It happened around when Maud received from her parents a box of her high school memorabilia, which included her diaries. Initially Maud was embarrassed and found them silly and "full of slang and boys, boys, boys. She went into the living room to see what was so funny and discovered him reading her diaries. He said to her: You must take Betsy through high school. Lovelace were not, among other things, one of the most unflagging diarists since Pepys They were all subtitled "Monkeyshine of Mankatoman. For example, Betsy meets Joe when they are both entering their freshman year of high school. Click here to learn more about The People of Deep Valley a. Both Delos and Maud worked for Mrs. Wakefield just as Joe and Betsy worked for Mrs. It was Lillian who introduced and lead to the matchmaking of Delos and Maud. A couple days after their 14th wedding anniversary Maud was quoted as saying: The letters even offered me titles for another book, obviously in the friendly assumption that when a writer has found a title he is over the hump. And I always answer them personally to tell the girls that Joe does come back from the war and they do have a daughter they call Bettina. That being the case it might come as a surprise to learn that Delos not only authored a number of books, but was the author of one of the most infamous thrillers, King Kong. The novel King Kong was written and published in as a tie-in to the film by the same name. For a time the novel was credited as being authored by Edgar Wallace and Merian C. Cooper was a close friend of Maud and Delos, he and Delos had roomed together in college. Their first child, a boy born in , died a few hours after birth. When they discovered they had a daughter, but no name t hey settled on naming her Merian, after their friend Merian Cooper. Maud served jellied chicken. The picture to the right of Mrs. Lovelace was taken in while in the midst of writing the Betsy-Tacy books. It is said to be Mrs. First, if you own any of the recently reprinted Betsy-Tacy books you will find some wonderful tributes to the books and their author in the form of Forwards by well-known 21st century authors such as Ann M. Unfortunately I.

Many characters can be matched with individuals, while others are composites drawn from incidents in the lives of several people. Betsy is sociable, fun-loving and highly imaginative; the early books feature the stories she makes up and tells to her friends. Her ultimately successful quest to become a published author and the challenges she faces in learning to balance her commitment to her writing against other, usually social concerns are themes throughout the series. The members of the Ray family are based on the Hart family. Tacy is shy, sensitive, and fun-loving, from a large Irish family who live across the street from the Rays. Tib is fearless and competent; she is also petite, blonde, and learns to be very flirtatious. Tib and her family move back and forth between the Anglo-American atmosphere of Deep Valley and the German-American community of Milwaukee, Wisconsin. She is bilingual and able to navigate the varied social expectations of the contexts through which she moves. Maud Hart and Delos Lovelace met in 1901, when she was twenty-five. However, she chose to include a character based on her husband in the books beginning with *Heaven to Betsy*. Over the course of the four high school books his relationship with Betsy develops from a friendly rivalry to romance. Some characters were one-to-one matches with individuals while others were composites. The Ray family and other characters inhabit the houses of their real-life counterparts. Lovelace transformed the neighborhood of Center Street, her own childhood home and that of Bick Kenney, into the fictional Hill Street, named after the adjoining Big Hill. As Betsy grows older, her horizons expand to include more of the town. The high school books bring in the surrounding countryside. Lovelace utilized her own diaries and scrapbooks, contemporary materials such as magazines and catalogs, and correspondence with old friends and other past and present residents of Mankato who provided information to fill out her narratives. The Betsy-Tacy books were well-received, with the first edition of *Betsy-Tacy* going through more than thirty printings after initial publication. In the 1930s a paperback edition of the first six books in the series was published. However, during the 1940s, the books went out of print. The Society undertook a letter-writing campaign that convinced HarperCollins to bring the first four books back into print by 1980. Ultimately new editions of all ten Betsy-Tacy books and the three Deep Valley books were published, and as of 2010 all of the books remain available.
