

Chapter 1 : Culture by CCRT Printed notes

CCRT Notes Pdf Download - Indian Culture Notes Free Download - Hello friends here we are providing you Link to Download CCRT indian Culture Notes Pdf calendrierdelascience.comant for UPSC Prelims,Mains,CAPF,CDS and Other Competitive Exams.

The entire syllabus should be completed as UPSC always pays attention to the unasked part of the syllabus. To know the pattern and type of questions asked, first and foremost thing is to look at previous questions from all the prelims question papers. After getting an overview of questions asked previously you will have a preformed way of study and can concentrate on the points that are required for the examination. Religion and Philosophy The schools of philosophy must be divided into two parts classical 6 and heterodox schools 3. The classical philosophies where they believe cycle of karma and rebirth should all be bunched together and find similarities and differences among them. If possible just make table format so that it can be revised quickly before exam. Heterodox Philosophies are very important, and questions are asked every year either from Jainism Buddhism or Charvaka. Here too understand the differences and similarities. Many previous questions are also available in this topic. One should study this topic chronologically so that one can remember scientifically. Find how art evolved from prehistoric rock cut caves to Chola Pandya temples. Indus valley Civilization The buildings and their scientific nature. The usage of materials and seals. The geography and its relevance. Also study their faiths. Jain and Buddhist Architecture Different universities and Temples are to be studied here. Also, different sects in Buddhism and their respective faiths and architectures belonging to them. Indo Islamic Architecture Different styles like imperial style, decani style etc and their influences on Indian Art and Architecture should be studied. Make a chronological chart and write different types of architecture prevailed in those times. Indian Paintings This is a small topic and different genres of Indian paintings like cave, Mughal, miniature, Rajput are to be studied. Also, Mural paintings need to be stressed. CCRT Website is an importance source to this topic. Different Instruments used and their uses. Also, important personalities need to be studied. For this again, CCRT website is a source. Also Facets if Indian culture is an important book. Indian Dances 8 Classical dances and some folk dances. Classical dances are to be read with comparing each other. Find their origins and evolution too. Different parts of dances and their meaning. The dresses used, makeup styles and any peculiar thing related to a dance forms. Famous personalities are also to be studied. Folk dances like bhangra and any news related topics are to be studied. See previous papers so that the level of study required can be known. Puppetry, Jatra, koodiyatam, Bhavai are some of the important topics and study with regional importance. Find what each theatre form is associated with and what stories they tell. CCRT website is a source here too. Indian Cinema The origin and important personalities of Indian cinema. The evolution of sound and dialogues is very important in this topic. The Facets of Indian culture is a source on can refer too. Not many questions are asked in the recent times. Indian Language and Literature Find the news items if any author is rewarded for any of his work in classical languages. Also know all the classical language names. Hindi literature and English literature and the ideas of novel and series borrowed from different modern literatures are to be studied. Famous literatures and personalities like Tagore, Vikram Seth, Anita desai and their works need to be given special importance, Personalities from different languages are to be memorized. The history and design should be studied. Various types like kalamkari have been asked in UPSC and this part with regional importance should be studied. Indo Islamic Culture This involves mostly the previously read above topics but with special attention to Islamic culture. The architecture of tombs and styles, their evolution and the regional differences, Kings who patronized. The materials used, different forts in India, Minars, Masjids etc. Islamic Music, Sufi and Sufi saints are also to be studied. NCERT fine arts book again is an important resource. Summary Previous questions, textbooks, mock test, revision should summarize the strategy in short.
