

## Chapter 1 : List of Colleges in the Midwest. Midwestern U.S. Colleges and Costs.

*See how the top regional colleges in the midwest rank at US News. Find rankings for the best regional colleges in the midwestern US.*

The phrase not only refers to a region but is also a term that extols the values and ideologies, such as hard work, small-town communities, rural heritage, simplicity, loyalty, and honesty. However, the Midwest is known for more than being the engine that drives America. In this piece, we will discuss the best of them. OSU offers more degrees and programs of study than any other institution of higher education in Ohio. The school is recognized for its undergraduate teaching. University of Michigan " Ann Arbor " With an enrollment of nearly 45, students, this university is among the largest in the nation, and it ranks 28 in universities across the country and has outstanding undergraduate instruction. The University of Michigan " Ann Arbor is also a good choice for veterans. Known for its rigorous academics, the university boasts 70 majors and several renowned post-graduate programs. Northwestern University " is best known for its music, performing arts, and communications programs. Between challenging academics and a busy social scene, students are fully occupied. Frequent plays, concerts, and social gatherings enliven a highly collaborative academic atmosphere. A strong athletic program especially football! It offers at least degree programs, most notably in Pharmacy and Veterinary Medicine. The University of Nebraska-Lincoln " The undergrad enrollment at this public university is 25, , and the school is part of the Big Ten Conference. Students can choose from majors, and the students organizations on campus enrich the college experience. University of Kansas " This university ranks at nationwide, and it focuses on research and teaching. The programs in special education and public administration are outstanding, and the KSU law program is a top 20 choice for value. University of Iowa " has one of the top programs in the nation for leadership with its unique Leadership Development Series. A smoke-free campus means a healthy environment for future leaders. It is also the scene of the invention of the first electronic computer. University of Wisconsin " La Crosse " This public school is 33rd among Midwestern universities, and it offers nearly undergraduate majors as well as plenty of co-curricular activities for a well-rounded education. Benedictine College " At 13 in regional colleges of the Midwest, this private Catholic school hand-picks their admitted students, and getting in is not easy. Students are encouraged to study abroad through the university, and options include programs in Italy and Ireland at sister campuses. Carleton College " Carlton has achieved the distinction of being ranked 8th among liberal arts universities nationwide. This private school ranks first in undergraduate teaching, is a best-value school, and in the top dozen innovative schools in the nation. Bethel University " The focus at Bethel is on Christian principles in every one of the programs of study offered at the college. Business, nursing, and education are popular majors, and students learn how to become servant leaders. Bethel is tied for 11th in the Midwest. Catherine University " St. This school is known for its programs in nursing public health, and social work. The student enrollment is small, and therefore, degree candidates enjoy small classes and closer engagement with faculty. The university devotes time to community service projects and regionally relevant research. The University of Illinois at Urbana-Champaign " With 17 different schools and colleges and over students organizations, any student can find a niche at this large urban university. It is particularly well-known for its programs in engineering, library science, and psychology. DePaul University " Small class sizes and friendly, supportive students and staff set this small Catholic university apart. Communications and liberal arts are the most popular majors. Loyola University Chicago " has been ranked as one of the top Catholic universities in the nation. It is best known for its business school and its liberal arts program. University of Wisconsin " Eau Claire " This school is ranked 37 in regional universities in the Midwest. The Eau Claire campus focuses on hands-on learning experiences in a variety of disciplines including STEM and education. Students are encouraged to student abroad, and some education majors student teach overseas. The university requires all students to complete a service learning project before graduation. Hamline University " This college is the oldest institute of higher learning in Minnesota. This small school has big ideas about college studies, and it encourages students to study abroad, participate in co-curricular activities,

and make the most of their time spent in small class sizes. This institution of higher education is known for its research, and as a result, attracts graduate students to its top-rated programs. Kettering University â€” Kettering involves students in hands-on learning experiences that help them gain relevant expertise in their chosen fields of study. As a result, freshmen gain valuable work experience that enhances their learning. By the time students graduate from Kettering, they are more prepared to innovate in their careers than many of their peers who graduate from other universities. A requirement of comprehensive exams for earning a degree ensures that students have learned all course materials. For plenty of personal attention and a small student-teacher ratio, Butler is an excellent option. The University of Dayton weighs in at among national schools, is considered a best-value choice, and has earned excellent ratings in business and engineering. University of Cincinnati â€” Known for fine arts and health programs of study, the University of Cincinnati also awards degrees in business, engineering, and law. Kent State is a top-notch public school with a recognized business program. University of Minnesota â€” Duluth â€” This institute of higher education ranks 38th in the Midwest region of the United States and students can choose from 93 programs of study. Creighton University â€” This Jesuit-affiliated private school offers nine programs for undergraduates and graduate students, as well as for students seeking professional certification. Students can take advantage of international opportunities for study, during the regular semester or exclusively in the summertime. Washington University in St. Louis â€” Coming in at 18 in the United States, Washington is comprised of four undergraduate schools and four graduate schools. They offer programs in social work, business, law, medicine, arts, engineering, applied science, and education. Webster University â€” Webster represents the best of the Midwest, but it also maintains an international presence with campuses in Europe and Asia. Students are encouraged to study abroad, especially if studying global journalism or international business. This school is ranked 23 in the Midwest, and it is a best-value school. Louis University â€” Although the school was founded on Jesuit principles, it welcomes students of any faith. The college is in the top universities in the United States, and it is also a best-value school. This school also has the distinction of being the first public institution of higher education west of the Mississippi. Nebraska Wesleyan University â€” Ranked at 16 in Midwestern universities, more than two-thirds of the classes at Nebraska Wesleyan have fewer than twenty students. Nebraska Wesleyan is affiliated with the Methodist church. This liberal arts school is also considered a best-value among similar schools, and many graduates continue their studies and pursue masters and doctoral degrees. Almost one-third of the students participate in Greek life. Hastings offers an Irish Fellows program, in which students study abroad for one month. If you represent a college or university that is included in this list, please collect your seal below.
