Hurl your green over us – Cover us with your pools of fire. Aldington enlisted in the army. The couple became estranged, and he reportedly took a mistress in Her first book, *Sea Garden*, was published in 1917, and she was appointed assistant editor of *The Egoist*, replacing her husband. In 1918, her brother Gilbert was killed in action, and that March she moved into a cottage in Cornwall with the composer Cecil Gray, a friend of Lawrence. Close to the end of the war, H. They lived together until 1920, and although both took numerous other partners, Bryher remained her lover for the rest of H. They remained friends, however, for the rest of their lives. From 1921, her relationship with Bryher became closer, and the pair travelled in Egypt, Greece and the United States before eventually settling in Switzerland. Bryher entered a marriage of convenience in 1922 with Robert McAlmon, which allowed him to fund his publishing ventures in Paris by utilising some of her personal wealth for his Contact Press. Bryher and McAlmon divorced in 1925. The *Magna Graeca* novels use their classical settings to explore the poetic vocation, particularly as it applies to women in a patriarchal literary culture. The *Madrigal* cycle consists of *HERmione*, *Bid Me to Live*, *Paint It Today* and *Asphodel*, and is largely autobiographical, dealing with the development of the female artist and the conflict between heterosexual and lesbian desire. During this period her mother had died, and Bryher had divorced her husband, only to marry H. Bryher and Macpherson set up the magazine *Close Up* to which H. In common with the *Borderline* novellas, the film explores extreme psychic states and their relationship to surface reality. As well as acting in this film, H. She had lost her brother in action, while her husband suffered effects of combat experiences, and she believed that the onslaught of the war indirectly caused the death of her child with Aldington: During this time, H. The opening lines of *The Walls do not Fall* clearly and immediately signal H. An incident here and there, and rails gone for guns from your and my old town square. Apart from a number of trips to the States, H. In the late 1920s, she underwent more treatment, this time with the psychoanalyst Erich Heydt. Doolittle was one of the leading figures in the bohemian culture of London in the early decades of the century. Her later poetry explores traditional epic themes, such as violence and war, from a feminist perspective. These three were published posthumously with the collective title *Hermetic Definition* *Sagesse*, written in bed after H. *Winter Love* was written together with *End to Torment* and uses as narrator the Homeric figure of Penelope to restate the material of the memoir in poetic form. At one time, H. Her epitaph consists of the following lines from her early poem "Let Zeus Record": So you may say,.
