*General United States policies with respect to the East Asian-Pacific area (Documents ) Interest of the United States in a regional alliance of East Asian and Pacific powers; negotiation of a mutual defense treaty with the Philippines and a security treaty with Australia and New Zealand.*

The purpose of the Act is to increase mutual understanding between the people of the United States and the people of other countries by means of educational and cultural exchanges. Educational and cultural exchanges assist the Department of State in furthering the foreign policy objectives of the United States. These exchanges are defined by section of the Act, 22 U. Sponsors may act independently or with the assistance of third parties. The purpose of the Program is to provide foreign nationals with opportunities to participate in educational and cultural programs in the United States and return home to share their experiences, and to encourage Americans to participate in educational and cultural programs in other countries. Exchange visitors enter the United States on a J visa. The regulations set forth in this subpart are applicable to all sponsors. When establishing such a program, the Department will publish a notice in the Federal Register describing the program and any resulting modifications to or waivers of provisions of this Part. If such an arrangement will not result in a waiver of or other modification to the provisions of this Part, then the Department need not publish a notice. The following definitions apply to this part: Any publicly or privately operated primary, secondary, or post-secondary institution in the United States or abroad that offers primarily academic programs. For the purpose of these regulations, an institution that offers primarily vocational or technical programs is not an academic institution unless the specific program or programs in which the exchange visitor is to participate or has participated has been determined by the U. Department of State on an exceptional basis to be comparable to those offered in academic institutions. Accompanying spouse and dependents. For the purpose of these regulations, a minor is a person under the age of 21 years old. Any academic institution that is duly accredited by the appropriate academic accrediting authority of the U. In addition, all post-secondary institutions also must be accredited by a nationally recognized accrediting agency or association as recognized by the Secretary of Education. Actual and current U. The physical, geographic location at which an exchange visitor and accompanying spouse and dependents reside while participating in an exchange program. Certificate of Good Standing. A document issued by a state Secretary of State, Secretary of Commonwealth, or other official in the state where the business entity is registered. A Certificate of Good Standing confirms that a corporation, partnership or other legal entity is in existence or authorized to transact business. Routine administrative work generally performed in an office or office-like setting, such as data entry, filing, typing, mail sorting and distribution, and other general administrative or support tasks. An academic institution in the United States that participates in a consortium is not barred from having separate exchange visitor program designations of its own. Country of nationality or last legal permanent residence. Either the country of which the exchange visitor is a national at the time status as an exchange visitor is acquired or the last foreign country in which the visitor had a legal permanent residence before acquiring status as an exchange visitor. The written authorization issued by the Department of State to an exchange visitor program applicant to conduct an exchange visitor program as a sponsor. The term includes the written authorization issued to a current sponsor that applies to continue its designation i. An individual who provides services or labor for an employer for wages or other remuneration. A third party, as defined in this section, or an independent contractor, as defined in 8 CFR a. A foreign national who has been selected by a sponsor to participate in an exchange visitor program, and who is seeking to enter or has entered the United States temporarily on a non-immigrant Jâ€™1 visa or who has obtained J status in the United States based on a Form DSâ€™ issued by the sponsor. The term does not include the accompanying spouse and dependents of the exchange visitor. The international exchange program administered by the Department of State to implement the Act by means of educational and cultural exchange programs. When "exchange visitor program" is set forth in lower case, it refers to the individual program of a sponsor that has been designated by the Department of State. Financed in whole or in part by the U. A controlled document of the Department of State that a sponsor issues to a potential Exchange Visitor

