What our Customers are Saying "I feel extremely comfortable serving the baked goods from Easy Sweets to my children who are both severely allergic to nuts. The birthday cakes are not only beautiful, they are scrumptious and moist. Definitely the best option in town. Exceptional quality and taste and extremely creative and helpful staff. And always fresh and I know they are made with quality ingredients. My favorites are the gluten free brownie and blondie bites. So chocolaty and luscious. I keep coming back for more. What can I say? You have to try Easy Sweets Baked Goods! Best dairy-free coffee cake muffin I have ever had. We hosted an early morning brunch for my daughters wedding and had their staff come and set up an absolutely stunning sweet table, including gluten free options. The guests could not stop raving and eating! Easy Sweets Baked Goods 18 hours ago Bring back summer with these delightful pink mini cupcakes.
