

Chapter 1 : Catacomb (Asylum , book 3) by Madeleine Roux

The Asylum Novellas: The Scarlets / The Bone Artists / The Warden.

Asylum is a novel by writer Madeleine Roux. Always an outsider, Dan hopes that this summer will bring a change, allowing him to make friends with interests similar to his own. However, things begin to change after they begin exploring the basement rooms of the old asylum where their dorm rooms are housed. Asylum is a novel of the supernatural as well as a novel of friendship and overcoming difficult obstacles. Dan Crawford arrives at New Hampshire College and immediately goes to Brookline, the former asylum that now houses the dorm rooms for the summer program Dan is there to attend. Dan finds an odd photo in a drawer in his room. Dan goes to the ice cream social for the program attendees and meets a girl, Abby. Abby introduces Dan to her friend, Jordan. The trio immediately hit it off. The trio decides to go explore the offices. Dan finds the pictures Felix mentioned and Abby finds another photo of a young girl with vacant eyes. Abby is so taken with the photo that she decides to take it. The following day, Dan and his friends choose their first set of classes, deciding to take several classes together. They become inseparable during this first week of the program. Dan even gets up the nerve to take Abby out on a date. However, things begin to change. First, Jordan is annoyed with them for not informing him of their date. Jordan also becomes obsessed with a mathematical problem that is supposed to be unsolvable. The trio make another trip into the basement, this time going much further than before. What they see is creepy and they come to the conclusion they should not go again. However, among the patient files, Abby finds an admittance card that suggests her aunt was once a patient at Brookline. Abby becomes obsessed with learning more about her. As Abby and Jordan become distracted by their own problems, Dan finds himself drawn into the history of Brookline. Dan even goes to visit a local man who has published a website about the asylum. A boy is killed at Brookline. Dan is then drawn into the criminal case when a man attacks his roommate and himself. The police suspect Dan of lying, but Dan feels that the asylum and its most famous inmate, a serial killer known as the Sculptor. Therefore, when Dan is invited into the basement by the killer, he goes. Dan is confronted by his roommate, Felix, who apparently has been taken over by the consciousness of the Sculptor. A fight ensues, but with the help of his friends, Dan comes out victorious. Jordan reveals that his parents, who do not accept his sexuality, might kick him out. Dan, whose adoptive parents are kind and open minded, invites Jordan to come live with him with the hopes that the trio will remain close for years to come. This section contains words approx.

Chapter 2 : Asylum(Series) - OverDrive (Rakuten OverDrive): eBooks, audiobooks and videos for libraries

Asylum is a New York Times bestselling young adult horror novel series by Madeleine Roux. The series is composed of four novels, Asylum, "Sanctum,, Catacomb, and " Escape from Asylum" and three novellas, The Scarlets, "The Bone Artists, and The Warden.

Beschreibung bei Amazon Madeleine Roux is an American author of fiction. She was born in and is the writer of the Zombie and Asylum series which are two different series. She is also the author of the House of Furies series of fiction. Her genre would definitely fall into thriller and maybe even horror. She is a bestselling author thanks to her Asylum series and the other novels and series that followed suit. At that time she proposed and then wrote and presented a historical fiction novel that was full length. That gave her the foundation to move on to other novels, which would make her an officially published author in print at last. She started with the blog Allison Hewitt is trapped, which was an experimental fiction writing blog. The blog became popular and brought readers a unique experience in serial fiction. Eventually it was turned into a full novel and released for readers to enjoy. Three years after graduating after studying writing, Roux turned her serialized fiction into her first ever novel. She was born in Minnesota and now resides in Seattle. She loves living and working in Washington and readers can expect to see more novels from this author to come! She is the author of the Zombie series of fictional novels. The series kicked off in with the release of the first novel. It is titled Allison Hewitt is Trapped. The second novel came out shortly after in and is titled Sadie Walker is Stranded. Allison Hewitt is Trapped is a unique zombie story that you will not soon forget. One woman is going to fight her way through the zombie apocalypse or she is going to die trying. They must still have Internet access during this apocalypse, which comes in handy. The real question is, will people have enough time between fighting for survival to check it out? Allison Hewitt is just your everyday girl. She happens to be at a bookstore with five of her colleagues when the zombie virus starts to spread and the outbreak starts for good. Allison reaches out to anyone who may be able to help, writing on her blog and her laptop and hooking them into the SNETâ€™ the official emergency wireless network of the military. Allison thinks that this might just be a way to finally reach her mom at last, but the situation gradually starts to sink in: Now Ali is stuck fighting off the undead and recording her point of view and all of her adventures online in a digital blog for anyone to read. Her adventures are being written down and maybe they can even help someone along the way. Allison joins up with her colleagues to take on zombies and more as they hit the road in risky adventure after risky adventure. As they battle their way through zombies that want nothing more than to eat them alive, the group is going to have to do their best to take on monsters of all types in this crazy new world. Can Allison and her gang survive, or will some of them fall along the way? Feel your heart pound as you take in every breathtaking moment in this serialized blog come to live from Madeleine Roux! Sadie Walker is Stranded is the second novel in the Zombie series by thriller author extraordinaire Madeleine Roux. We move on from Allison to a new main character in this story. As you may have guessed, the main character is Sadie Walker. Just like every other person on the planet Earth, Sadie is fighting for survival. But try as she might, the dead are doing their very best and gradually closing in on her. The city is like a fortress and it works for now. The zombies are kept out and the survivors are doing what they can to stay alive. However, Seattle is now full of strange occurrences and danger. The wall is the only thing keeping the monsters out, but the longer that people are going to be trapped inside the city, the more it is guaranteed that all of the supplies are going to run out. They are all going to have to leave at some point, but for right now, there are too many zombies to safely try to get out. As it turns out, everything is also about to get a whole lot worse. People have been growing frustrated and tensions have been steadily rising. A group that call themselves the Repopulationists take action one day and part of the wall is successfully destroyed. Just like that, the infected start getting into the city and taking it by storm. Not knowing what to do, Sadie must find out a way to track down her missing young nephew and flee the city before it is completely taken over by the zombiesâ€™ or in the worst case scenario, where they are turned into zombies themselves. The only problem is that the only way out of Seattle might just be by sea. Will she take her chances, and can she find her kidnapped nephew? You will have to read this thrilling book
