## Chapter 2 : 3, Core English Vocabulary Words | Learner's Dictionary

*English Vocabulary In Use PDF is a popular English Academic book, use for strengthening English and learning English for different test Like IELTS, TOEFL etc. It has verified by qualified English Teachers and is used world wide as an academic book for learning English Vocabulary.*

Most English speakers use only about 20, English words. USA Learns makes learning English vocabulary easy and fun. We will help you be successful. Advertisement How do you really learn new English words? Learning English vocabulary is a basic and very important part of learning the language. Learning a new vocabulary word means more than just understanding what the word means. To really learn new English words, you must understand them and be able to use the words correctly when you speak or write. You will probably learn English words faster when they are important to your daily life or come from a subject that interests you. A good way to learn English vocabulary is to see and hear many repetitions of the words within a topic or an interesting context like a story or a reading. Each unit presents between 12 and 20 key words from the videos and topics. There are many different activities to help you really learn each word – to understand the meaning, to recognize it when you hear it or read it, and to be able to pronounce it and write it. You will practice the words one by one, but you will also hear and read the words many times in sentences and in the context of the video story. Words in the 1st English Course are presented with a picture to help you understand and remember the meaning of the word. The English vocabulary in the picture below is from the Money and Shopping unit so all the words are related to that topic. Look at each word, think about what it means, and say it to yourself. Then click the word to see the meaning and hear the word again. In the 2nd English Course and the Practice English and Reading course, key English words are presented with a definition. The definition in the box will help you understand the meaning of the word in the video. You may want to write a translation in this journal or write a sentence using each word. With a vocabulary journal you can review and practice the English words even when you are not on the USA Learns website. Remember, to really learn English vocabulary, you need to see, hear, and use the words many times. When you read the word, do you remember what it means? The Meaning Match and Definition Match activities will help you test yourself on the meaning of each word in English. Practice English Listening When you hear the English word, do you recognize the word? The Listening Match activity will check your listening comprehension of the word. In natural spoken English, you must be able to recognize words in sentences in conversation. In the Listen for It activity, you hear a vocabulary word spoken in a sentence. Can you still recognize the word when you hear it in a sentence with a lot of other English words? This is more challenging to your ears, but more realistic. Improve Your English Spelling Writing words helps you to remember them and it will improve your spelling. Practice your spelling skills in Spell It! If you make a mistake, the program will show you the mistake, and you can try to correct it. After two attempts you will see the correct spelling of the word and you can copy it. Practice English Pronunciation Saying English vocabulary words out loud is another important step to really learning the words. If you practice the pronunciation of the key words you will have more confidence when you speak. In the Say It! Play an English Vocabulary Game Finally, playing a game with your new English vocabulary words is a fun way to help you remember the words and definitions. In the Match Game you must match the words and pictures or definitions to show you know the meaning of the words. Different Activities for all Different Learning Styles All of us have different learning styles and need different methods to help us remember things. There are people who learn simply by listening. Others need to read and see the words and still others need to write the words to remember them. USA Learns offers a variety of activities to help learners with all different learning styles really learn important English vocabulary necessary for everyday life. But how do you know which ones to learn? Focus on the most common words and words you need for your everyday communication. A good vocabulary resource will present frequently used words for you to study. Learning a new word means more than understanding the meaning. Take the time to learn the correct pronunciation. Listen closely to a model and repeat the word several times. Next, note how the word is used. What part of speech is it? Is there a whole expression you can learn with the word? Marquez

talks about different kinds of weather: So in your vocabulary notebook, you might write an entry like this: I like hot and sunny weather. I said a vocabulary notebook. Do you have one? Try keeping one on paper, on your smartphone, or anywhere you can easily find it. Use it for review. Continue to note phrases or sentences that you find with the word. Creating your own example is a good idea, too. Most important, write down collocations or common combinations with the word. For instance, a person can make a mistake or make an important decision. When you look for vocabulary resources, stay away from long lists of words, unless you simply want to review. Choose a lesson that groups a small number of words or expressions together in a logical way. A good conversation or reading will show you how and when to use a word. To increase your knowledge of these and other aspects of life in the U. I talk about the U. Even with great resources at your fingertips, you may not meet with success if you study at the wrong pace. Pace refers to how fast or how slow you do something. The pace is too fast. The pace is too slow, and you can forget information or lose interest. Form good study habits that are easy for you to do on a regular basis. Can you complete a new unit each week or every two weeks here on USA Learns? If you have extra time, watch a video of mine to strengthen your knowledge of English and American culture. As you move forward in your language studies, remember my tips: Find resources that present common words and expressions in English. Study what a word means, how to say it, how to use it, and when to use it. Keep a vocabulary notebook to help you remember new words and their uses. Set realistic goals and form good study habits.

What is the Academic Word List? The AWL is a list of words which appear with high frequency in English-language academic texts. The list contains word families and is divided into 10 sublists. Sublist 1 consists of the 60 most common words in the AWL. Sublist 2 contains the next most frequently used words and so on. Each sublist contains 60 word families, except for sublist 10, which contains To find these words, an analysis was done of academic journals, textbooks, course workbooks, lab manuals, and course notes. The list was compiled following an analysis of over 3,, words of text. The words selected for the AWL are words which occur frequently in a range of academic subjects, including the Arts including history, psychology, sociology, etc. This means that the AWL is useful to all second-language learners who wish to study in an English-speaking institution no matter what their field of study. The AWL does not, however, include technical words which are specific to a given field. Nor does it contain words which are of general use and very high frequency. Why should I learn it? You will need to know this academic vocabulary if you want to study in an English-speaking college or university. In fact, because these words are so common, they are even useful to those who do not plan to go on to post-secondary study in English. These are words that you will frequently see in newspapers, magazines, and novels, and hear on television, movies or in conversation. Learning Vocabulary in Another Language. Cambridge University Press The Exercises This site contains gap-fill exercises to review and recycle the general word families contained within the AWL. These exercises can be found on each Sublist page. The online format of the exercises allows students to get immediate feedback on their answers. Students can work through five different exercises for each word family in the AWL. Many of these exercises include different derivations parts of speech for the given word. Students are encouraged to complete the exercises for a given level before proceeding to the next level. This software is both PC and Mac compatible. Each exercise took about 2 minutes to make. Go to our website to download the demo. The program will allow you to quickly and easily review the AWL vocabulary in greater depth, including looking at the various derivations. It will also allow you to reinforce, review and test other non-AWL vocabulary which you have introduced in your English class. Again, students will benefit through review of target vocabulary in sentences in context, using gap-fill exercises such as those found on this website. In a matter of minutes you can create these exercises for use on your own website or as hard copy paper documents for classroom study and homework assignments.
