Chapter 2 : CAT , Exam Date, Registration, Exam Pattern, Syllabus - MBA Rendezvous

CAT Syllabus: Indian Institute of Management (IIM) Calcutta has released the notification for the CAT or Common Admission Test Aspirants have enough time for the Preparation for CAT Examination.

The main fundamental component to score high in the exam is to start early and prepare for the exam with a strategy which will help you with ample amount at the end for revision. Managing your time efficiently helps the students focus on all the topics equally. Students will also understand how to finish preparing the topics before the exam starts thereby reducing the last minute anxiety. Set targets for each day. This will motivate the student to understand their potential. It is important to realize when one cannot focus or concentrate on the topic then it is time for a break. It will be difficult to concentrate on the topics for a long period of time without breaks. Focus on some of the basic concepts which are essential for the examination. Practice all the topics related to CAT and emphasize on the topic which you feel are typical. Mock tests help the students to understand how well they have prepared for the examination. Sample papers, previous year question papers, and online mock tests will provide the students to envision the question paper of CAT. Once you complete a mock test, the results will help you to review yourself. There will be topics that need to be given a little more time, and there will be topics that are completely new. Practice one the topics in which you tend to lose marks. The smarter way is to solve the problem that takes lesser time and also comes up with the correct answer. This will help save time during CAT. Practice Full Length Mock: After all the above tips and preparation start giving Full Length Mock which will help you to analyze your potential and weakness. Practice your weak topic from time to time. Is it possible to appear for more than one slot in CAT? No, it is not possible. It will be considered as fraudulent to appear for more than one slot. If any candidate attempts to do so will be eliminated. What am I supposed to do if I am unable to complete my application because the website crashed? The candidates have to force close the page, delete all the caches and cookies, and try again. My son has changed his name after graduation, does he have to provide his old name while filling the application form? No, in this case, your son has to fill in the details using the changed name and also attach the necessary files that indicate the change of name. I received multiple passwords after registration, which one should I use? In case if you had received multiple passwords in a row after completing the registration, the candidate should use the one that was received latest. If none of the passwords are working, click on Forgot Password while trying to log in. The admit card will have the following details. It is the duty of the candidate to ensure that all the details are printed on the issued admit card. What will I do with the admit card? CAT Admit Card is a mandatory document that the candidates have to produce on the exam day. Failing which the candidate will not be allowed to enter the exam hall. There is no other alternative if a candidate has forgotten the admit card. Can I take the CAT from my personal computer at home? No, the candidates are supposed to come to the venue and write the test using the provided workstations by the conducting authority. What does CBT mean? What are the three sections in CAT? Can I use a calculator to find the answers during the test? No, you cannot use a calculator to solve problems. Calculator is one of the items that are prohibited inside the exam hall. When will the CAT Results be published? Will the conducting authority send an SMS when the results are published? I am a candidate who belongs to the SC category. What are the documents required for me to submit? The certificate should clearly have the following details: Visit the website, www. Who belongs to the category PWD? PWD is a category that supports persons with disability. The Indian Government has decided that the following people belong to this particular category: Will the PWD candidates be given any extra time to complete the test? An extra hour will be given for the candidates who belong to PWD. The 60 minutes will be distributed equally for the three sections. A PWD candidate has 80 minutes to complete each section whereas the candidates who belong to other categories have 60 minutes. No, you need to download and take a hard copy of the admit card and bring it to the exam hall. Who should I contact if there are any discrepancies in the admit card that has been issued? If there are any issues with respect to the admit card, call the toll-free number: No, there are no age limits. It is important to register for CAT using your personal email id.

Chapter 3 : CUSAT CAT Syllabus & Exam Pattern - calendrierdelascience.com

Section Wise CAT Syllabus. Marking - Hopeful ought to have profound data of the CAT Syllabus and area from where question happens. CAT exam is multiple choice based question, each inquiry will convey 3 marks and there will be 1 marks deducted for the wrong answer.

The Result for the same is most likely to be declared by the second Week of January, CAT Exam was conducted on November 26, The result for CAT was declared on January 8, CAT was taken by a total of 1,99, candidates, who appeared for the exam on November 26, , in more than cities of India. For the result of CAT , the candidates will be able to download their Scorecards online, by logging in to the official website-<https://www.cusat.ac.in>: The steps to download the Scorecard is as follows: There will be a total of questions, divided into 34, 32, and 34 questions in each section, respectively. Time allotted for every section will be 60 minutes each. The candidates will not be allowed to switch from one section to another during the examination. Hence, the candidates will have to answer in a chronological order only. Every correct answer will reward the candidate with 3 marks, and every incorrect MCQ type question will penalize the candidate with 1 mark. There is no negative marking for the Non MCQ type questions. For every unattempted question, no marks will be granted. CAT Percentile Prediction A percentile represents the rank of the candidate in an examination, relative to the rest of the candidates who appeared for the same examination, in the same time frame. If you stood 3rd, then there are 7 test-takers ranked after you. If there is an exam where people appeared, including yourself, and you ranked 75th, then there were effectively test-takers who were ranked below you because they scored lesser marks than you did. Your rank was 1, In this case, your percentile score will be: The difficulty level of both the papers was identical. CAT exam was conducted on November 26, The exam duration was minutes. Each correct answer rewarded the candidate with 3 marks each, whereas every wrong MCQ type question, penalized the candidate with 1 mark. There was no negative marking, whatsoever, in the Non-MCQ type questions. Of course all of you had a tough time on CAT and QA section was supposedly tougher this year and verbal ability section was similar easy to last year, but definitely, by now you must have got your name in cut-off lists with IIMs and other top B Schools.
