An amateur history buff, he went on to a career in pulp fiction and screenplays, often using a Southern California backdrop for his stories. Raised in Chillicothe, Illinois. Died at age 75 in Zorro became his most enduring character, appearing in four novels the last three were all serialized in Argosy Magazine, which had absorbed All-Story. The first appeared in , the second in , then there was a significant gap before the appearance of the third novel Zorro Rides Again in The appearance of the Douglas Fairbanks silent movie The Mark of Zorro, based on the first novel, was the direct cause for McCulley reviving what had originally been a one-time hero plot. The popularity of the character led to three novellas appearing in Argosy in , , and In between he wrote many other novels and stories set in early Spanish California which did not have Zorro as the lead character. The last full length novel "The Sign of Zorro" appeared in , and was very likely also written in response to the popularity of the character in the movies. Over the coming decade Republic released three other serials connected in some way with the Zorro character. In , The Mark of Zorro remake starring Tyrone Power and Linda Darnell made the character much wider known to the public at large, and McCulley decided to bring Zorro back with new stories. McCulley made an arrangement with the pulp West Magazine to produce a brand new Zorro short story for every issue. The first of these stories appeared in July and the last one appeared in July , the final issue of the publication. Fifty-three adventures in all were published in West. Black Star Probably his second most popular character from the pulps was "The Black Star", a criminal mastermind who is pursued by Roger Verbeck-Flagellum and Muggs, a millionaire bachelor and his ex-thug partner. Black Star was what was once termed a "gentleman criminal", in that he does not commit murder, nor does he permit any of his gang to kill anyone, not even the police or his arch enemy Roger Verbeck. He does not threaten women, always keeps his word, and is invariably courteous, nor does he deal with narcotics in any of his stories. He is always seen in a black cloak and a black hood on which is embossed a jet black star. The character lasted through the end of The Crimson Clown was rushed to press just as soon as there was enough material available to fill a hardback volume. This was followed by The Crimson Clown Again The Crimson Clown is Delton Prouse, a wealthy young bachelor, able veteran of The Great War, explorer, and all around adventurer who functions as a modern Robin Hood, stealing from the unjustly rich and returning money to helpless victims or worthy organizations. He dresses in a mostly white clown suit and uses a tear gas pistol later this became a "gas gun". By the end of McCulley had permanently retired the character. McCulley also wrote for motion pictures. Here is a brief filmography. It will feature Val Kilmer as Zorro. This title is available for download at lulu. This production will be released through BrillianceAudio Publishing. The New York Times obituary mentions that he died "after a series of operations" a phrase echoed in other newspaper obits from other parts of the country, most likely taken from a New York Times feed.
