

Chapter 1 : Elizabeth name meaning

From Ἐλισβετ (Elisabet), the Greek form of the Hebrew name עֲלִישֶׁבַע ('Elisheva') meaning "my God is an oath", derived from the roots אֱלֹהִים referring to the Hebrew God and שָׁבַע meaning "oath".

Biblical narrative[edit] According to the Gospel of Luke, Elizabeth was "of the daughters of Aaron" 1: She and her husband Zachariah were "righteous before God, walking in all the commandments and ordinances of the Lord blameless" 1: While he was in the temple of the Lord 1: But the angel said to him: Your wife Elizabeth will bear you a son, and you are to call him John. He will be a joy and delight to you, and many will rejoice because of his birth, for he will be great in the sight of the Lord. He is never to take wine or other fermented drink, and he will be filled with the Holy Spirit even before he is born. The angel identified himself as Gabriel and told Zacharias that he would be "dumb, and not able to speak" until the words were fulfilled, because he did not believe. When the days of his ministry were complete, he returned to his house Luke 1: After this his wife Elizabeth became pregnant and for five months remained in seclusion. After she was also informed that her "relative Elizabeth" had begun her sixth month of pregnancy, she traveled to "Hebron, in the hill country of Judah", [1] to visit Elizabeth. In a loud voice she exclaimed: But why am I so favored, that the mother of my Lord should come to me? As soon as the sound of your greeting reached my ears, the baby in my womb leaped for joy. Blessed is she who has believed that the Lord would fulfill his promises to her! John the Baptist , with Elizabeth on the left. When it was time for Elizabeth to have her baby, she gave birth to a son. Her neighbors and relatives heard that the Lord had shown her great mercy, and they shared her joy. He is to be called John. The chapter continues with the prophecy of Zacharias, known as the Benedictus , and ends with the note that John "grew, and became strong in spirit, and was in the deserts" until his ministry to Israel began; so it is unknown how long Elizabeth and her husband lived after that Luke 1: Apocrypha[edit] Elizabeth is mentioned in several books of the Apocrypha , most prominently in the Protevangelion of James , in which the birth of her son and the subsequent murder of her husband are chronicled. She is commemorated as a matriarch in the Calendar of Saints November 5 of the Lutheran Churchâ€™ Missouri Synod and Zacharias is commemorated as a prophet. She is revered by Muslims as a wise, pious and believing person who, like her relative Mary , was exalted by God to a high station. They were, however, both very old and they had no son. Therefore, Zachariah would frequently pray to God for a son. So We listened to him: These three were ever quick in emulation in good works; they used to call on Us with love and reverence, and humble themselves before Us. He goes on to say that Mary was born from Hannah and John was born from Hananah.

Chapter 2 : Elizabeth Name Meaning - What Does The Name Elizabeth mean?

The name Elizabeth is a girl's name of Hebrew origin meaning "pledged to God". Elizabeth is ranked #13 on our popularity charts and is often added to lists like Bible Names for Girls and discussed in our forums with posts like " Baby a Day ".

Jul 04, Betsy rated it really liked it The human capacity to garble a first name, even a simple or common one, is without limit. My name is Elizabeth. Still, my heart goes out to kids with fresh and original names that get mangled in the garbled mouths of well-me The human capacity to garble a first name, even a simple or common one, is without limit. Still, my heart goes out to kids with fresh and original names that get mangled in the garbled mouths of well-meaning adults. Yet as My Name Is Elizabeth! Elizabeth loves her name. It has a lot of advantages, like length and how it sounds when you work the syllables out of your mouth. Everyone just gives you whatever nickname they think suits you. At last Elizabeth can take it no longer. Finally, everyone gets it right. Their clothes and toys are purchased by their parents and can be changed and taken away at any moment. Their names, however, are their own. Some of them realize early on that these names have power, and that they themselves have power over those names. They can insist that they be called one thing or another. They cannot make anyone actually obey these requests, but they can try, doggone it. A lot of kids fantasize about changing their names, but Elizabeth embraces her name. Her beef with nicknames wins you over because there is something inherently jarring about being given the wrong label. This story contains a tiny cry for independence by a character that is insistent without being bratty. In the end, Elizabeth proves to be a grand role model for those kids. I like the lesson she teaches kids here too. You might be inclined to let their mistakes go and not raise a fuss, but when you claim your own name you claim how the world sees you. This book highlights a small battle that any kid can relate to. The two-color picture book is not unheard of these days but it is less common that it was back in the days of books like Blueberries for Sal. Illustrator Matthew Forsythe has seen fit to use a novel pairing of tones for this title: The blue fills all the negative spaces in the story, appearing as the space between books on a bookshelf or the underside of a step. The orange affects everything else of note, leaving the standard black ink to fit in all the details that need to pop. Forsythe uses a combination of pen and ink, gouache and digital artwork to create his images. I was particularly pleased to see how the artist broke up his images. You might have a florid sequence on one page with Elizabeth feeding her duck within a flowered border and then a wordless six part illustrated sequence of the girl pronouncing parts of her name in a variety of different situations on the next. It keeps things interesting. With a book of this sort there is a fear that the primary audience for this title will be little girls named Elizabeth with upcoming birthdays or other gift giving occasions. Worse, some adults might think to buy it and then change their minds after considering that the Elizabeths they know actually do go by one nickname or another. Hopefully these purchasers will prove to be the exception rather than the rule. Personally I would like to see this book plucked up by the same folks that bought Chrysanthemum by Kevin Henkes and other name-related fare. A lesson some grown-ups could stand to learn as well.

