Our Family Fruit of the Spirit Devotional includes 9 simple lessons that follow our 5 & Thrive Bible study method. You can spend as little as 10 minutes a week studying each fruit or linger in conversation to go deeper in understanding and connection.

The Holy Spirit works within us to produce fruit, not the kind of fruit you eat, but more like special gifts that God gives us. To walk in the Spirit means that we are filled with the Holy Spirit. The Spirit helps us to choose to act and behave in a way that pleases God. Our flesh still wants to sin, but the Spirit helps us resist. We are also to continue walking; it is not something that we do once in a while. We walk in the Spirit all the time, every day. Discussion Name two fruits of the Spirit. Love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control. Does our flesh want to do good things or bad things? Who can help us resist doing bad things? How do we receive the gift of the Holy Spirit? When we believe and accept Jesus as our Lord and Savior. No, we will still continue to sin. But the Spirit helps us to draw near to God and seek His way instead of our own way. Give some examples of the how the Spirit is working in your life. Helping me obey, filling my heart with love, confidence to share the gospel, etc. Copy the memory verse if able. Gather your family together and have each person share the fruits they see in each other. Be specific and give examples such as: Praise and thank God, ask for forgiveness, and submit any prayer requests. I am a former teacher, now homeschooling mom of three. I also pray you will embrace a little different approach to the teaching of the "Fruits of the Spirit," as I will explain; When I created these lessons and illustrated them, God gave them to me in reverse order, starting with "Self Control" and ending with "LOVE. It works great when taught in the Kids Church setting and Sunday School as well. I think you will see how it flows. The bible verse of course should remain taught in the proper order!!! In the next eight weeks we will learn about the Fruit of the Spirit of Jesus Christ. The Bible says these are love, joy, peace, goodness and kindness, patience, gentleness and mercy, faithfulness and self control. What is the Fruit of the Spirit? Where does this fruit come from? Gramma Cherbear explains that here! When we believe on the name of Jesus and say that He is Lord, we can become sons and daughters of God. We become brothers and sisters to Jesus. A perfect, holy God wants to love all of us as His children. Your parent or teacher should help you to learn about salvation. He did not sin and He obeyed God. He was faithful to friends and faithful to God the Father. He did not live in fear of anyone or anything. He was forgiving and merciful to wrong doers. He was a faithful friend and always in control of his actions and thoughts. Each of these ways to act and be, were given to Jesus by the Holy Spirit. Jesus wanted to please God the Father. God the Father was very pleased with His Son, Jesus. The link below will take you to many other pages where the "Gospel of Jesus Christ" or "the "Good News" is presented to children in the Kid Cave Caverns. Jesus used the mighty power of the Holy Spirit to heal sick people and do many miracles. That is because Jesus was born to a mother, just like you were. He was a baby, and grew up as a little boy and then became a man. Jesus came to earth to live as a man, always depending upon the Holy Spirit of God. He did this to show us how He wants us to live. We are all a work in progress and "the Bible," "His Word," is will us as our "instruction and boundaries manual. The fruit of the Spirit represents the very qualities and character of God Himself. Jesus lived a Spirit filled life. God wants all of us to live with these qualities. If we know Him, we have these gifts from Him. The Holy Spirit is in us to help us. But the Holy Spirit is a gentleman. We must choose to live by the Fruit of the Spirit. It takes practice for us to get it right. God knew you could not be.

Take a guess and then count to see if you got it right. Did you get it right? Did you get nine? In Greek the word for "fruit" is "karpos" and it is in the singular. So, to translate this a little loosely, it could read like this. Now, this little tidbit of information is important. First of all, notice that the fruit of the Spirit is just that, of the Spirit. It is not your fruit, but the fruit of the Spirit of God. This is because God is love 1 John 4: This means that it is the work of God the Holy Spirit in you to bear this fruit. Of course, you cooperate with God in bearing this fruit and you absolutely need to seek to develop it, but it is God who is " Second, if it is all one fruit, then all the nine things listed there are already yours in the Spirit of God. In other words, all nine things are really one thing that you have because the Holy Spirit indwells you -- if you are a Christian, that is. You see, if you are loving, then will you not have joy? If you are loving, will you not also have peace? If you are loving, will you not also be patient, kind, good, faithful, gentle, and self-controlled? It could easily be said that love is the tree that bears the fruit of joy, patience, kindness, goodness, faithfulness, gentleness, and self-control. If you have love, the love of God in your heart because of your belief and faith in Jesus and His sacrifice, then all the other graces listed there are yours too. You just need to develop them. But, when you examine yourself, you might notice that some of the fruit speaking of individual aspects of love here are not all that well developed. You might be kind and good, but need to work on your patience. You might have great joy and peace but need work on self-control and gentleness. None of us are perfect, and we all have areas of improvement. But, all Christians have the Spirit of God and therefore, they have the fruit of the Spirit of God in them. It is there, if only in developing form, but it is there. Now, this is important. Why is it there? I want you to focus on this following point. The fruit of the Spirit of God is in you because, if you are a Christian, you have been bought with a price. You have been redeemed by the blood of Christ, God in flesh John 1: It is only because of what Jesus did that you can ever hope to be good, or gentle, or kind, or patient, or loving, or anything. You cannot truly live these things without the Spirit of God in you. Finally, it is by faith that you walk before God Hab. It is by faith that you seek the Lord and seek to manifest the love of His Spirit in you. It is important because the unbelievers need to see those graces working in you. So, ask yourself if you are loving or trying to show love not only to God but also to people. Then, go back and count those fruit again. When you get to "one," stop and ask the Lord to develop that in your heart.
