

**Chapter 1 : Emily Post on Entertaining by Elizabeth L. Post | eBay**

*Emily Post's Entertaining provides answers to these and many other questions that vex today's hosts and guests. Emily Post's Entertaining is a practical guide to hosting with elegance and ease. Its goal is to give everyone the confidence to handle any get-together, from casual and cozy to formal and fancy.*

Today, the fourth and fifth generation of Posts have taken up the reins and have authored over thirty modern etiquette books. Business, weddings, parenting, and technology keynote speeches can be geared to any audience and are a perfect accompaniment for fundraisers, conference breakout sessions, annual meetings, and events. A book signing with any of the more than twenty current Post titles is a popular add-on. With a variety of topics to choose from and engaging question and answer sessions, hiring an author from The Emily Post Institute is a sure-fire way to make your next event a success participants will be talking about for a long while after. Book sales can accompany any Post author appearance. You may place your order directly with HarperCollins by contacting: HarperCollins Publishers, Special Markets phone: Let great- and great-great-grandchildren bring an intimate knowledge of one the figures of modern American history to your organization. The Posts tell the personal story of this amazing lady in a way that no one else can. From her upbringing shadowing her famous architect father and trodding the boards of Tuxedo Park to her scandalous divorce and involvement in the first cooperative brownstone in New York City, Emily comes alive with original photography from the family archive, personal stories, and anecdotes. From Etiquette to the radio and beyond Civility in America A look at current standards for public discourse Are we really getting ruder? Would Emily roll over in her grave to see our cell phones, low-rise jeans, and lack of thank-you notes? What can we do about it? The importance of civility in environments ranging from political discourse to public schools and universities has never been more apparent. The ability to find common ground and moderate behavior has become critical to our continuing success as communities of all different kinds and sizes. From the nation, to individual states, to board rooms, to schools, to yoga studios achieving functional tolerance with those whom we disagree is absolutely necessary. Identifying core values in changing or dynamic environments over five generations Applying critical thinking to situations involving human behavior A five step process for resolving difficult situations with grace and dignity What it means to live in a nation founded on an idea or the legacy of the enlightenment Violence in language bullying, uncivil workplace, hate-speech, libel, slander Essential Manners for Men Gentlemen, think etiquette is about wearing uncomfortable clothes and sticking out your pinkie while you drink your morning coffee? Drawing on his own life, Peter covers all areas of daily life, from dating to the office and sports to the most dreaded by all men: Social networking, gaming, and the world of online dating Greetings, handshakes, and how to make the all-important good first impression Texting, e-mailing, and using smartphones Dealing with bumps in the road, from divorce to layoffs Weddings: How do organizations affect necessary change without stripping away the fundamental aspects of the business that have made success possible? Ethical behavior has become an absolutely essential factor in corporate success. Aside from avoiding a bruised or even shattered reputation, business etiquette can promote higher levels of job satisfaction, office communication, and productivity. Top ten business etiquette behaviors Five-step process for solving relationship problems Interacting more confidently and effectively with your coworkers Making choices that build relationships Running a disciplined, productive business meeting Steering away from situations that may be ethically awkward Wedding Trends vs. Traditions How to balance dreams and expectations at one of the most important moments in life Lizzie Post brings wedding advice to your audience. She has witnessed the modern redefinition of the wedding tradition. In this presentation, she breaks down the most current trends in the industry, from personal wedding websites to changing gender roles in traditional ceremonies, and examine what these changes say about the overall meaning of weddings today. Why we look to tradition Wedding etiquette changes and trends Anatomy of a wedding invitation The Technology Shift A look at what human behavior in new media means for today and tomorrow New media is redefining the way we communicate. Dan Post Senning investigates what affect these new technologies have on our behavior. Handle with Care 7
