Their father was an English art teacher and their mother an orthodox Greek Cypriot hence "Jake" an anglicised diminutive of the orthodox Iakovos, and "Dinos", a typical diminutive of the orthodox Konstantinos. They were brought up in Cheltenham but moved to Hastings where they attended a local comprehensive William Parker School. Dinos studied at the Ravensbourne College of Art 1983 , Jake at the North East London Polytechnic [1] 1988 before both together enrolled at the Royal College of Art 1990 , when they also worked as assistants to the artists Gilbert and George. The brothers have often made pieces with plastic models or fibreglass mannequins of people. An early piece consisted of eighty-three scenes of torture and disfigurement derivative of those recorded by Francisco Goya in his series of etchings , The Disasters of War a work they later returned to rendered into small three-dimensional plastic models. The Chapman brothers continued the theme of anatomical and pornographic grotesque with a series of mannequins of children, sometimes fused together, with genitalia in place of facial features. Their sculpture Hell consisted of a large number of miniature figures of Nazis arranged in nine glass cases laid out in the shape of a swastika. Jake Chapman has published a number of catalogue essays and pieces of art criticism in his own right, as well as a book, Meatphysics Creation Books , The brothers have also designed a label for Becks beer as part of a series of limited edition labels produced by contemporary artists. The artists were issued with a stormtrooper helmet, which they transformed into a work of art. Proceeds went to the Missing Tom Fund set up by Moore to find his brother Tom who has been missing for over ten years. Sex directly referenced their previous work Great Deeds against the Dead. The original work shows three dismembered corpses hanging from a tree, Sex shows the same scenario, but in a heightened state of decay. Death is two sex dolls , placed on top of each other, head-to-toe in the 69 sex position: That year the prize was eventually won by Grayson Perry. On 24 May , a fire in a storage warehouse destroyed many works from the Saatchi collection including Hell. The brothers subsequently made a very similar, though more extensive, work called Fucking Hell. Disputes with journalists[ edit ] In , the journalist Lynn Barber claimed that she had received a death threat from the brothers, following conducting an interview with them. Cadwalladr told readers that Chapman threw her out of their studio. In the letter the cosignatories described the arts in Britain as a "remarkable and fertile landscape of culture and creativity. They have one child and live in Filkins , Oxfordshire. The formula is simple: When you have an exhibition to promote, say something mildly inflammatory to the press, and watch the column inches particularly in August and ticket sales soar. Dinos Chapman[ edit ] Dinos is married to Tiphaine de Lussy. They have two children and live in Spitalfields , London.
