The Lord Jesus Christ told me, after crying out to Him in a very long fast: I am free and totally restored!!! This is the book of ACTS!!! Click the banner on the left to go to the personal ministry page to read more and how to make an appointment. Catherine travelled from overseas Hi Vincent , thanks so much for ministry last week. I have been going threw the videos on line and going to sign up for school partnership now that I can move forward. Racquel UK - Jamaican descendent I have been struggling for so long with so many problems and spiritual oppression and had been to many deliverance churches, deliverance conferences and nothing ever changed or manifested, until the Lord had lead me to Pastor Vincent through his ministry website, I subsequently called him and made an appointment for him to see me. To the glory of the Lord Jesus Christ, I must testify that the anointing on Pastor Vincent is very powerful, he took time to get to the root of every issue concerning my individual life and problems, every curse, every ceremony done and after several hours I was totally set free, all rights of Satan to my life had been cancelled and all spirits that had for years tormented my life he casted them out. Thank you Pastor Vincent for your obedience to the Lord in your gift and calling and I pray the Lord will continue to mightily use you. Troubled at school, jobs, relationships, you name it, I had trouble with it! I turned to drugs, drank a lot, had terrible self hatred and always felt very empty and confused about life and what purpose I had here. I had a bad childhood where I grew up very troubled and felt so unloved by my family. I was suicidal too many times to mention I saw many counsellors, psychiatrists and none of it really helped long term Since I came into contact with Vincent ten Bouwhuis Ministries, through watching a program on TV where Pastor Vincent was helping many people with soul wounds, traumas and spiritual problems. I contacted Pastor Vincent in the UK and from the moment I met him my life has turned around dramatically. I was fortunate to have an individual inner healing and deliverance session and I have to say that it is amazing, to let go of all the hurt and cast out past feelings of worthlessness and past pain and finally realising that the answers to life are actually out there! There are so many answers in the Bible, its been right there all along and now I know I went to Church as a child now and then but none of it made sense to me To realise this gives you strength and hope. I was overwhelmed by the fact that people, strangers really, wanted to help me make my life better. They had the love of Jesus Christ within them and are allowing Jesus Christ to work through them. They took time out of their day to help me and really, truly listen to your feelings and problems. Who does this these days? If you are like how I was, empty and alone and afraid, you will never look back after visiting this ministry. I am so grateful to the introduction I have had to God and Christianity, it was obviously meant to be for me, I needed help and asked for it and I got it! Thank you Lord Jesus. I left Vincent Ministries on Sunday morning and felt like a new person, it sounds cliché I know but I really looked at the beauty of the world and started thinking about my future in a new, in an amazing light, the light of the world Jesus Christ, who brings light to all the darkness if you only let Him, for He will never force His way. They are souls born of God given to a child in the mind as gifts of protection and comfort in times of trauma and Jade, I am ONE again abuse. A child can store away emotional pain into these personalities and lead a normal life, with their sanity intact. But as the child reaches adulthood they hinder emotional and spiritual growth. They are individually distinct, each with their own names ,ages, opinions and mannerisms, and so I was living with many voices in my head who talked back and shared ,time with me. When they are active I would be overwhelmed with their thoughts and emotions and there were daily internal wars. I thought these voices were me or the enemy, but the enemy can never read your thoughts or he would be omniscience. There is always hope and healing in Jesus. Haylee UK A year ago you may remember me, my friend Grace bought me to see you for prayer. In other words I still had doubt about God and was not acting like gods child should act. Bear in mind I had suffered with severe anorexia and eating disorders in the past and had low self esteem and could never seem to meet the right guy. Until I started to cry hysterically and then laughter! I was amazed to say the least I had felt God. I left that day, feeling refreshed and renewed and very grateful to the

