Falling For Sharde - Kindle edition by Marilyn Lee. Download it once and read it on your Kindle device, PC, phones or tablets. Use features like bookmarks, note taking and highlighting while reading Falling For Sharde.

During a long weekend at a remote cabin, she seduces him. In an effort to make him admit he wants more, she does the unthinkable—starts to date his chief business rival. Clayton Frazier, the handsome owner of Fra-tech has never made any secret of his interest in Sharde. After outbidding Jefferson to secure a lucrative government contract, he now has his sights set on Sharde—just as circumstances forces Jefferson to realize how much she means to him. Sharde has been working for and with Jefferson for nine years, and in that time she has watched him give his heart to two women who both cheated on him. Well that is about to change. She goes away for the weekend with him to his cabin with seduction on her mind. Her plan is successful and upon their return she is sure that things will become more serious. Unfortunately Jefferson just wants to be friends with benefits and keep things casual. During a conversation both say some things that they wish they could take back and Jefferson leaves Sharde only to end up picking up a woman in a bar and taking her home. When Sharde calls to tell Jefferson that she understands his reluctance to rush into another serious relationship the woman answers. Hurt that he could leave her and go straight to bed with another woman Sharde turns in her resignation. When Jefferson finds the resignation he tries to explain that while he did pick that woman up he did not sleep with her, too hurt to forgive Sharde tells him to go and leaves her job. This book was a classic example of how women usually attach more emotion to sex than men. Now I know not all women do I give this book 5 chocolate dipped strawberries, and a LARGE glass of ice water on the side because this book is scorching! All I have to say is Clay Clay Clay.. One thing about this author.. Its not just a story.. I looovveeddd the story and I was addicted from page 1 to the end. You have to see how you feel about each character for yourself You are probably wondering why I didnt like a character. Well the character for the story was fine. It was just the way they acted that upset me. I cant say what without giving away who and the story. But the thing is.. This book was hot from start to finish This story was so real, it felt like this really happened. And I like the story the way it is. I love the book and the cover so Kudos to Marilyn Lee for another Job well down. This book was so believable she had me falling for a character in the book.. Bet you cant guess who!! Find this book on amazon.

Falling for Sharde, Marilyn Lee, Self Published, December After nine years spent in love with her boss, Jefferson Calder, Sharde Donovan is tired of being treated like one of the boys. During a long weekend at a remote cabin, she seduces him.

Books Fifty Shades Trilogy, Since: Christian comes together with a woman. No slash, no sharing but crossovers are allowed. New ones added daily! Current stats on my profile! Your Property by bibz reviews Christian and Ana wake up on a hotel bed, naked and with no memory of their previous night.
