## Chapter 1 : Prayer Book: List of Books by Author Prayer Book

*The Book of Common Prayer is not just the old and well-loved prayer book of the Church of England. It is one of the classic texts of the English language. This larger size Prayer Book provides the complete services, and is bound in an attractive Black Calfskin leather with gilt edges and blocking.*

To be an Anglican, one does not have to subscribe to any particular systematic theological framework. One does not have to practice a particular brand of liturgical style. One does not have to have an approved politico-theological viewpoint. One can be a conservative, liberal or moderate; one can be high church, low church, or broad; one can be charismatic, evangelical, or mainline traditional -- one can be any number of things in a rich diversity of choices, and the Book of Common Prayer can still be the book upon which spirituality and worship is centred. The Book of Common Prayer is not, in fact, a book that changed my life. It is a book that changes my life. Even though it is not the primary book of my own church, it continues to provide for spiritual insight and development; it continues to guide my worship and my theology. It continues to help me grow. The words are part of a liturgy now shared by Catholic, Lutheran, Methodist, Presbyterian and other liturgical churches, in different combination and priority. Gerry Janzen, an Anglican professor at my seminary, said to me recently as we were lunching and having a fascinating and wide-ranging conversation in a unique way that only Gerry Janzen is capable of doing that he strives for that kind of memory and understanding that is so complete that one forgets what one has learned. He recounted to me his experience of working with his book on Job -- he had done a lot of research, development of ideas, writing, and organisation, and then set it aside for a time. When he picked up the topic later, he decided to begin by writing, and then go back to the research, other notes and writings he had done earlier. He was surprised to see, in comparing the work, that he had in fact duplicated much of the material -- he had internalised the information, incorporated it so well into his thinking and being, that it came forward without effort. But it has become a part of me. When was asked to put together a liturgy for a houseblessing for Episcopalian friends, there were rooms that called for collects that had not been written -- I wrote new collects and inserted them into the liturgy. That was perhaps the first confirmation to me of this sense of incorporation of the book into my life. From his first edition, Cranmer distinguished in his terminology the words minister and priest, and the two should not be viewed as interchangeable. A priest is a minister, but a minister need not be a priest. This become part of the early development of the idea of all people being ministers to each other, which is also a concept that has varying acceptance and fulfillment in actual practice over the history of Anglicanism. One of my favourite prayers derives from this book, part of the English prayer book from the very first one in Almighty God, who hast given us grace at this time with one accord to make our common supplication unto thee, and hast promised through thy well-beloved Son that when two or three are gathered together in his name, thou wilt be in the midst of them: Fulfill now, O Lord, the desires and petitions of thy servants, as may be best for us, granting us in this world knowledge of thy truth, and in the world to come, life everlasting. This prayer, like many things in the BCP, has moved to a new location from the first edition, but nonetheless the spirit of the BCP shows a circuitous but continuous development from the first English Prayer Book to the current varieties. Likewise, other denominations have gleaned insights, prayers and structures from this and other versions of the BCP. The Book of Common Prayer, as a single unit and as a greater tradition of which this book is a part, is an Anglican gift to the world.

## Chapter 2 : Books by Book Prayer (Author of BCP Standard Edition Prayer Book)

*The Book of Common Prayer, written by Thomas Cranmer in , is not just the old and well-loved prayer book of the Church of England. It is one of the classic texts of the English language, and many of its phrases and ideas have become common usage.*