Program participant (1) and his or her accompanying spouse and dependents (2) as permitted by regulations. This form, together with other necessary Department of State documents, permits the named foreign national, if required, to schedule an interview at a U. S. A controlled document of the Department of State that an organization uses to apply to become a designated sponsor of the Exchange Visitor Program and that a designated sponsor uses to request redesignation or amendment of an existing exchange visitor program. Form DS-160, Annual Report. A controlled document of the Department of State in which a sponsor reports program activity and evaluation on a yearly basis. Full course of study. Graduate medical education or training. Participation in a program in which a foreign medical school graduate will receive graduate medical education or training, which generally consists of a residency or fellowship program involving health care services to patients, but does not include programs involving observation, consultation, teaching or research in which there is no or only incidental patient care. This program may consist of a medical specialty, a directly related medical subspecialty, or both. Home-country physical presence requirement. The requirement that an exchange visitor, and any accompanying spouse and dependents, who are within the purview of section e of the Immigration and Nationality Act, as amended, or Public Law 94-408 substantially quoted in 22 CFR A non-immigrant visa issued pursuant to 8 U. S. C. 1 visa is issued to an exchange visitor. The Department of State, Bureau of Educational and Cultural Affairs office assigned to administer designations of sponsors. Office of Exchange Coordination and Compliance. Office of Private Sector Exchange Administration. Prescribed course of study. A non-degree academic program with a specific educational objective. The participation of a U. S. Where used herein, "reciprocity" will be interpreted broadly; unless otherwise specified, reciprocity does not require a one-for-one exchange or that exchange visitors be engaged in the same activity. The Secretary of State or an employee of the U. S. Department of State acting under a delegation of authority from the Secretary of State. The statutorily mandated system designed to collect information on non-immigrant students F and M visas, exchange visitors J visas, and their spouses and dependents F-2, M-2, and J-2 visas. The physical, geographic location s where an exchange visitor participates in his or her exchange program. A legal entity designated by the Secretary of State to conduct an exchange visitor program. Failure by any third party to comply with the regulations set forth in this Part or with any additional terms and conditions governing administration of the Exchange Visitor Program that the Department of State may from time to time impose will be imputed to the sponsor. Sponsors are required to ensure that third parties know and comply with all applicable provisions of these regulations. United States person individual. A person who is born within or is a national of the United States or any of its territories or outlying possessions. United States Person legal entity. The process by which a Responsible Officer or Alternate Responsible Officer updates the SEVIS record of an exchange visitor to show he or she has entered the United States, and that the exchange visitor reported to his or her sponsor and is participating in the exchange visitor program at the site of activity identified on his or her Form DS-160 Sponsors select foreign nationals to participate in exchange visitor programs in the United States. Participation is limited to foreign nationals who meet the following criteria for each of the following categories: A foreign national who is: A foreign national who is a professor, research scholar, or person with similar education or accomplishments who enters the United States for a short-term visit for the purpose of lecturing, observing, consulting, training, or demonstrating special skills at research institutions, museums, libraries, post-secondary accredited academic institutions, or similar types of institutions. A foreign national participating in a structured and guided work-based training program in his or her specific occupational field in an occupational category for which a sponsor has obtained designation who has either: A foreign national with the equivalent of a U. S. A foreign national whose primary purpose is teaching, lecturing, observing, or consulting at post-secondary accredited academic institutions, museums, libraries, or similar types of institutions. A professor also may conduct research where authorized by the sponsor. A foreign national whose primary purpose is conducting research, observing, or consulting in connection with a research project at research institutions, corporate research facilities, museums, libraries, post-secondary accredited academic institutions, or similar types of institutions. A research scholar also may teach or lecture where authorized by the sponsor. A foreign national who is an expert in a field of specialized knowledge or skills who enters the United States for the purpose of observing,

consulting, or demonstrating special knowledge or skills. A foreign national of description similar to those set forth in paragraphs a through g of this section coming to the United States as a participant in an exchange visitor program designated by the Department of State under this category, for the purpose of teaching, instructing or lecturing, studying, observing, conducting research, consulting, demonstrating special skills, or receiving training. The programs designated by the Department of State in this category consist of: A foreign national who is a graduate of a school of medicine who comes to the United States under a program in which he or she will receive graduate medical education or training conducted by accredited U. A foreign national who is a recognized or potential leader, selected by the Department of State for the purpose of consulting, observing, conducting research, training, or demonstrating special skills in the United States. A foreign national who is an influential or distinguished person, selected by a U. A foreign national selected to be a counselor in a summer camp in the United States e. A foreign national who comes to the United States for the purpose of residing with an American host family and participating directly in their home life, while providing limited childcare services, and fulfilling an educational requirement. A foreign national who is a bona fide foreign post-secondary student, who at the time of application is enrolled in and actively pursuing a degree or a full-time course of study at a foreign ministerially-recognized post-secondary academic institution and whose purpose is work and travel in the United States for up to four months during his or her break between academic years. A foreign national participating in a structured and guided work-based internship program in his or her specific academic field and who either: The complete application must consist of: In addition, the Department may decide, in its discretion, to conduct a pre-designation site visit of a first-time applicant. A sponsor may engage only in the activity or activities specifically authorized in its written letter of designation. A sponsor seeking re-designation may continue to operate its program s until such time as the Department of State notifies it of a decision to approve, amend or terminate its designation. A sponsor, other than a federal government agency, must have no fewer than five actively participating exchange visitors during the annual reporting cycle e. The Department of State may, in its sole discretion, waive this requirement. A sponsor, other than a federal government agency, must provide each exchange visitor, except those sponsored in the short-term scholar category, with a minimum period of participation in the United States of no less than three weeks. In conducting its exchange visitor program, sponsors must make a good faith effort to develop and implement, to the fullest extent possible, reciprocal exchanges of persons. In addition to category specific requirements, sponsors must: The extent and type of the cross-cultural activities will be determined by the needs and interests of the particular category of exchange visitor. Sponsors will be responsible for determining the appropriate types and numbers of such cross-cultural programs, unless otherwise specified by the Department. The Department of State encourages sponsors to give their exchange visitors the broadest exposure to American society, culture and institutions; and 22 CFR Sponsors are required to adhere to all regulations set forth in this part.

