Knowing you to be the fighter that you are, we are sure that you will be back in great spirits in no time. Now it is your time to relax and let us look after you! Get well soon mom, we love you. Look at the bright sideâ€”you get a week off work, so we can finally spend some quality time together! We all wish you a quick recovery. Enjoy it while you can, mommy, and get well soon. Mom, it amazes me how cheerful you can be even when you are sick. You are officially the best mother in the whole world. Get well soon, mom! Sickness will come and go, but we want you to know that we are there with you every step of the way. We love you, dad. I wonder which bacteria or virus managed to get into the coolest dad in the world? They must be something! Get well soon, dad! Give your parents everything they need to keep themselves busy while being confined to a hospital bedâ€”books, newspapers, music, iPad, etc. Top it off with a lovely bouquet and a get well soon card. But I do have oodles

of love to give you a healing touch. The hospital is lucky to have a cheerful patient like you. But we need you more! Get well soon, mom. Nothing in my life is as important and as precious as your health and wellbeing. Dad, I just want you to know that I love you, and there is nothing in the whole world that means more to me than you. I thought you were punctual and organized. I want you back as fit as a fiddle, dad. You are my superstar! I may not say it out loud every day, but I want you to know, mom, that I love you, and you mean the world to me. Now I can be a doting mommy, and you can be an annoying child. Smile, now, because it is time to take your medicine. Hope you feel better soon. I hope you feel better, honey. Get well soon, beautiful. I must admit, you look so cute tucked into that blanket. You look like an adorable little puppy when you are sick. I just want to say that I love you and am here by your side now and always. Get ready to be pampered and looked after like a king while you are sick. Get well soon, dear.
