Village with Heart is a youth nonprofit. We are looking for a new location to use in Hilo, Hawaii. We are temporarily on vacation to work on a health challenge.

Helping Our Communities Thrive. Dr Moon is an excellent physician. He keeps up with the latest medical literature and he educates patients on their conditions. I have been treated by Dr. Aparna Ayyagari for the last 3 years for diabetes. I am very impressed by her professionalism and knowledge. We would recommend her to anyone. My A1C was 6. I am very pleased to have found her. I have had the pleasure of having Dr. Durani as my primary care physician since After moving to Texas from Michigan in , I had been searching for a doctor who i felt i could trust and build a great relationship with. I was so lucky to have found him. I credit him for being the motivation and inspiration to turn my health conciousness around and saving my life! I have been a patient of Dr. I referred my very picky husband to Dr. Eppich, but was slightly nervous sending him there since he himself works in healthcare and has extremely high standards for health professionals and he had an amazing experience! He is very nice and really listens to you. He cares about your issues and does everything he can to help. He has done everything he can to help me through the tough times. He gets to know you and He treats you like family and has never disappointed me. This is hard to find in a Dr. I feel blessed to have him as my Dr. I highly recommend him.