Chapter 3 : ELIZABETH Name Meaning, Origin of ELIZABETH Name, Popularity, Analysis

Random Elizabeth Factoid: According to the U.S. Social Security Administration data, the first name Elizabeth ranks 33rd in popularity as a baby girl's name in Iowa. Imagine that, babies in Iowa have the same name as you in

Unexpected Elizabeth nicknames can turn this classic into a versatile name for a daughter in Lizzie and Liz are the go-tos, of course. Others, like Liza and Beth, are obvious. Speaking of international forms, some of these nicknames might flow more naturally from Elisabeth, the spelling preferred in German, French, and several other languages. Read on for sixteen of my favorite unexpected Elizabeth nicknames. No surprise, then, that El- names top this list of unexpected Elizabeth nicknames. Spare, short Elle is the opposite – a single, elegant sound. Elle is the French word for she, and a famous fashion magazine, too. It could also be short for Eleanor or really any El- name, but it works beautifully with the enduring Elizabeth. Lily and Lillian probably started out as nicknames for Elizabeth, at least some of the time. The current Queen of England, Elizabeth II, was called Lilibet as a child, which makes me think that the Lily-Elizabeth connection was alive and well until sometime in the early twentieth century. Either way, Liesel is one of those surprising names that everyone knows, but nobody uses. Another reason to love this name? Lisa is stuck in style limbo, but Liesel has potential in Unexpected Nicknames for Elizabeth: Zella – Other Z Elizabeth nicknames might be more of a stretch. Zibby works, I suppose. It takes the middle Z, pushes it to the front, picks up the first syllable and then adds an a. Beth, as in the Kiss ballad. But there are plenty of other options for unexpected Elizabeth nicknames, all brought to us by the letter B. Babette – Babette might feel more like a spin-off name, like Isabelle or Bettina, than the other Elizabeth nicknames. And yet it is a French nickname for Elizabeth, and sometimes bestowed independently. The movie was Danish, but the Babette character is from Paris. Today, it might fit in with other -ette ending names for girls, and probably reads a little bit hipster, in the key of Odette. In , there were girls named Betty. Is it an early twentieth century name ready for revival, or a s mainstay? But it pre-dated the successful television series. Still, with bird names for girls so white hot in , an Elizabeth called Birdie would work nicely. And yet, I find it surprising how many people seem to accept Buffy as one of the Elizabeth nicknames while rejecting Lily. The younger daughter is Ava Elizabeth, called Buffy. Starting with T T might be the least likely letter for Elizabeth nicknames. And yet, there are at least two unexpected Elizabeth nicknames that deserve a look. Tess – If Bess works, why not Tess? Elizabeth is an unconventional choice, to be sure. Tess is traditionally short for Theresa or Teresa or Therese. But the letters are all there, and scrambling them results in a short, sweet, and complete Elizabeth nickname. Thea emerges as an unconventional Elizabeth nickname. And yet, if you are an Elizabeth and none of the conventional Elizabeth nicknames fit, this could be one to consider. Are there any that you would consider? More names you might like:

Chapter 4 : Elizabeth and James

With Elizabeth's accession, it seemed probable the royal house would bear her husband's name, becoming the House of Mountbatten, in line with the custom of a wife taking her husband's surname on marriage.

