## Chapter 1 : All Yesterdays Parties: The Velvet Underground in | eBay

*The Velvet Underground, among the most influential bands of all time, are credited with creating a streetwise, pre-punk sensibility that has become inseparable from the popular image of downtown New York.*

Melody Maker, June 30, Fondation Cartier reunion feature. Same issue has also a news item about a forthcoming CD box set p. As former Pixie Black Francis once famously told MM, they might not have sold many records during their brief career, but everyone who heard them was inspired to form a band. Against the odds, the VU have reformed for a series of concerts this summer. On the eve of their first full shows together in nearly 30 years, Allan Jones talks to founder member John Cale in Paris and overleaf, recalls a classic encounter with Lou Reed. Three photos by Steve Double including a full-page colored one. They wore black instead of rainbow-colored silks. They wore sunglasses at night while earth mothers and fathers frolicked with nature in the wilderness. The Velvet Underground were the antithesis of the dippy hippies, and as such reviled in their lifetime. Keith Cameron scored a rare interview with all four original members in New York and sat in on their rehearsals, while Steven Wells puts the other side of the coin - that the Velvets are single-handedly at fault for 25 years of inaddo indie wank. One photo by Steve Double. New Musical Express, 12 June , p. Same issue has also a Lou Reed discography with a photo by Barry Plummer p. We will confront the myth Max Bell, photos Graham Wood Vox, no. Gods, or fallen angels? We devote eight pages to evidence old and new. Mc Darrah, VU members quotes about reunion. John Cale talks about the old times with Bonner, who supplements the article with a history of the band. Also included are various quotes on the VU and its influence by various alternative pop persons, and a review of the first two albums by Bonner. Roger Morton grapples with curmudgeonly old banana man Lou Reed to find out why he will never work with John Cale again Melody Maker, April 15, , p. The Velvet Underground demo tapes Melody Maker, April 22, , p. Sterling Morrison Melody Maker, September 9, , p. Peter Doggett unwraps the banana. Large photos by Fred McDarrah. In this second extract from his autobiography, Cale describes how the long-standing tensions between Lou Reed and himself finally cause the band to implode for good. Photos by Stephen Shore, Fred W. The Velvet Underground shares the cover with Blondie. We never smiled and would turn our backs on the audience. Our aim was to upset people, make them feel uncomfortable, make them vomit. We hated everybody and everything. Peter Doggett unpeels their mystique Plus one photo shot outside in Provincetown MA, David Sheppard marvels at the subversive beauty. With new interviews and a clutch of unseen pictures, we tell the unexpurgated story of that dark alliance, and the animosity that continues to this day The VU unveil their new incarnation: Instead, it finished them off. Photo by Steve Schapiro. But will Moe be there?
