Danville has the highest affordability in Virginia and we can help you find a home to suit your style and price range. Click Here to search listing Testimonials We enjoyed an overall great experience working with Madeline and the staff at Wilkins and Co. Thank you for making our transition to the Danville area a most successful one. Petrovich November 24, Great Job Wilkins and Company. Hampton and the team did us a fantastic job from the first call, to the first meeting with my Mother Mary and I, to meeting the team, to listing the home and setting up Video and Pictures, all the way through the close. My mother had owned the home for about 20 years and was moving to NC to live with family. She is 89 years old and had just came out of the Hospital and Rehabilitation Facility. Hampton and his team made me, and more importantly Mary, feel very comfortable with them handling the sale of our home. The market was very slow in Danville Va, and there were more than homes on the market and it was taking 6 months or more to sell your home. Hampton and the team did our comps and priced the house so we could sell it before the Holidays. We had many showings and within a week or two had two offers. The Wilkins team then went on to handle all aspects of the close, attorneys, Cleaning, etc. They got the home ready and the buyers actually moved in early. The process had a few hitches but Wilkins and Company handled them quickly and we never really knew they even existed. We give them 5 out of 5 Stars. We highly recommend Wilkins and Company for all your real estate needs. She is truly Top-Notch and at the same time, keeps everything simple and easy to understand. She makes you feel that YOU are important. She made my home buying experience stress free, exciting and most of all So she definitely gets an "over- the-top" review from me! Her determination and professionalism were greatly appreciated and we look forward to working with her in the future as our family grows. Monroe Ray Earp, in short, is a class act. He kept us informed of the transactions which were going on. We found his demeanor to be most professional and he was extremely knowledgeable in all aspects of the sale. Thomasson Hampton was a gem with his tour and what a piece of history for Danville. We enjoyed the time immensely. Jansen Madeline is a "miracle worker". I thoroughly enjoyed working with her - she is quite a cheerleader for Danville and very knowledgeable. Aagaard Julie is fantastic! She really listens to what the client needs. Brenda English has provided service and attention to detail above and beyond through our purchase of one property for business use as well as multiple searches for residential properties. Her reliability, persistence, and relentless effort to finalize a transaction is unusual in this day and time. In nearly 20 years of purchasing investment properties, I have met few agents with her combination of drive, caring attitude and service. Fields I am writing to let you know how much of a God sent angel Diron Clements has been. When we first began our journey in purchasing a home we told Diron exactly what we were looking for even though we were a little bit picky. Through the many long days and sleepless nights, it was nice to know that we had a real estate agent that understood our needs, wants, and our best interest in mind. He has gone above and beyond all expectations to get us what we were looking for. Some examples are meeting after hours, meeting in some of the coldest temperatures, and keeping us positive through it all. There are no words of gratitude to express how much we are truly grateful for everything that he has done. He has seen us break down after a house that we liked was sold before we could make a bid on it, but through it all he was there with a positive outlook. He always told us that there is one house out there waiting just for us. He has been very informative and has always kept us up to date on any information that he was given. I would strongly recommend Diron to any of my family or friends. I want to personally say that not only is he a great real estate agent, but we have gained a forever friend in him. Thank you Diron for all that you have done! She listened to our wants and needs and

worked hard for us. She is just the best! Thank you Julie for being a part of the best decision we have ever made. Zimmerman We were very impressed with Brenda, she went out of her way to meet up with my now husband and I whenever we needed being that he works 3rd and I work crazy 1st shift hours. She was available anytime we had a question day or night. Brenda made the process of buying a house less stressful. I do and will continue to recommend her as the best realtor. This was our first home and she helped us every step of the way! Cochran Madeline was wonderful! She was very attentive to our needs and made sure the sale was completed smoothly. Prescott I had the pleasure of working with Wilkins and Company Realtor, Julie Hughes, several years ago when deciding to purchase a house in the Southern Virginia region. Hughes was able to accommodate my needs based on my tight schedule to locate and purchase a home. Hughes was very knowledgeable concerning the process of purchasing a home, and listened to all my request. She went above and beyond what we expected. Hughes was very helpful at every stage of the process, questions were answered promptly, and I was kept informed every step of the process which made the sale go very smoothly. Julie was extremely professional, and paid attention to every single detail. I look forward in working with Julie again. Coleman Brenda went above and beyond our expectations of a Realtor; she became our friend. My wife had to move to the area first, and find a place for us to live. Brenda helped us navigate a housing market in an area brand new to us. She helped us modify our expectations and review our budget. She was willing to look at many houses as she figured out what we were looking for. And when we finally found our new home she went the extra mile as she negotiated the contract for us. She cared about what our family needed, and worked hard to make sure we were in the house by our deadline. Whenever we had questions about the area, the house or anything else, Brenda was willing and ready to serve as a resource and help us find what we needed. Brenda - more than anyone we have met since moving here - was instrumental in helping us feel connected to our new home and community. Brenda is one amazing lady, and we consider her a friend, as well as a competent, caring Realtor. Giles Madeline has helped me on 3 occasions. She always has my best interest in mind throughout the process. McCullough Three words you want to describe your Realtor: Julie Hughes possesses all of these qualities and more! Under her guidance we have bought and sold real estate and we would recommend her to everyone! She listened to what I was looking for, and worked diligently to make sure my needs were met, with attention given to what I was seeking. If it were not for her, I would have never found what I was looking for. She is courteous and professional, and will work hard to find your dream home or your next investment property! Alderson Brenda is fantastic with customer service. She did a fantastic job showing houses and coordinating all the moving parts that eventually lead to closing! If you are buying or selling real estate in this area, Brenda should be at the top of your pick list! She was such a joy to work with! She went well above her call of duty as a Realtor, and we can never thank her enough for all her hard work. Scholarship and I am writing this letter to thank you for your helpful financial support towards my education. I am a Class of graduate of Tunstall High School graduate. I chose DCC, not only because of its reasonable tuition, but for its unique programs. When I first began DCC after high school I was enrolled in the Radiology program, however for personal reasons I decided to switch to marketing specialization last semester. After I graduate and receive my marketing degree, I hope to find a career as a wedding or event planner. Realtors Scholarship, I will be able to take my math, science, and health classes with complete focus. Your generous financial assistance has allowed me to be one step closer towards my education. GPA, and marketing degree. I look forward in giving back to my community once I begin my career. Thank you for your confidence to help me achieve my goals.
