This page includes first grade worksheets related to reading, phonics, rhyming words, and critical thinking skills. These worksheets are great for classroom or home use and you may print as many as you like. First grade is an exciting adventure for students. This may be the first time they are in school for a full day, the first time they read an entire book, or the first time they write a story. You can help your students by encouraging them to read independently as well as continuing to read together. This may be the appropriate time to provide your students with their own writing journal. They can write about their friends, favorite video game, favorite movie, or the fun weekend they had. It is our hope that the worksheets here will be an extension to the learning done in first grade. You may print these first grade worksheets for your own personal use, including printing materials for your classroom, non-commercial use only. Please be familiar with these Terms of Use before using any worksheets from this site. In order to view and print worksheets from this site you will need Adobe Reader version 6 or later.
