

Chapter 1 : City Shifters The Pride | Layla Nash

In Chasing Trouble, the second story in the City Shifters, The Pride series we have Benedict and Eloise's romance - and talk about opposites attract. Benedict comes from a very wealthy, prominent lion shifter family, he's the lawyer for both the Pride and the family.

When Benedict is bailing out his brother at the local jail he sees how Eloise is being treated by the police and make a split second decision to represent her. In short order Eloise will steal his heart, his wallet and his clothes " and bring him and his pride into some serious undertakings that will have long reaching effects. His family already wants him far away from her and rightly so. Chasing Trouble packs a serious punch with believable situations and realistic characters " yes, I know this is supernatural, but within that world, I can easily relate to what is happening. Eloise would easily be considered a myth, even in this world, and her powers and abilities have only begun to be tapped. If she can get control, she will be a formidable ally and feared enemy. Benedict and Eloise gave me many chuckle worthy moments, some serious sizzle and an enjoyable opposites attract couple that make perfect sense together. The world building continues to add depth to the series. The secondary characters are being fleshed out into people who will one day tell their own stories, but in the meantime they are becoming a strong, tightly knit group. Never trust that you know everything until the final page is turned. This book is the 2nd in the City Shifters: The Pride series and ends in an HEA. Benedict, the clown of the Chase pride, discovers Eloise as she is being arrested. He realizes she is his mate and tries to befriend her. Eloise is a gorgon medusa. She can turn people into stone with just a look. This book had all of the feels " romantic, suspenseful and humorous. Logan and Natalia are in this book, but Logan really comes across as rude. I am giving the book 5 stars. This series is very good.

Reviews Chasing Trouble City Shifters: This book is the 2nd in the City Shifters: The Pride series and ends in an HEA. Benedict, the clown of the Chase pride, discovers Eloise as she is being arrested. He realizes she is his mate and tries to befriend her. Eloise is a gorgon medusa. She can turn people into stone with just a Pet Another good story. I really like this authors writing. One of the things I loved about the first one was that the family fought to get them together as much as the main characters did, that was sadly not the case in this book. Benedict stood by Logan in his fight for Natalia, and yet even after This is the first shifter romance where the heroine was not human but not like other shifters either, which made the story that much more exciting. Holly Wow a gorgon love story!!! Eloise is an awesome heroine and Benedict is just such a sweetie. Really good read with a pretty unique story. I really enjoyed this story. If I thought the first one was good, I really thought this one was even better. The first book introduced the reader to a family of lion shifters, the Chase brothers. They are rich, powerful, and none of them were mated until Logan, the leader of their pride, found his mate, Natalia. This time around, Benedict Who could ask for more. Benedict chase is at the jail bailing out his younger brother when he see the police manhandlingA young woman. Val hired Eloise to pay a ransom to get her daughter Lacey, back. But it all went to hell when the police showed up a Barbara Given to me for an honest review. Benedict comes to bail out his brother and manages to bail someone else out. She looks ill and weak. The 2 cops are being especially rough with her. Benedict takes her to a restaurant to eat. He gets up to answer a phone call and she lifts his wallet. She disappears and exp Jaime Deliver 10 grand or the missing hyena princess Eloise faces an impossible deadline, betrayal, trust issues and discovery of her fated mate. Add to the mix her gorgon side going out of control and it makes for a great story. Never heard of a gorgon before? Neither had I, but think Medusa and the ability to turn people to stone. He is bailing the youngest Chase brother, Atticus, out of jail for fighting when he sees a young woman being abused by two officers. He takes on her case pro bono, gets her out on bail, and takes her to lunch. There she ditches him, picking his wallet on the way out the door. Christine Croke Can a criminal and a lawyer get together? A very well written story and it had me hooked right from the start. Benedict is a lawyer. He stops by the jail to bail out his brother who is in trouble again and ends up helping this tiny waif of a girl. He has to have her as soon as he sets eyes on her. Eloise is a criminal, not a violent one but a criminal nonetheless. She is attracted to him but thinks it will never work. She is in trouble with the q Kristen Gough This is the second book in the City Shifters series and I loved reading this! Benedict goes to bail his brother Atticus out of jail and ends up rescuing a woman who is being manhandled by the police in the process. The woman he rescues, Eloise ends up being a gorgon and this is very different than what is typically found in shifter romances and I loved the uniqueness of this addition to the story. Eloise is in trouble though and on a mission with I really liked that book. Benedict and others seemed almost passive. She can freeze someone by summoning her power and staring at them. The one trait of her gorgonness Nicole I was given an ARC of the book from the author for an honest review. I think the story was fun, entertaining and had a little bit of mystery. With short stories, the direction of the plot is quite predictable, but I was mildly surprised for the little twist that was added in this one. Benedict and Eloise are the kind of couple that are totally opposite but made for each other, and I found them quite endearing at times; especially, when Eloise took Jody Ben, the lawyer, ends up meeting a woman who has trouble with the law, hyenas and her hair. In this book the Pride lawyer meets his mate. Yes, this is a HEA so no worries. Candy Laine After Natalia and Logan get together, Benedict is going about business as usual. Till Atticus gets into trouble and needs to be bailed out. He bails her out and she robs him! Ingibjorg Frid Read the first page of this book in a book in a Box set I bought and had to buy it Natalie Chasing TroubleOoh these are just getting better and better, they just love getting into all sorts of trouble. Ellen I think this one is even better than the first book in the series. Lenna Wright-Berry Never read Ms. Even if the is the second story I got into what this was about

with no confusion. ARC was given for a honest review Domini Maxwell Getting betterBook one was great but this is one is awesome I have no read any sup books about the Gorgons Book w is a success Lori Excellent book. Not quite so awesome as book 1. More sex, less story.
