Also his wrist watch used for psychological torture and a fireplace poker. Killing Method Orders a group of men known as The Group and Barrel Girl Gang to rape and torture victims in unique way while taping them with a camera. He also frequently says his catchphrase "Tick-tick-tick. When he is done watching his colleagues raping their victims he has Boyd dump the bodies in a nearby swamp. He strikes his sole direct victim with the fireplace poker until she is dead. Method of Disposal Orders Boyd Fowler to dispose of the bodies he dumps them in a swamp. After Fowler disappears, Cole Harmon tries to dispose of them again but fails. Cause When Jordan was a teenager he met a couple of kids in camp and together they raped a woman named Emily Birch and the high he got from watching was so great that they decided to do it again and again and would have Boyd kill them once they were done. But when Jordan became fed up with the death of his colleagues he decided to get his own hands dirty himself and started to kill people himself. To the public, he pretends to be an extraordinarily kind gentleman much like both Arthur Mitchell and Oliver Saxon. However, he is secretly one of the many torturous members of the Group and is also considered their leader. Contents Relationships And Personality To Emily Birch Jordan acts protective of her, but continues to manipulate her in the same way he does everyone else. For Jordan, it was his first time expressing what he truly was, which made Emily important to him. He treats her kindly, keeping constant contact with her but proves that he has manipulated her since the incident at the summer camp where he began his career and "past time. Though Lumen confirms Chase was present when she was tortured, forensic evidence show Chase never directly participated in the assaults. Emily Birch confirms to Lumen and Dexter that Chase was always that way, choosing instead to stand back and watch the other group members do what he told them to do. Dexter points out that this keeps Chase clean in case the group was ever caught. When Emily touches his hand, he coldly moves it away. Later, with no other group members left, Chase is shown to be frustrated by having to get physical himself when he attacks Lumen and Emily. The Change After abducting Lumen, Jordan expresses his frustration in the form of admiration for both her and Dexter, portraying himself as a calm man ready to deal with the situation He ends the call and removes the battery as well as the sim card from his cellphone. Chase speeds off when he gets the chance, though the noises are heard by the witness.. Jordan continues to operate between calm and anger consistently, knocking Lumen out with his gun and then pulling her from the car in an eased, yet controlling fashion that forces her to follow his orders. He brings her into captivity, explaining the change she has gone through since he last saw her there Before he gets the chance, Lumen hits him in the lower region and tries to make a run for it

Dexter District Library: A community path to imagination, creativity, and learning. Mission As a community gathering place, the Dexter District Library inspires literacy, provides engaging programming, facilitates access to information and serves as a gateway to lifelong learning.

As the episode begins, we see Dexter stalking his prey at a crime scene where Zach is taking photos from behind the yellow tape. It is never made clear if the photos are for anything other than personal pleasure. But we can rightly assume he gets a thrill out of the blood and death he captures on film, because afterwards Dexter follows him to a familiar location: She asks Dexter to come to her before doing anything rash regarding his personal hunt for Zach. At a second crime scene, Dexter spots Zach lurking about with his giant camera. Seizing an opportunity, he allows Zach to cross over the crime scene tape and photograph up close. Unable to keep his full composure, Zach comments how the scene is "amazing," prompting Dexter to think, "I remember that feeling -- awe, wonder -- it only fed the urge. Unbeknownst to Dexter at the time, the two vigilantes were having a moment -- a "teaching moment. Things are starting to get back into the usual rhythm. Poor Dexter cringes in his seat while trying to come up with normal responses to the typical first date questions. When Cassie asks what he does on his boat, he says, "I just take it out, turn around, and come back" -- very normal of you, Dex. I keep thinking that dead chick spilled all that blood just for me. This assignment can only bring the two closer together. In what must have been a strange moment for Dex, he volunteers to go with Quinn on a brief stakeout. They find their mutual target on a stakeout of his own. Much like Dexter does his research before a kill, so does Zach. This time, his camera lens is set on an outdoor yoga class, but he only has eyes for Sofia Fuentes. Before taking another step against Zach, Dexter breaks into his studio for some final shreds of proof. Out of courtesy, he goes to show Vogel what he has found before advancing on his prey. However, she already knew that Zach was the killer. Vogel has set her eyes on a new lab rat, and his name is Zach. Ignoring the voice in his head named Vogel, Dexter gets dressed to kill and goes out in search of Zach. He wants him on his table. When he finds Zach stalking Sofia at her job, Dexter discovers that Sofia was never the target. Zach was after his own father. If you like this story, consider signing up for our email newsletters.

Before this, he was a lieutenant himself, serving as superior of, and best friend of, Harry Morgan. When Harry committed suicide, apparently having burned out from witnessing too many failures in the justice system, Matthews used his influence to bury any indication of suicide, and fulfilled a promise he made to Harry to look after Dexter and Debra; which is what he has done to this day. Matthews is portrayed as having flaws: While having originally promoted LaGuerta, he frequently clashed with her, trying to keep her focused on hunting the Ice Truck Killer correctly. Later, however, he fails to take his own advice, as, when Neil Perry was mistakenly arrested, and Matthews received all the praise, he went so far as to try to bury any evidence to the contrary. Seeing the investigation was being jeopardized, LaGuerta revealed that several mistakes during the Ice Truck Killer case had been made, landing Matthews in a world of trouble. Due to the fact he was friends with both the police commissioner and the review board, Matthews escaped punishment and, having been personally embarrassed and wanting vengeance, Matthews laid all the blame on LaGuerta, and so gained approval to install Esme Pascal as the new lieutenant; to supervise her. After LaGuerta and Batista reveal their relationship, he initially wants to transfer Batista out of Homicide to avoid complications during a trial. Eventually, LaGuerta and Angel both agree to end their relationship to continue working in Homicide; and while accepting this, Matthews warns them that there will be serious consequences if their relationship continues. After revealing a video of LaGuerta and Batista kissing, LaGuerta calls Tom out, asking if it was because of her gender or race that he seems to have a grudge against her. Matthews simply replies he has a grudge against her because of her arrogance. In order to circumvent a reprimand from higher up, and also as a result of their deepening feelings for one another, LaGuerta and Batista secretly get married with Dexter as witness. In the sixth-season premiere, Matthews oddly has promoted LaGuerta to captain, which many characters note as unusual. Accordingly, her promotion left the lieutenant position open, which LaGuerta attempted to secure for Batista. However, Matthews declares Debra a more suitable candidate, being young and famous after a shootout at a restaurant in which Debra and Quinn were involved was recorded and posted online. LaGuerta and Batista both believe that he did this in vengeance, though little was proven. His prostitute-hiring tendencies leads to a call girl dead from a heroin overdose, which while not his fault, led to LaGuerta attempting to cover up the no-fault crime scene claiming the low clearance rate as unacceptable. LaGuerta used the information on Tom and betrayed him and had him forcibly retired by the board when she told them. Tom however, believed it to be Debra who sold him out but she stated she never would do that and Debra would confront LaGuerta for doing such a low tactic, knowing full well she did it for her own personal gain. He is seen on his boat drinking scotch greeting LaGuerta as she confides her suspicion that the BHB is alive and well. Though reluctant at first, Tom decides to help after discovering LaGuerta was the one who sold him out to the board and shows his anger despite LaGuerta stating he started it. As Tom talks personally to Dexter, he confides how LaGuerta believes he is the butcher though Dexter is able to see that Tom also believes it in some way. Dexter then tells him about a boat Doakes once had to lead him off the case which has Tom believe him.
