Chapter 1 : calendrierdelascience.com: Customer reviews: Absolute Zero (Hardy Boys Casefiles)

Absolute Zero In cases of coldhearted crime, the consequences can be chilling! Irene Weinhardt's father, renowned physicist Kenneth Weinhardt, has been officially declared dead.

Fire In The Sky Dead In The Water In an attempt to attract older readers, the Casefiles featured a "new-and-improved" Frank and Joe who, as an advertisement claimed, "find themselves investigating international terrorism, espionage rings, religious cults, and crime families. Some of their major features: Iola Morton is killed by a terrorist car bomb in the first volume. The books become more grisly. Frank and Joe use firearms and investigate murders. The glamorous aspects of international intrigue are played up. Frank and Joe take a more serious interest in girls. The boys embrace high-tech gadgetry, and Frank becomes a computer whiz. Meanwhile, Joe becomes a dim-witted roughneck. The writing is bad. Chapters no longer have titles, and there are no illustrations. The boys collaborate with the Grey Man, who represents a cloak-and-dagger crimefighting unit. Finally and most unforgivably, Joe swears. This is even worse than carrying guns. First, it gives Joe a chip on his shoulder, allowing him to become a brutish S. Second, it removes the impediment of a steady girlfriend, allowing him to become a jealous womanizer. This is not the cheerful, impetuous Joe we knew and loved in the original series! Number of times the word "mystery" occurs in a Casefiles title: Number of times it occurs in an original series title: Number of times the words "dead" or "death" occur in a Casefiles title: Number of times they occur in an original series title: I think that neatly sums up the differences between the Casefiles and the original Hardy Boys books.

A great book. Starting with the disappearance of Irene's father, it goes to New Mexico with the boys in hot pursuit of the great scientist. This puts or rather takes them to Antarctica where the cold there to bury the boys anytime!

Chapter 4 : The Hardy Boys Casefiles Series by Franklin W. Dixon

The Casefiles series was mostly geared toward an older reader as compared to many other Hardy Boys series. The very first book in the series helped set the stage for its older target audience by killing off Joe's long time girlfriend Iola Morton in the very first chapter.

Chapter 5 : FictFact - Hardy Boys Casefiles series by Franklin W Dixon

Frank Hardy is the 18 year older brother of Joe Hardy, together they are known as the Hardy boys. Both boys live in the small but growing town of Bayport, at 23 Elm Street, with their parents, Fenton and Laura, and spinster aunt, Gertrude Hardy.