*Foreign relations, part v. 3. Foreign relations, part v. Great debates in American history: from the debates in the British Parliament on the Colonial.*

Take control of US money system. As a first step he had to buy into a banking house, but it had to be the kind of a house that he could absolutely control and mold for that primary objective of entrapping our US money system. Both started their business careers as itinerant pack peddlers. In the years that followed, they set up similar stores in Cincinnati and St. Then they added pawnbroking to their merchandising pursuits. From that to money lending was a short and quick step. Install puppets in government. To achieve that objective, Schiff had to get full cooperation of the then big banker elements in America, and that was easier said than done. Even in those years, Wall Street was the heart of the American money mart and J. Morgan was its dictator. Next in line were the Drexels and the Biddles of Philadelphia. All the other financiers, big and little, danced to the music of those three houses, but particularly to that of Morgan. All of those three were proud, haughty, arrogant potentates. For the first few years, they viewed the little bewhiskered man from the German ghettos with utter contempt, but Jacob knew how to overcome that. He threw a few Rothschild bones to them. Said bones being distribution in America of desirable European stock and bond issues. Then he discovered that he had a still more potent weapon in his hands in the following: It was in the decades following our Civil War that our industries began to burgeon. We had great railroads to build. The oil, mining, steel, textile industries were bursting out of their swaddling clothes. All of that called for vast financing. Much of that financing had to come from abroad. That meant the House of Rothschild and that was when Schiff came into his own. He played a very crafty game. He became the patron saint of John D. Harriman, and Andrew Carnegie. In turn, Rothschild arranged the setting up of London, Paris, European and other branches for those three, but always in partnerships with Rothschild subordinates and Rothschild made it very clear to all those men that Schiff was to be the boss in New York. Now under our Constitution, all control of our money system is vested solely in our Congress. In order to legalize that surrender and thus make the people powerless to resist it, it would be necessary to have Congress enact special legislation. To accomplish that, Schiff would have to infiltrate stooges into both houses of Congress. Stooges powerful enough to railroad Congress into passing such legislation. Equally, or even more important, he would have to plant a stooge in the White House a president that is without integrity and without scruples who would sign that legislation into law. To accomplish that, he had to get control of either the Republican or the Democratic Party. The Democratic Party was the more vulnerable. It was the hungrier of the two parties. There were two reasons for that: Poverty of the Party. There were considerably more Republican-minded voters than Democrats. The poverty matter was not a great problem, but the voter problem was a different story. But as I previously said, Schiff was a smart cookie. Here is the atrocious and murderous method he employed to solve that voter problem. His solution emphasizes how very little the Jewish internationalist bankers care about their own racial brethren as you shall see. Suddenly, around , there broke out a nationwide series of pogroms in Russia. Many, many, thousands of innocent Jews' men, women, and children, were slaughtered by the Cossacks and other peasants. Similar pogroms with similar slaughter of innocent Jews broke out in Poland, Rumania, and Bulgaria. All those pogroms were fomented by Rothschild agents. As a result, Jewish terrified refugees from all of those nations swarmed into the United States and that continued throughout the next two or three decades because the pogroms were continuous through all those years. All those refugees were aided by self-styled humanitarian committees set up by Schiff, the Rothschilds, and all the Rothschild affiliates. In the main, the refugees streamed into New York, but the Schiff-Rothschild humanitarian committees found ways to shuffle many of them into other large cities such as Chicago, Boston, Philadelphia, Detroit, Los Angeles, etc. All of them were quickly transformed into naturalized citizens and educated to register as Democrats. Thus all of that so-called minority group became solid Democratic voter blocks in their communities, all controlled and maneuvered by their so-called benefactors. And shortly after the turn of the century, they became vital factors in the political life of our nation. I refer to the job of destroying the unity of the American people by creating minority-group and racial

