager** Do you have a way with design? Home Staging is the process of de-cluttering, organizing and improving the physical appearance of a residential dwelling before putting it on the market for sale. **House Cleaner** Do you hate dirt and grime? You can also check out sites like Care. **Housesitter** Do you have a flexible schedule? Services can include feeding pets, gathering the mail and newspaper, making the house look occupied, watering plants, maintaining the yard and pool, paying bills and light housekeeping. You can also find housesitting gigs on HouseSitter. **Illustrator** Do you like to draw and paint? This post has a big list of sites that you can use to sell your illustrations. **Independent Tour Guide** Do you love to show people around? Share your passion for your city, state or community on Vayable. Guides could be foodies, art buffs, historians, nature lovers – just show out of town guests a good time and a unique and one of a kind experience. **Instructional Designer** Do you have a passion for learning? Instructional Design is the process by which instructional materials and manuals are designed, developed, and delivered. While there are Instructional Design degree programs available, many Instructional Designers just have a teaching, marketing, or writing background. FlexJobs has a good list of work-at-home instructional design jobs. **Interior Designer** Do you have a flair for design? Are you into the green movement and budget decorating? Help homeowners use what they already have and become an Interior

Redesigner. Internet Researcher Can you find the needle in the haystack? If so, becoming an online internet researcher may be the perfect home-based business for you.
