Wendell Jaffe, dead these past five years. Or so it seemed until his former insurance agent spotted him in the bar of a dusty little resort halfway between Cabo San Lucas and La Paz. In truth, the facts about Wendell Jaffe had nothing to do with my family history, but murder is seldom tidy and no one ever said revelations operate in a straight line. The note he left behind admitted he was flat broke, his business bankrupt, his real estate gambit nothing but a huge Ponzi scheme about to collapse, with criminal indictment certain to follow. When the authorities soon after descended on his banks and his books, there was nothing left: Jaffe had stripped the lot. With no corpse to prove death, however, the insurance company was in no hurry to pay the claim. Dana Jaffe had to wait out the statutory five years until her missing husband could be declared legally dead.