strife. By the pogrom-driven Jewish refugees into America, Schiff was creating one ready-made minority group for that purpose. But the Jewish people, as a whole, made fearful by the pogroms, could not be depended upon to create the violence necessary to destroy the unity of the American people. But right within America, there was an already made-to-order, although as yet a sleeping minority group, the Negroes, who could be sparked into so-called demonstrations, rioting, looting, murder, and every other type of lawlessness. All that was necessary, was to incite and arouse them. Together, those two minority groups, properly maneuvered, could be used to create exactly the kind of strife in America the Illuminati would need to accomplish their objective. Thus at the same time that Schiff and co-conspirators were laying their plans for the entrapment of our money system, they were also perfecting plans to hit the unsuspecting American people with an explosive and terrifying racial upheaval that would tear the people into hate-factions and create chaos throughout the nation, especially on all college and university campuses, all protected by Earl Warren decisions and our so-called leaders in Washington. Of course, perfecting those plans required time and infinitely patient organizing. Now to remove all doubts, I take a few moments to give you documentary proof of this racial strife plot. First of all they had to create leadership and organizations to draw in millions of dupes, both Jewish and Negroes, who would do the demonstrating and commit the rioting, looting, and lawlessness. In addition, the ADL acquired absolute control of the advertising budgets of many department-stores, hotel-chains, and TV and Radio industrialist sponsors, also advertising-agencies in order to control practically all the mass-communications media and force every loyal newspaper to slant and falsify the news and to further incite, and, at the same time create sympathy for, the lawlessness and violence of the Negro mobs. Here is documentary proof of the beginning of their deliberate plot to foment the Negroes into all their lawlessness: It was sheer propaganda to incite the Negroes and Jews because the play purportedly visualized how the American people were discriminating against, and persecuting Jews and Negroes. At that time nobody seemed to realize that it was a propaganda play—it was that cleverly-written. The propaganda was well wrapped up in the true, great entertainment in the play, and it was a big Broadway Hit. Now in those years, the legendary Diamond Jim Brady used to throw a banquet at the famous Delmonico Restaurant in New York after the opening-performance of a popular play. Zangwill, Shaw, and Cohen were the triumvirate who created the Fabian Society in England and had worked closely with a Frankfurt Jew named Mordicai who had changed his name to Karl Marx, but remember, at that time both Marxism and Communism were just emerging and nobody paid much attention to either, and nobody suspected the propaganda in the writings of those three really brilliant writers. But it suddenly hit me with the force of a hydrogen bomb when I received a newspaper clipping of an item published by the Washington D. By propounding into the consciousness of the dark races, that for centuries they have been oppressed by the whites, we can move them to the program of the communist party. In America, we will aim for subtle victory. While inflaming the Negro minority against the whites, we will instill in the whites a guilt-complex for their exploitation of the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions, and in the world of sports and entertainment. With this prestige, the Negro will be able to intermarry with the whites and begin a process which will deliver America to our cause. But the one question that remained in my mind was whether it represented the official policy or plot of the Communist Party or just a personal expression of Cohen himself. That pamphlet was entitled *The Negroes in a Soviet America*. It urged the Negroes to rise up, form a soviet-state in the south, and apply for admission to the Soviet Union. On page 38, it promised that a Soviet government would confer greater benefits to Negroes than to whites and again this official communist pamphlet pledged that, I quote: A little later I will provide that proof that will remove even a remote doubt that the Communist Party, as we know it, was created by those masterminds, capitalists if you will note, that Schiff, the Warburgs, and the Rothschilds planned and financed the entire Russian Revolution, also the murder of the Czar and his family, and that Lenin, Trotsky, and Stalin took their orders directly from Schiff and the other capitalists whom they supposedly are fighting. Now can you see why the vile Earl Warren and his equally vile co-Supreme Court justices issued that infamous and treasonous desegregation decision in ? It was to aid and abet the plot of the Illuminati conspirators to create tension and strife between the Negroes and Whites. Can you see why the same Earl Warren issued his decision prohibiting Christian prayers and

Christmas carols in our schools? It was done to destroy Christianity. Can you see why Eisenhower, despite all the rigid constitutional prohibitions, sent federal troops into a southern state to enforce the desegregation decision? Why Kennedy did likewise? It is up to you and you, all of the American people, to force Congress, our elected servants, to haul in those American traitors for impeachments and that when proven guilty, they all be given the punishment prescribed for traitors who aid and abet our enemies. Such investigations will completely unmask all the leaders in Washington and the Illuminati and all their affiliations and affiliates as traitors carrying out the Illuminati plot. In fact, it will destroy the UN and the entire plot. Before I close this phase, I wish to reiterate and stress one vital point which I urge you to never forget if you wish to save our country for your children and their children. Here is the point. Every unconstitutional and unlawful act committed by Woodrow Wilson, by Franklin Roosevelt, by Truman, Eisenhower, and Kennedy and are now being committed by Johnson, is exactly in line with the Illuminati conspirators centuries-old plot outlined by Weishaupt and Albert Pike. Every vicious decision issued by the traitorous Earl Warren and his equally traitorous Supreme Court justices was directly in line with what the Illuminati blueprint required. That all the treason committed by our State Department under Rusk and earlier by John Foster Dulles, and Marshall, also all the treason committed by McNamara and his predecessors is directly in line with that same Illuminati blueprint for the takeover of the world. Also the amazing treason by various members of our Congress, especially by the 66 Senators who signed for the Consular Treaty, has been committed on orders from the Illuminati.