Lord Jesus Christ and His servant Pastor Vincent. I now have a completely different attitude towards God and am now so strong in my faith. I feel the Lord has blessed me so much and I am forever grateful for this. Dear Pastor Vincent may god bless you for your kindness and amazing work. You already have helped so many others and delivered them from the devil. So this testimony is also a note to show my appreciation and to say a big thank you for helping me and caring. Me and Grace will pray for you and your ministry and family. And to all those other readers I promise you, Jesus Christ is the only way David Scotland I went to see Revd. Vincent last year, as a diagnosed schizophrenic, I can testify to the Glory of the risen Lord Jesus Christ that with God all things are possible. Vincent ministered to me last year when I went to visit his centre for a few days, I went by coach for a 12 hour journey and I had booked myself in a hotel for several days, so that I could receive ministry and Godly wisdom and advice from this servant of the Lord Jesus Christ. My main problem was that I was hearing voices, probably due to my past where I was a drug abuser. After receiving ministry in Jesus name and understanding of who I am in Christ, the voices reduced to next to nothing, a year later the voices are practically gone. Before my visit last year I was desperate, close to suicide, the voices were driving me off the edge, but now I am living a normal life and I have got very close to the Lord Jesus Christ my Saviour. I am happy and love the Lord Jesus. An amazing miracle took place as full restoration took place in just hours, astonishing but with God all things are possible. And now she is restored, praise the Lord. I feel like new Ula used to wake up with JD and a joint, addicted to drugs, alcohol but instantly set free, restored. Praise Jesus the Lord.

The sad news hit Marie Josiane Boateng like a fierce thunderstorm. It left her totally devastated. The day was September 30, She had looked forward to a restful weekend. What she got instead was a wave of sorrow. Every effort to treat them failed. I used different kinds of antibiotics and herbal remedies. I even used anointed water and oil received from several churches. It was the first Sunday of the year A thought had been nudging her heart. She was eager to embrace it. I have been watching Emmanuel TV and listening to the testimonies. She studied his face and waited for an answer. The channel had become a part of the family, with the voice of the Man of God reverberating across the apartment. The walls, the chairs, the curtains, the flowers had all soaked up his anointed words, leaving as it were a positively charged atmosphere. There was little surprise therefore when her husband nodded in approval. There was no time to waste. She also folded two Stickers and placed each in either underarm. Satisfied with the spiritual therapy, Marie wore her jacket. I continued to pray and administer the Morning Water. I can wear sleeveless clothes and shave my underarms! I can raise my arms in public without shame! The Lord also blessed us with three houses, three plots of lands, three cars and more contracts! Glory be to God!

