Reeder also thanked Clinton County volunteers for all their work, including: Wolf case , which challenges the constitutionality of the district maps Clinton County leaders voice their support Local leaders were happy to join their constituents and stand behind this issue: He also noted that anyone who can get everyone in the county to agree has really done something special. Meanwhile, Reeder insisted this is just an example of good government as it should be. Mogil also talked about the long-reaching effects of gerrymandering, such as gridlock, voter apathy, and lack of responsiveness to the voters of the district. Senator Scarnati chooses not to attend PA Senator Joe Scarnati, who represents the 25th district, which includes Clinton County, responded through his staff that he was unable to participate or send a representative because he was named in the *Agre v. Mogil* explained that this court case, which focuses on past maps, is irrelevant to the resolutions passed in Clinton County, which ask for an independent citizens commission to be enacted to draw future maps. But Scarnati has not yet co-sponsored legislation intended to do just that: Throughout our presentation, Fair Districts PA emphasized that SB 22 and its counterpart in the PA House, HB , must move from their respective State Government committees to the floor for a vote before the close of this legislative session in July. To that end, the Clinton County group plans to personally deliver their binders of resolutions to both Scarnati and U. Representative Glenn Thompson at a later date. Onward to more progress! Rose Reeder, Clinton County coordinator Celebrating government as it should be Joan Heller read the names of the 29 municipalities, and the County Commissioners, asking the crowd to join her in a moment of praise for each. Finally, a legislative assistant read a prepared statement from Representative Mike Hanna, praising the efforts of Rose Reeder and all the volunteers from Clinton County. Hanna, who represents the 76th district in the PA House, has long been a supporter of an independent redistricting commission, and is a current co-sponsor for HB Throughout the event, speakers emphasized the amazing group of leaders in Clinton County who practice government as it should be. In closing, Reeder paraphrased Ronald Reagan: View the press coverage on their sites:

James McDougal Crook Died: March 8 Jim McDougal was serving his 3-year sentence for bank fraud at the Fort Worth Federal Medical Center in Texas, a facility operated by the federal Bureau of Prisons for inmates who need medical attention. Left alone for too long, when Jim McDougal was taken out of solitary, instead of attempting to defibrillate his heart with equipment on hand at the facility, he was driven over to John Peter Smith hospital. Not the closest hospital to the Fort Worth Federal Medical Center, John Peter Smith hospital is a welfare hospital, where in the words of one local, "They let interns practice on deadbeats". He had told his family someone was out to kill him and told them "good bye". May 3, John Huang was placed on a Commerce Department contract that allowed him to retain his security clearance by Charles Meissner. Charles Meissner died on the plane with Ron Brown. Fairfax, Virginia police were tipped off by an anonymous phone call claiming that "a man" was threatening suicide in a motel room. Police arrived to find Millis dead of a gunshot wound. As was the case with Vincent Foster and Sandy Hume, the death was immediately declared a suicide. Mirzayan White House Intern Died: August 1, On August 1, , yet another young female government intern with the initial "M", Christine M. Mirzayan, was murdered, beaten to death with a heavy object near Georgetown University. Mirzayan, but Monica Lewinsky. If the killing of Mary Mahoney and Christine M. Mirzayan was to silence a "bimbo eruption", they got the wrong woman! Just how many of the interns was Clinton getting oral sex from anyway?? Joe was 47, with no history of heart problems. He was alleged to have been talking to Bob Woodward of the Washington Post about a blockbuster story. Jwn Moore Died August 13, An advocate and investigator into trafficked and abused children, Moore was in the process of looking into allegations made by a year-old man who claimed as a young boy, Bill Clinton had sexually assaulted him and pimped him out at private D. June 10, Tony Moser, a critic of the Arkansas Democratic Party political machine, was killed as he crossed a street in Pine Bluff 10 days after being named a columnist for the Democrat-Gazette newspaper and two days after writing an article which exposed the looting of programs designed to obtain money from "Dead beat" parents to then give to their children. Click for full size image. The police declared that no crime had been committed since the anonymous driver of the Chevy Pickup truck that struck and killed Moser was not intoxicated nor was he speeding. In Arkansas, that apparently makes it legal to run down a politically unpopular journalist. November 15, Steve Mostyn became rich suing insurance companies that underpaid claims following the series of hurricanes that hit the US in and The exact cause of death has not been released, but it is claimed he committed suicide following a severe episode of mental illness, althopugh he had no prior history of mental health issues. This says quite a lot. July 20, Joseph Rago was a year old Pulitzer prize winning journalist who had been highly critical of Obamacare and had a general reputation for "going against the grain. The official autopsy results were sarcoidosis -- "a disease involving abnormal collections of inflammatory cells" Wikipedia whose cause is unknown. The police declared it a robbery gone bad, but nothing had been taken; Seth still had his wallet, watch, and cell phone. If Seth who was in a perfect position to acquire the data were the leak, that would be ample motive to murder him, as a warning to others inside the DNC not to blow any whistles. Shortly after the killing, Redditors and social media users were pursuing a "lead" saying that Rich was en route to the FBI the morning of his murder, apparently intending to speak to special agents about an "ongoing court case" possibly involving the Clinton family. A reward has been offered for information on this murder. FOX News has now removed the above story. His burned body was found in a trash dump.
