Contact Author Teaching the Alphabet. Learning their ABCs the easy way. On this page you will find a great selection of free printable alphabet flash cards and free animal flashcards, just download and print. Make it easy and fun for your child or children to learn the alphabet. Having a child of my own I remember searching online for printable alphabet flash cards We had great fun playing with these. Making learning the fundamentals of ABC fun. I wanted something easy just to print out laminate and play, and that I could use again and again. My daughter played more with these than any other gift she ever received, she loved wandering about with them, and would show them to anyone who listened, and loved it when they too would start interacting with her, and she would copy their sounds, pointing to the flash cards, I tried to use a mix of pictures and text however the animal alphabet flashcards were a favourite Teaching the Alphabet the easy way Alphabet Pictures available Art. It also is a stepping stone for introducing BIG Uppercase letters for the Name and lowercase for the rest of the their name. This is actually a very important step for children, When reading and their initial books, will all have Capital letters at the beginning of sentences, so start off the right way by introducing the importance of a capital letter. Always remember to pronounce the rrrrrrrr As this helps them to identify the sounds of the letter too. Resources to teach your child the Alphabet Knowing when to start with children with learning their alphabet varies from parent to parent, and child to child, however research shows us that the more you speak to your child, the more we read to our children, the quicker the child will start to repeat sounds, their speech development and identifying pictures. A child between 18 - 24 months will often surprise you with their attempts at speaking, and there is no better times to start. So it is important to have, activities around the house that help promote learning in a fun way, whether it be an alphabet picture taped to the bottom half of the kitchen door, or the Always a fun one, and if like our house, even at age 10 we still have them on the notice board, where she can leave silly messages or even work out how to spell harder words. You will find not only fabulous these fabulous ABC flashcards but phonics worksheets, phonics posters, flash cards for introduction, coloring sheets, game cards, handouts, worksheet makers and more.