A few weeks after surgery I was speedily sent out to the Cross Cancer center in Edmonton to undergo chemotherapy to prevent the cancer tissue remaining in my uterus to spread to other organs in my body. I found out that the Emenikes were coming to my home town of Yellowknife to hold miracle and healing services. From the TV interview I previewed of them I knew they were people of experience and had solid revelation of the word of God in the topics of faith, healing and our authority as believers. God was sending them to Northern Canada to help. His love and goodness is for everyone who will believe. God did a small miracle arranging an early release from the cancer clinic after only 3 days so that I could attend these meetings. I was determined to have a personal and powerful encounter there with the same Jesus of yesterday, today and forever Hebrews They live what they believe. God honors this just as He says in Mark September This morning I was in the church of pastor Jan Z. She was at the last children-healing service in Nieuwegein. She had 3 kids with cystic fibrosis and you prayed for the oldest and the youngest child, a very small baby. The oldest boy also played the sick person in the play you did with the children, where he was brought to Jesus by his friends. Monique told me that all 3 kids are no longer getting liquid food by a tube, but eating everything by them selves. This is already a great miracle, because normally when they start with this food, they need it for the rest of their lives. So they were very happy and expecting that Jesus is going to heal them completely. The doctor already has told a lot of people that it is a miracle, because the kids have this terrible disease, but there seems to be nothing wrong with them. Now they want to slowly stop with the medication, she promised to let me know how they are doing, so I can inform you. KT " Duncan, BC. This woman saw an ad in the paper and has never been to a healing meeting. She attends the same church as Jocelyn who was healed Dec 12, She decided to see what these meetings were like and brought her husband. She has had arthritis for 5 years and was on the hospital waiting list for 3 years for a left knee replacement. When she came to the meeting, she had pain in her knees. She felt healing was happening during the praise because she was able to stand through most of the songs and that had not happen before. Pastor Judith did not pray for her. Instead, she told her to move and the pain completely left. She does not need her cane. When Judith prayed, his vision cleared and he was able to recognize his wife at the back of the room. These two people were healed this night, because they opened themselves up to come and see what God is doing. She had a prolapsed disc and this condition worsened and progressed with arthritis during the years of heavy lifting of patients required by her job. When she came to the meeting, she had neck, back and sciatic nerve pain. When Pastor Judith prayed, all the pain left her body. Dear Judith, I want to thank our heavenly father for providing me with a job!! You prayed for me during the miracle fire campaign in Nieuwegein, The Netherlands. I was suffering from a severe burn-out and was without a job for more than a year. I came 5 times or so in a row to the meetings and was perplexed by the mighty power of God. I praise His name. I am healed from my burn-out and got a permanent position in a commercial position. I want to thank you for praying with me and believing that for God "it is easy"! During the morning session Elizabeth City Church after being prayed for healing for Muscular Dystrophy I had chest pain while standing which disappeared as the gentleman prayed. Judith then told me to walk around the room. When I started running, then realising I had no pain in my legs. Then I went down in the power of God after which I realised I had no neck support.. I was lying there for half an hour, which would normally be impossible so I give ALL the glory and honour to God. I have had Muscular Dystrophy for five years. The symptoms 18 months before but not diagnosed until Greater is He that is within me than he that is in the world. She went to her cardiologist on Tuesday and has been given a clear bill of health. God healed me of arthritis in the neck, back and neck on Sunday night, then when I awoke on Monday my cataracts were gone. For about 15 years I have suffered pain across the centre of my body. The specialist told me I had liver, gall bladder, stomach and intestinal problems. During the Sunday morning meetings Pastor Victor called my daughter, Amy to come out the front and soon after asked my husband Steve and myself to

come out and pray Gods word over Amy. While praying I felt Gods touch on me. Our God had healed me as I prayed for my daughter. Now two days later I stand in awe at the power of the Lord for I have no pain and I know I will continue to have no pain. My husband and I attended one of the healing meetings at Morphett Vale Baptist when the team came 12 months ago. We had lost 3 babies miscarriages and had the medical profession baffled. I went forward for prayer for healing and a number of people prayed for me. Victor the Nigerian guy was amongst them and among many other things he said, "Congratulations," shook my hand and asked us to send a photo of our baby to him in 12 months time. We can now do this! On October 3rd, Josiah Joel Tudball came into the world. We just wanted to let you know of our little miracle and were hoping that you could somehow pass this photo on to Victor for us. Thank you for your ministry!

Chapter 5 : Delivered Of Cancer and Blessed With A Baby | It Is Easy Ministries

Blessed, Healed and Delivered by George O McCalep, Jr., Sadie T McCalep About this title: Drs. George and Sadie McCalep were married for 45 years as of June 2, , after dating six years, beginning their senior year of high school. calendrierdelascience.com Sadie McCalep has been blessed through her life's journey.

No unbeliever could have this kind of hope except he repents from his sins and by faith receives the Lord Jesus Christ as his Lord and Savior. The object of true faith is the Lord Jesus Christ and beyond doubt, He is the great God mentioned in verse What a blessed moment that will be when Jesus comes and claims His saints to take them to the prepared place He promised during His earthly ministry. What an unbelievable assurance from God to every wicked sinner saved by grace through faith in Christ. What a blessing for a blood-bought and blood-washed man through the precious blood of the Lord Jesus Christ. They have the best of life now, and surely, the best of eternity. In I Peter 1: In I Thessalonians 4: Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: Wherefore comfort one another with these words. May we be not found selfish concerning our hope, but share also to others the blessings of trusting the Lord Jesus Christ for their salvation. And what makes a Christian peculiar? Another interesting fact about Christians is their citizenship in Heaven. Who shall change our vile body, that it may be fashioned like unto his glorious body, according to the working whereby he is able even to subdue all things unto himself. It is certain that the world cannot afford to give true hope because the only way to have it is through faith in the Lord Jesus Christ. Only Jesus can give true hope to human race. Without Christ, there is no hope. The Lord Jesus Christ is the Truth and the giver of eternal life, love, peace and joy. The unsaved world may not be convinced of what Christians are saying concerning blessed hope, but through our changed life they behold day by day, they will be led gently to the saving knowledge of our Lord and Savior Jesus Christ. In I John 3: KJV A truly saved person has blessed hope. His hope is far beyond what others have in mind. He will repent from his sins, and by faith, he will receive Jesus in his heart as his Lord and Savior. To Christians, keep on shining for Christ and be a consistent guiding light to the lost so they may find their way to the only Savior, the Lord Jesus Christ. Be a blessing to others.