Elizabeth on the cover of Time magazine , April Elizabeth was born at The two princesses were educated at home under the supervision of their mother and their governess , Marion Crawford. Winston Churchill described Elizabeth when she was two as "a character. She has an air of authority and reflectiveness astonishing in an infant. Although her birth generated public interest, she was not expected to become queen, as the Prince of Wales was still young. Many people believed he would marry and have children of his own. Later that year, Edward abdicated , after his proposed marriage to divorced socialite Wallis Simpson provoked a constitutional crisis. If her parents had had a later son, she would have lost her position as first-in-line, as her brother would have been heir apparent and above her in the line of succession. As in , when her parents had toured Australia and New Zealand, Elizabeth remained in Britain, since her father thought her too young to undertake public tours. And the King will never leave. We know, every one of us, that in the end all will be well. Elizabeth later said in a rare interview, "We asked my parents if we could go out and see for ourselves. I remember we were terrified of being recognised I remember lines of unknown people linking arms and walking down Whitehall , all of us just swept along on a tide of happiness and relief. Proposals, such as appointing her Constable of Caernarfon Castle or a patron of Urdd Gobaith Cymru the Welsh League of Youth , were abandoned for several reasons, including fear of associating Elizabeth with conscientious objectors in the Urdd at a time when Britain was at war. Home Secretary , Herbert Morrison supported the idea, but the King rejected it because he felt such a title belonged solely to the wife of a Prince of Wales and the Prince of Wales had always been the heir apparent. During the tour, in a broadcast to the British Commonwealth on her 21st birthday, she made the following pledge: After another meeting at the Royal Naval College in Dartmouth in July , Elizabeth " though only 13 years old " said she fell in love with Philip, and they began to exchange letters. He was a prince without a home or kingdom. They received 2, wedding gifts from around the world. One month earlier, the King had issued letters patent allowing her children to use the style and title of a royal prince or princess, to which they otherwise would not have been entitled as their father was no longer a royal prince. The children remained in Britain. When she toured Canada and visited President Harry S. Truman in Washington, D. Philip broke the news to the new queen. The Duke complained, "I am the only man in the country not allowed to give his name to his own children. The Queen asked them to wait for a year; in the words of Martin Charteris, "the Queen was naturally sympathetic towards the Princess, but I think she thought " she hoped " given time, the affair would peter out. If Margaret had contracted a civil marriage, she would have been expected to renounce her right of succession. They divorced in ; she did not remarry. The proposal was never accepted and the following year France signed the Treaty of Rome , which established the European Economic Community , the precursor to the European Union. Lord Mountbatten claimed the Queen was opposed to the invasion, though Eden denied it. Eden resigned two months later. Lord Salisbury and Lord Kilmuir , the Lord Chancellor , consulted the British Cabinet , Winston Churchill , and the Chairman of the backbench Committee , resulting in the Queen appointing their recommended candidate: In a magazine, which he owned and edited, [82] Lord Altrincham accused her of being "out of touch". On the same tour, she opened the 23rd Canadian Parliament , becoming the first monarch of Canada to open a parliamentary session. She is impatient of the attitude towards her to treat her as She loves her duty and means to be a Queen. Her first royal walkabout, meeting ordinary members of the public, took place during a tour of Australia and New Zealand in Over 20 countries gained independence from Britain as part of a planned transition to self-government. In , however, the Rhodesian Prime Minister, Ian Smith , in opposition to moves towards majority rule, declared unilateral independence from Britain while still expressing "loyalty and devotion" to Elizabeth. Although the Queen dismissed him in a formal declaration, and the international community applied sanctions against Rhodesia, his regime survived for over a decade. She declined, saying she would not interfere in decisions reserved by the Constitution of Australia for the governor-general. Parties and events took place throughout

the Commonwealth, many coinciding with her associated national and Commonwealth tours. Trudeau said in his memoirs that the Queen favoured his attempt to reform the constitution and that he was impressed by "the grace she displayed in public" and "the wisdom she showed in private". Police later discovered the shots were blanks. The year-old assailant, Marcus Sarjeant , was sentenced to five years in prison and released after three. New Zealand Security Intelligence Service documents declassified in revealed that year-old Christopher John Lewis fired a shot with a . Two years into his sentence, he attempted to escape a psychiatric hospital in order to assassinate Prince Charles , who was visiting the country with Diana, Princess of Wales , and Prince William. In a serious lapse of security, assistance only arrived after two calls to the Palace police switchboard. The sources of the rumours included royal aide Michael Shea and Commonwealth Secretary-General Shridath Ramphal , but Shea claimed his remarks were taken out of context and embellished by speculation. As monarch of Fiji , Elizabeth supported the attempts of the Governor-General , Ratu Sir Penaia Ganilau , to assert executive power and negotiate a settlement. Coup leader Sitiveni Rabuka deposed Ganilau and declared Fiji a republic.

Chapter 5 : 16 Unexpected Elizabeth Nicknames - Appellation Mountain

Elizabeth is a feminine given name derived from the Ancient Greek Ἐλισβετία, (Elisabet, Modern Greek pronunciation Elisavet), which is a form of the Hebrew name Elisheva (אֱלִישֶׁבַת), meaning "My God is an oath" or "My God is abundance", as rendered in the Septuagint.

Chapter 8 : Elizabeth (biblical figure) - Wikipedia

Elizabeth, also spelled *Elisabeth* (Greek Ἐλισβετία or Ἐλισβετή), or *Elisheba* (from the Hebrew אֵלִישֶׁבַּת "My God has sworn"; Standard Hebrew אֵלִישֶׁבַּת Elishebat, Tiberian Hebrew Ēlišēbat; Arabic أليصابات, *Alyassabat*), was the mother of John the Baptist and the wife of.

