It does a good job tying up the loose ends and filling in the blank spots. There is a few love scenes in the book that I skipped over. There was plenty of drama, romance, magic and action. The characters that in previous books that I really did not care about I learned to care and see why they acted that way. The new characters especially Gus and Sid I liked. Demetrius is now free naked and alone. He only has the three items that the first two witches used to hold part of his soul with him. Demetrius finds a empty cottage and takes clothes, a bus ticket to New York, and some money. He ends up living on the street with a old homeless man Gus his only friend. Who does not really believe his story. Lilia can only be brought into the world by Demetrius using his gifts and powers. Then she only has a short time to convince him to give up his powers and immortality to live on earth with her till they die a natural death. She can not tell him that if he does not agree to give up his powers and accept the part of his soul she holds by a certain date they both will die. Demetrius and Gus are dreaming what they would do if they won the lottery when the knife and the chalis started to glow. A voice in his head told him what to do. When he followed the voice Lilia appeared naked into the alley with him. He ran from the witch into a drunk driver. Who was a really rich and wanted to run for public office soon. So he gave Demetrius a mansion to live in for a year. Stock in his company, house staff for 3 year and money to take care of their needs in arizonia. Same time that Lilia came to earth so did the wizard who cursed Demetrius and killed the 3 witches. He came and took over the Priest who was in a comma body. He Plans to stop them again. I did not put the book down unless I had to till it was finished. If you have read the first 2 books of the series this is a must have to see it closed. Hopefully you will like it as well too. I was given this ebook to read in return asked to give honest review from Netgalley.

Chapter 2 : Sorceress - Wowpedia - Your wiki guide to the World of Warcraft

Blood of the Sorceress by Maggie Shayne 4 STARS Blood of the Sorceress is book 3 in The Portal series. It does a good job tying up the loose ends and filling in the blank spots. Thier is a few love scenes in the book th.

Due to publisher restrictions the library cannot purchase additional copies of this title, and we apologize if there is a long waiting list. Be sure to check for other copies, because there may be other editions available. Being human was absolutely miserable. And yes, he was grouchy. He was cold, shivering in the bitter March wind. He was hungry, his belly burning with it. His head ached, his eyes watered, and his body was sore from sleeping on concrete and park benches. Gus grinned down at him, tobacco-stained teeth flashing in a weathered, whiskered face. Demetrius looked where the old manâ€™”who had somehow become his only companionâ€™”was pointing. Across the busy street, a newly erected digital sign was flashing its message for the first time. Why you always gotta be so touchy about those treasures of yours, anyway? A man needs a weapon out here. And I guess I understand about the necklace. What the hell does a guy like you need with a fancy-ass mug like that, anyway? We could pawn that thing. And they mean something. You came from another realm, got yourself a body with the help of three witches. Though there were supposed to be three. The mass of useless knowledge swirling around in his brain, more and more coming to the surface all the time in disjointed and mostly meaningless bits, had told him there should have been three. But he was sure there had only been two. And yet, he had some vague notion of having once been human Suspense, mystery, danger and passion-no one does them better than Maggie Shayne. She satisfies every wicked craving. A moving mix of high suspense and romance, this haunting Halloween thriller will propel readers to bolt their doors at night. The suspense will keep you guessing. The characters will steal your heart.

Blood of the Sorceress by Maggie Shayne 4 STARS Blood of the Sorceress is book 3 in The Portal series. It does a good job tying up the loose ends and filling in the blank spots. Thier is a few love scenes in the book that I skipped over.

Cheshire lived in a world of childhood fantasy. Books had fed her comfort through the rough years of adolescence. They had become her friends and companions. They comforted her in the darkest hour of the blackest night when no lullaby could hush the fear that crept up from the shadows. It was her upcoming graduation that made her realize that the world her books had created was crumbling. She would soon have to abandon the lyrical realm of fantasy, that filled her with hope, for the melancholy reality which dictated her future. Graduation was a funeral march. The only thing that Cheshire had to look forward to was the after party that her friend Seanna had coerced her into attending. Cheshire would rather have stayed home in the comfort of one of her paperback companions, but she would follow Seanna to the end of the world. That was the power Seanna held over her. It was at the party that Cheshires world took a turn into a realm of confusion, deception, and the painful struggle for survival. There she met Mario. Mario made her feel alive. He made her feel whole. She felt that she could handle the darkness of reality with him beside her. Mario would be the death of her. Cheshire had never suspected the journey that destiny had planned out for her. Thrown into a world of beauty, overshadowed by a dark sorceress, Cheshire must uncover the power that was given to her at birth. She must overcome her fears and self-doubt to free the world that she spent her entire life dreaming of. Cheshire never would have thought that, in death, she would have to fight to keep her dreams alive more than she ever fought to live. Find Your eBooks Here!