Chapter 6 : Prayers for Healing - Cure The Sick With Prayer

Saved, healed and delivered Posted on October 25, by Casey D. Bell So many times when we think of the Christian life or the purpose of the Church, we think in terms of getting saved and leading people to Jesus.

Allow the Holy Spirit to build your faith as you read these Words of Life. You may want to highlight, copy and paste the scriptures into your word processor before printing so you can get the page breaks correct, that way the scriptures will not be broken up from page to page. This will help you stay on track! This is very important: The Bible tells us in Romans Be sure and read through the articles in our Gems of Truth section. These are short teachings that will build your faith for healing and all areas of life. We need to learn the laws of faith to learn how to receive from the Word. Also, be sure and read through the Testimony section as well. Believe it, Receive it and Act upon it!!! We would like to sow healing seed into your life! We are offering to send a free copy of: This book brings forth a very practical understanding of the gift of wholeness that has been given to us through the death, burial and resurrection of the Lord Jesus Christ. I am sure it will prove to be a blessing to you just as it was to me. We simply want to help you receive your healing. Due to customs restrictions, this book can only be sent within the United States and to United States Territories. Please send your request to our email at with your home postal address, and put How To Live in the subject line so we will know which book to send out. Send us an email with the words Mini Book in the subject line and we will get it out to you shotly. We want to thank all of our faithful partners for their giving which enables us to give these materials away free of charge! Talk about certainty and the concreteness of absolute Truth!!! If we will come to the understanding of what is being declared here in the Word, all doubt and uncertainly just has to flee and faith will just be!!! That alone gives me great hope, because you can be assured Jesus always gets His prayers answered! It means deliverance in the present as well as in the future or in eternity. Sozo also describes its work both physically as well as spiritually. Jesus used this word to denote healing of the body as well as forgiveness of sins. Whenever you come across the word save, saved or salvation, remember to always translate it as "save - heal" when you come across it in the Word. Now you know where we came up with the domain name for our website www. From now on you need to train yourself to translate the word "justified" as "declared righteous. This will really help you when you read the book of Romans. You can remember it with this phonetic, literal breakdown: The effects of this right-standing or righteousness pertain to the soul, the body and our life here on this earth. Notice that the will of the Lord IS to impart His resurrection life into our natural, earthly body as we place our faith in His finished work of the cross. Begin to praise Him for this promise as you receive this as your very own. Your will be done on Earth as it is in heaven. Learning to walk in the Word of God, brings the benefits of the Word of God into a living, functioning reality. But He was wounded for our transgressions, He was bruised for our iniquities; the chastisement of our peace was upon Him; and by His stripes we are healed. God does not "heal" a human spirit, he recreates it. He does however, heal our bodies and minds. This clearly shows that your healing was paid for at the cross! Because of this redemption healing is yours! Praise God Isaiah The phrase "all his bed" in the Hebrew, has the meaning of; all that he is afflicted with, or all of his condition that he is lying with" It is always His will to turn, change and transform our mourning into dancing - Psalm Jesus paid it all for your total deliverance - spirit, soul and body! It also states that healing is one of the benefits that belongs to the believer along with the benefit of having our sin forgiven. See our article Two Gifts of Grace 3 John 2 "Beloved, I wish above all things that thou mayest prosper and be in health, even as thy soul prospereth. Let him call for the elders of the church; and let them pray over him, anointing him with oil in the name of the Lord: And the prayer of faith shall save the sick, and the Lord shall raise him up; and if he have committed sins, they shall be forgiven him. And I will take sickness away from the midst of you. This is our covenant right! The curse does not belong to us, we were not appointed to it, we are appointed to the blessing which is the life of Christ given to us. The Word salvation always implies healing, mending, health as well as deliverance. One should always translate the word salvation as saved-healed! Anything that is void of life - your hopes and dreams, finances, health issues, marriage, relationships etc. Daily worship is a major key to the realization of His presence and the knowing of