Report inappropriate content Comments and insights on the name Elizabeth: The only problem I have is that my grandfather nicknamed me Becky as an infant and it stuck. I have a lot of people ask me how they got Becky out of Elizabeth until they learn that I go by my middle name. I had a very long last name so writing my entire legal name can be tedious. She is the same age as Elizabeth Taylor and could have been her twin, so she insisted my name be Elizabeth. Dad insisted on Rebecca Sue. I chose a name for my daughter that she goes by and is not difficult for her. She is named Alisa Ann. I currently know two people named Elizabeth. One is nice, the other not so much. Whenever I do, the name seems weird. My name is Megan Elizabeth, and I love my middle name much more than my first name. Some of my friends even call me Liz! I think Elizabeth is a beautiful name! We named our daughter Elizabeth. And so her nickname was born, Lily. I love the seemingly infinite number of nicknames for Elizabeth - because Lily really suits her personality, and it was not originally on our radar. While if on its own it could sound regal I see it as happy, sunny, and intelligent thanks to her. Personal experiences with the name Elizabeth: Edit -Named my Betty, Elizabeth Marie, after both of my sister. We call her Babet or Betters for the most part. She is my "Bitty Betty Betters", I am only allowed to call her that in private! Mostly we call her Babet and that seems to catch on with other kids. I think it is a regal and old fashioned name. I only ever met one other Libby. This has been mistaken to be short for Liberty before though. I really dislike it when people all me Lizzy or Liz. My great aunt is named Mary Elizabeth and she is loving, caring, friendly and funny. So all in all, a common, but professional-sounding, regal and sophisticated name that I love! It looks great on resumes, job applications, etc. The Elizabeth I know is really narcissistic and mean and judgemental, she calls herself Beth, so both of these names are ruined for me. Though she is very smart and so is the only other Elizabeth I know, so maybe being smart goes with Elizabeth. My friend is called Elizabeth and she absolutely hates it so everyone knows her as Beth. My name is Elizabeth. When I was a kid, I kind of hated it. Mostly because everyone I knew would say, "Your name is Elizabeth? In college, my nickname was Mommy Bird. My full name is Elizabeth Joanne and sometimes my aunt calls me Eliza Jo to be funny. I had a boyfriend in high school who called me "Liz," but when we broke up, I pretty much forbid people to call me that. My husband calls me "Ellie" sometimes but I still introduce myself as Elizabeth. I am a person of faith and I like the spiritual associations of my name, as well. We named our daughter Elizabeth 21 years ago, mainly because of the many, many nicknames associated with the name. However, none of them seemed to fit, and to this day she insists on being called by her full name. She gets very frustrated and annoyed when people presume to call her Liz, Lizzy, or Beth. I am creative, strong, and very happy with my name. I have a best friend named Elizabeth. She has been through many hard times with me. I have known her forever. My name is Elizabeth, and I love it. Her full name suits her much better than any nickname. I adore this being my name because it is smart and professional, but has many casual and equally pretty nicknames available. But at school, work and any other place I need to be professional I am Elizabeth. I have also only met one Elizabeth my age, so it is definitely not very common at least not in my area , but never once have I been asked how to spell or pronounce it. I believe it is a very versatile name in that sense-it works well as both a first and middle name! I feel my parents were right to call me Elizabeth, it is a beautiful name that I love having! My name is Elizabeth Natasha Grace. Honestly, I have a love-hate relationship with the name. My little sisters always me Lisa though, as they misheard Liz, and so many family friends to this day still say "Lisa-I mean Liz, sorry! Also I had a hyphenated last name, so writing my full name could become a chore after several times. As such, some friends from high school call me Natty. Around the time I got my first job at 17, I realized how professional Elizabeth actually looked on a resume, so I grew to love the name. People find it funny that I complain about the length of my name, yet I gave my two

DOWNLOAD PDF ELIZABETH, BY NAME

daughters Victoria Michelle and Isabella Jade lengthy names too! We call her Libby, which is not only fitting, but works with my other sister and my names. Lizzie was much too similar to my name, Lindsey. Beth is the name of a family member. We often call her Libby Grace, Libbers, or Lizbeth. I grew up in an extremely religious area of Texas, so almost every girl my age I knew shared my name! As such, to differentiate, I went by Liz which is still my preferred nickname now and she was Beth. Though I have no problems with the full Elizabeth, I feel Liz suits my personality a bit better. But her name is not short for anything. But it brings my favorite name and my favorite person into one name even though it will only add in an extra letter.

Chapter 9 : Elizabeth () - IMDb

Elizabeth is one of the most classic baby names you can choose for your little girl. And it's one that comes with a host of international variations that can make for original nicknames or spins on Elizabeth.
