The service we received with the delivery, set up and trim out was 1st class. We are extremely happy with our new home! Thank you 1st Choice Homes for making our home buying experience easy. I just wanted to take a second to thank you and every one over there for all you did for us. Aside from the little bitty minor stuff on the list, the house is great! Beyond all the drama that went on around here your work really shined through as an example and assuaged a lot of the fears that I had about buying a manufactured home. I gladly tell people of the experience I had with 1st choice and will happily continue to be your advocate. You should also know that every single person who you guys work with that came to this property was polite, professional, and effective. Big John and his crew, Jason who did the trim, the AC guy. Thank you again for helping my family and I have a home that we can live in and enjoy.