His person. Worship and the Word were meant to go hand in hand. Use Your Authority and Resist Fear! Do not allow sickness, pain or disease run free in your body, bind it or forbid it to stay there any longer because of your rights as a believer.. Put your foot down and command it to leave in the Name of Jesus!!! I Jesus have come that they may have life, and that they may have it more abundantly. According to this verse He came for this very purpose. We also see clearly that it is not God who afflicts us. The word here for life is the Greek word "zoe. Sickness and disease are truly not in His plan for us, simply because He has none to give. Command Satan to take his hands off of you. Command sickness and disease to leave you now in the Name of Jesus. I will strengthen you and help you; I will uphold you with my righteous right hand. You condemn it, with the Word of God, and command it to leave your body. The Word tells us that He who the son sets free is free indeed!!! Take hold of and insist upon your covenant right of freedom today in Jesus Name. Command the devil, sickness, disease, pain and suffering to GO in Jesus Name - you have another appointment in Him, and that appointment is supernatural, overflowing, and abundant life in Jesus Christ our Lord. Begin to praise Him for it. Sickness, disease and failure belong to the world. As a believer, we are given the right to overcome that which comes against us by holding fast to the Word of God. While we do not deny that the problem or circumstance exists, we do however deny it the right to stay through our faith in God and His Word!!! Faith in God is victory all of the time!!! Begin to see yourself the way God sees you. As this verse says so clearly, as He is, so are we in this world. Think about that for a moment, how is He now? Insist on having the blessing of the Lord manifested in you - praise Him for it now, worship Him!!! Shall I then take the members of Christ and make them members of a harlot? Or do you not know that he who is joined to a harlot is one body with her? For "the two," He says, "shall become one flesh. Sickness has no right to Him, so it has no legal right to us. It is illegal and off limits, it has no right to stay. Take a firm stand and run off the attack and the lies of the enemy. You belong to the Lord, you are washed in His precious Blood, the covenant Blood. The blessing of health was purchased for us at the cross, it belongs to you now. Notice the importance of the Word of God - the precious promises. Your healing must be rooted steadfastly on the Word, not on what you see or how you feel. Also, did you take note of the fact that we are partakers of His divine nature! I guarantee you that His nature is total health and well being. In other words, because we are born-again, we have been given the right to share intimately, in partnership and participation in His life. This is your birthright, count on it and expect it. And I love how this verse starts out - God is faithful. Did you notice, it did not say you might or you possibly could, it says you will reign in life this life in the here and now. Are you reigning in life or are you being rained on? If you are not experiencing victory, know that it is a breech of the Word of God for it to remain and become the norm. Get mad, with a righteous indignation, and command the circumstances to leave and take hold of the victory that is yours through the Word. For this is the will of God!

Chapter 7 : You've Already Got It! - Andrew Wommack Ministries

Blessed Fragrances. likes Â· 8 talking about this. To inform the Saints of God that Jesus Christ paid the price for us to be Healed. Delivered and Set.

