

Chapter 1 : A Day's March Nearer Home: Autobiography of J. Graham Miller by J. Graham Miller

'A Day's March Nearer Home is a moving and inspirational account of a contemporary pastor who was but a name to me until I began to read this biography. His ministry was spent in missionary work in the South Sea Islands, and in New Zealand and Australia and what he did was from a heart of love for his Saviour and for the people of God.

Canto V, line Canto IV, line Canto VI, line When the good man yields his breath For the good man never dies. The Wanderer of Switzerland, Part v. The Battle of Alexandria. Distinct as the billows, yet one as the sea. The Ocean, Line Once, in the flight of ages past, There lived a man. Counts his sure gains, and hurries back for more. The West Indies, Part iii. Hope against hope, and ask till ye receive. The World before the Flood, Canto v. Joys too exquisite to last, And yet more exquisite when past. Bliss in possession will not last; Remembered joys are never past; At once the fountain, stream, and sea, They were, they are, they yet shall be. Who hath not lost a friend? There is no union here of hearts That finds not here an end. Nor sink those stars in empty night: The Issues of Life and Death. Beyond this vale of tears There is a life above, Unmeasured by the flight of years; And all that life is love. Night is the time to weep, To wet with unseen tears Those graves of memory where sleep The joys of other years. Who that hath ever been Could bear to be no more? Yet who would tread again the scene He trod through life before? At Home in Heaven. Return unto thy rest, my soul, From all the wanderings of thy thought, From sickness unto death made whole, Safe through a thousand perils brought. Rest for the Soul. Prayer is the burden of a sigh, The falling of a tear, The upward glancing of an eye When none but God is near. Other[edit] Hymns should have unity, graduation and mutual dependence in the thoughts, a conscious progress, a sense of completeness.. Quotes about Montgomery[edit] As a poet Montgomery stands well to the front. His poetic genius was of a high order. John Julian, Dictionary of Hymnology.
