

**Chapter 1 : Both the Ladies and the Gentlemen by William Donaldson**

*Both the Ladies and the Gentlemen has 8 ratings and 1 review. Henry said: One of the all time great comic novels in the English language. Don't bother wi.*

Blessed with good looks, a fine voice, and a knack for writing engaging melodies that worked well with dance-friendly rhythms, Michael became the rare teen sensation who matured into a respected star as an adult, though his life after achieving pop icon status was not without personal and creative challenges. However, Michael and Ridgeley soon discovered how unfavorable their deal with Innervision was, and they opted out of their contract by forfeiting all future royalties on material from their first album, *Fantastic*, to sign with Sony worldwide. The choice proved to be shrewd; Wham! But Michael displayed an ambition that went beyond Wham! Featuring *George Michael*," setting the stage for him to strike out on his own. Michael wasted no time making his mark on his own, releasing his first solo album, *Faith*, in . He produced and arranged the album, as well as writing the songs, and it managed to top Wham! Michael promoted the album with a series of stylish, sexy music videos and a concert tour that found him playing shows over the space of 16 months. However, Michael felt reined in by his image as a sexy pop singer, and after taking a well-deserved vacation in , he released *Listen Without Prejudice, Vol. 1*. Presumably to put the focus on his music rather than his image, Michael refused to appear in any music videos for the album and declined to tour in support; the album fared well commercially, but not as well as *Faith*, and Michael began expressing dissatisfaction with Sony, declaring his contract was financially inequitable and creatively stifling. Michael sued Sony to end his contract, leading to a long and costly legal battle that ended in , with Michael signing to the newly launched DreamWorks Records label in the United States and Virgin in the rest of the world. During the interim, Michael released a live EP that included material he performed with the surviving members of Queen at the Freddie Mercury Tribute Concert. In , Michael finally released his third solo effort, *Older*, which followed in the more contemplative vein of *Listen Without Prejudice, Vol. 1*. In , Michael released *Ladies and Gentlemen: The Best of George Michael*, a two-disc anthology that featured solo material as well as recordings with Wham! It also included a new song, "Outside"; the song and its video were created in response to a widely publicized incident in which Michael was arrested by an undercover cop in Los Angeles for "performing a lewd act" in a public restroom. After the arrest made headlines, Michael publicly acknowledged his homosexuality, and in time it was revealed that the song "Jesus to a Child" from *Older* was written in tribute to his late partner Anselmo Feleppa, who died of AIDS-related illnesses in . In , Michael released an album of covers, *Songs from the Last Century*, which was released worldwide by Virgin after Michael parted ways with DreamWorks. In , Michael signed a new record deal with Polydor and released the single "Freeek," with a new album expected to follow. Michael also told journalists that he expected it to be his final commercially released album, adding he hoped to release future material online, with any proceeds going to charity. A second two-disc collection, *Twenty-Five*, was issued in , and arrived after Michael once again found himself the subject of some controversy. In and , he had been arrested on drug-related offenses in the U. Over the next five years, Michael toured regularly, starting the *Symphonica* tour in . An orchestral pop show, it was captured on record by producer Phil Ramone, although Ramone died before the album could be released. Michael completed the album and issued it under the title *Symphonica* in March ; it reached number one in the U. His next project was a documentary, *Freedom*, plus the announcement that he was working on new recordings, but he died before anything was released, succumbing to heart failure on Christmas Day of .

**Chapter 2 : Willie Donaldson Book Review: Both the Ladies and the Gentlemen ( )**

*Compared to Willie's other works, Both the Ladies and the Gentlemen is very similar in style to its follow-up The Balloons in the Black Bag/Nicknames Only and quite close in tone to The English Way of Doing Things, which was based on this book.*
