Biotechnology Answer Key M. Evening Civil Exam Answer Key. Evening Mechanical Exam Answer Key. Evening Electrical Exam Answer Key. Mass Communication Answer Key. Sc Answer Key M. Answer Key will be available Download here: The Aligarh Muslim University conducts a number of Admission Tests for admission to various courses every year. The link for the same can be accessed by the candidates using their Password and login ID on the website: All claims submitted by valid applications will be examined by expert committee constituted for this purpose and its decision shall be final and binding on all candidates. Refer to the links mentioned on this page which will be made active with the release from the University. Download them and match the codes on the question paper and the answer key before starting the marks estimation with the key. How to use Answer Key? As the question papers will have different codes on them, the answer keys will also have different codes on them corresponding to the question paper. You should download the answer key which has the same code as mentioned on the question paper given to you in the entrance exam. After downloading the AMU Exam Key, you can easily use it to evaluate the answers and arrive at the final exam score. The score which has been calculated using the answer key will be called an estimated score. It has the following benefits: Comparison with Previous Results: You can match your estimated score with the merit list of the previous year and can easily assess whether you will be able to qualify the exam or not. Estimated score generated with AMU Answer Key can be compared with the cutoff for different colleges and courses to arrive at the choices you can fill at the time of counselling. You can also compare this score with the cutoffs for different rounds of seat allotment and get to know which courses will be available to you by which round. All the candidates should note that only the officially released answer key will be used for the final generation of the exam result. Hence, if they are referring to the Answer Keys of AMU from the unofficial sources, they should expect a minor variation in the final score. The keys may or may not be subject to the objections raised by the exam takers and will be hosted on this page for all courses.
