Why Use a Bible Dictionary? March 14, Welcome to Do Not Depart! Little time, Big results You barely have time to just read your Bible. Why would you add reference books on top of that? Would you if the rewards outweighed your effort? For a small investment of time, you can reap big benefits. What is a Bible dictionary? Bible dictionaries are concise reference tools that, at a minimum, provide a short definition of an English word. But they can also give definitions of the original Hebrew or Greek words. Some add scripture references, pronunciation guides, parts of speech, word derivations, synonyms, and brief contexts. There are also dictionaries for Bible names, subjects, places, backgrounds, and themes. While a few are written specifically for scholars, the most popular ones are easily understood by those of us with no formal theological training. Many dictionaries are free online from a direct site ex: They offer fourteen free dictionaries and three paid ones, plus multiple other resources. I wanted to know more. So the next time you see an interesting word in your Bible reading maybe one of these? See what new treasures you will find to build your faith to ultimately honor the Father! How do you use it? Please share comments and questions below. Related About Lisa Lisa looks for God in ordinary people and in everyday moments, then shares where she finds Him on her blog LisaNotes. She is a wife to Jeff and a mother to two girls here, one in heaven.
