Joe Lorio August 15, The s ushered in the econobox, and of all the cars that fit that descriptor, one was the true pioneer of the small cars we drive today: His also featured such modern components as rack-and-pinion steering, front disc brakes, an independent rear suspension with a transverse leaf spring , and a strut-type front suspension with an integral antiroll bar. The all-new engine, designed by Aurelio Lampredi, had an iron block, an aluminum head, and a belt-driven single overhead camshaft. The made its debut in It was showered with awards and immediately became a best seller in Europe. The car came to the United States late in the model year as a two-door sedan, a four-door sedan, and a two-door wagon; it would stay through the end of the decade. This particular has virtually rolled right out of the Me Decade and into today, having traveled fewer than miles since new. Two-doors and four-doors share the same A more traditionally proportioned coupe, the quite handsome SL, joined the lineup in The disproportionately large cabin is capped at the front by a stubby engine compartment and at the rear by a stubby trunk. The latter is deceptively roomy, however, because the spare tire is actually located under the hood. The man-maximum, machine-minimum layout creates a surprisingly roomy interior for such a small car; Fiat boasted that while the was smaller outside than a Volkswagen Beetle , it was larger inside than an Oldsmobile Cutlass. The large, thin-rimmed steering wheel is at a typical Fiat angle, tilted up toward the ceiling. The tiny, four-cylinder engine had grown to 1. As you might guess, acceleration is a leisurely affair. Once up to speed, however, the little Fiat has no trouble running with mph highway traffic. As in most Italian cars, the engine seems happy to rev. Without a tachometer, of course, your ears are your guide with regard to upshifts, and although the clutch is easy to modulate, the four-speed gearbox is vague. Contemporary advertisements for the boasted that Enzo Ferrari drove one for his personal use. What other small car could say that?

Chapter 2 : [PDF Download] Vespa Ciao and Bravo Owner's Workshop Manual [PDF] Full Ebook - Video D

Book Summary: The title of this book is Fiat Owners Workshop Manual Thru and it was written by John Harold Haynes, J. C. Larminie. This particular edition is in a Paperback format. This particular edition is in a Paperback format.