Posted on October 25, by Casey D. Bell So many times when we think of the Christian life or the purpose of the Church, we think in terms of getting saved and leading people to Jesus. Jesus quoted Isaiah 61 when He stood up to read in Luke 4: There is so much more to salvation than just Heaven. In fact the Greek word for salvation is SOZO which means saved, healed, delivered, made whole and preserved. God may also be trying to teach us something or draw us closer to him through sickness. Jesus healed all who came to Him and he repeatedly said, according to your faith, be it unto you. If we are constantly speaking things contrary to life, health, prosperity and good relationships we will reap a negative harvest. Proverbs says, out of the abundance of the heart the mouth speaks. If we want to walk by faith, if we truly want to receive what God has for us we must speak words of positive faith. The thing is, those people have what they say, they are dealing with negativity, lack and sickness because that is what they believe for. We will get into this more next year as I teach on faith but faith is not the absence of problems but the ability to get through them. Many of us struggle with negativity and are in bondage to certain things though because it is a generational curse. When we get saved we are on our way to Heaven but unless we also break the curse it is still in operation in our lives. We confessed Jesus as Savior and Lord to be born again. Many of us though are still confessing negatively in every other area of our lives and that is why we need to break curses and receive deliverance. Look at Acts Today, I want to encourage you to receive more than just entry into heaven, pray the model prayer Jesus gave us. Every promise in the Word is for us today. Find the promises of God for your need from Genesis to revelation. If God said it you can have it but it is up to us to use our faith and receive it.

Chapter 8 : BIBLE VERSES ABOUT DELIVERANCE

Get Ready to BE BLESSED, HEALED, DELIVERED, SET FREE AND EMPOWERED! Jurisdictional Workers' Meeting, March at Zion Cathedral COGIC, Grand Avenue, Freeport, NY.

Tweet What do you need the Lord to do for you? Do you need the Lord to heal you? Could you use more money? This may sound crazy to some of you. But regardless of what the natural facts are, the truth is that God has already given you whatever you need. The only thing we are lacking is knowledge. They live in a constant state of trying to get God to do something. They are begging God to move through revival, healing, prosperity, etc. They run from meeting to meeting, trying to get something from God. You already have all spiritual blessings. So, asking God or waiting on Him to bless you is counterproductive. And yet the average Christian starts from that position. God, will You heal me? One time, I was praying for healing for my son, who was very little at the time. You need to get a revelation of this. Jesus has already provided everything you will ever need. God is a Spirit John 4: Whether or not we see a physical manifestation of what He has done in the spiritual realm is dependent upon what we believe and how we act, not on what He has done. But He gave His miraculous power to us to release. Healing has already been provided. Financial prosperity has already been provided. Joy and peace and everything that you will ever need emotionally have already been provided. I ask You to give me joy. Would you please pray that He would release His love toward me? The truth is, God has already poured out His love toward you. Look what it says here in Romans: The love of God is shed abroad in our hearts by the Holy Ghost which is given unto us. His love has been poured in your heartâ€”in other words, in your spirit. It takes you out of condemnation. It takes you out of a legalistic mentality of trying to earn things from God. How do I respond? Why are they asking Me for what they already have? Why do they ask Me to come into their services when I said I would always be in the midst of two or three of them? Why do they ask Me to go with them when I said I would never leave them or forsake them? Now, it says those spiritual blessings are in heavenly places in Christ, but they are in you because you are in Christ, which is what the next verse says: According as he hath chosen us in him before the foundation of the world. And He said He would never leave you nor forsake you Heb. God, could You just love me? Thank You for Your goodness. That is so much easier than begging and pleading with God to come! God has already done His part. And the Scripture reveals in Ephesians 1: Do you need to be healed today? Jesus bore your stripes in His body 2, years ago. Do you need to be saved? It says in 1 John 2: Will you receive His forgiveness? Will you put faith in what Jesus has done? God has already forgiven you. That is so powerful, but this is where so many Christians are missing it. They start from a position of unbelief. They are crossways with the Word of God. In regards to healing, the proper way to do it is to take Proverbs I curse it and command it to leave. I release it to flow through my body. But we need to begin to apply this to spiritual things. There is more going on than just what you can perceive with your five senses. There is more than just your soulish, emotional realm. There is a spirit on the inside of you, and there is a spiritual realm, where God has already done His part. You need to live from the standpoint that God has already done it.
