

**Chapter 1 : Prayer for Help With Finances - Dear God, I surrender my financial affairs**

*Yes, God helps those who sincerely ask for things that are in harmony with his will. Even if you haven't prayed before, the Bible's examples of those who prayed, "God, help me," can encourage you.*

By Derek Dill A prayer based on Psalm 6, for all those who are hurting. In the generation that we live, crying out to God is a necessity. May these words inspire you to talk to your heavenly Father. He is always ready and willing to hear and help you. Give God your problems, there is no need to carry the burdens of life when the Lord can do it for you. Lord, I come to You with a repentant heart. Please forgive me for the things I have done. Please hear when I call out to You. Lord, You are my righteous God. You can make my life right and You alone can free me from my grief. I know that You can relieve my distress. Father, have mercy on me. Please hear my prayer. I am weak from battling the sins that come at me and the thoughts of my own mind. My body aches to be freed from the troubles that this world brings. Lord, I will pray often and I know that You will hear my voice, even when I speak to You in my silent thoughts. To You, I am crying out and my prayers are now before You. Father, I give to You my problems, I do not want them. Father, please restore myself to You. Save me from this world and from myself. I know that You have compassion for Your children, so please save me. Father, I thank You for Your patience. Father, I am weary from worry and my sadness never seems to cease. I will put my trust in You, for I know that You will stop the overwhelming grief that I feel and not allow it to consume my life. Leave me alone, evils of this world, for the Lord has heard my cry. Father, show me Your ways and teach me Your paths. Lead me in Your truth and teach me. You are the God of my salvation and on You I will wait. Teach me Your way, O Lord, and make my path smooth. Protect me from the evils of this life and guide me through all my days. Father, thank You for hearing my plea. I know You will receive my prayer. Father, consider and have compassion on all who read these words, and all who hurt, in this troubled generation we live. Keep them in the center of Your love, as You have done for me. If you use my articles please let me know so I can give you the credit. I look forward to hearing from you.

## Chapter 2 : Dear Lord Walk With Me Today

*(a prayer for help from calendrierdelascience.com) [click here](#) for a short prayer and meditation on Psalm 42 to help with depression. Whatever your circumstance or situation, remember God loves you and cares about you deeply.*

You may feel like you have miserably failed to walk the Christian walk. But be of good cheer there is real hope in Christ Jesus. It is unable to be done, performed, effected. That is what Jesus did. Every Law kept perfectly never failing even in one point. Living a life of Holiness is very important to God. But when we "TRY" we always fail on some level, so whats up with that? Meditate on what Jesus said to the rich young ruler when he called Jesus "Good teacher". Jesus answered him and said , "Why do you call me good, there is none good but My Father in Heaven. Evidence of True Conversion We will never find victory over the sin nature that is in us no matter how hard WE try to Work it out. But this story is not over yet. We have Good News. The message of the cross is foolishness to those who are perishing, but to us who are being saved it is the power of God. The Law simply points out where we fail. Yet after a true conversion you can see evidence of a changed life. You find yourself despising your own old behavior. At first it was so easy, your trust was in Jesus. You delighted in doing things that please God. But as time passed, subtly things may begin to change. Two things that can Happen; 1. As time passes even with all your good intentions of attempting to keep the law of God, you can find yourself failing to keep it. Our old man does not want to die easily. The natural reaction to law is rebellion against the law. At times without warning you can fall backslide into the very old things you now hate. You can try with all you strength yet fail. Then instead of calling "God Help me" your own conscience condemns you. The other thing that could happen swings over to the opposite side. Some can be deceived into thinking to highly of one self trusting in their own abilities. The attitude is more like God saved me, now I tow the line and do the rest. They become legalistic and judgmental. They condemn others who fail the standards that they think they should be doing. Some have adopted their own standard of judgment disregarding the perfect standards of God. They may look good on the out side but are guilty of presumptuous sins. Inside they may struggle with secret sins, things no one else sees. They may even deny that they have sinned yet all have sinned. God is Not Mad at You Bible verses tell us all have sinned and have fallen short of the glory of God. There is no one that is righteous. God help me if I think I am holier then thou. But God does not condemn us. God will lift us up and teach us how to walk in His ways. Some may go through a series of guilt and shame. Others are guilty of self righteousness. If you see your sin and feel like the finger of God is pointing at you calling you a hypocrite. God is Not mad at you. God is NOT the accuser. But it is Satan who is the lair, the accuser of the brethren. Jesus is Savior, He did not come to condemn the world but to save it. You really do love God, your not a hypocrite! From deep inside, you want to do good and please God. Remember your first love. Do the first works. If only you knew how. Pray, God Help me to understand the Gospel. You have been trying to do something that you were never meant to do. It is God who works it in us to do good. Jesus said there is no one who is good but God. The Law of God is good but it only serves to show you where you have failed. The Laws purpose is to point you to Jesus to be saved. You can not keep the law in your flesh. The Law points to Jesus and says If it is not done in the Spirit it is not pleasing to God. Christianity; not for the Coward To walk the walk of a Christian is not for the coward. It took a hero to make it possible. But your not the hero. It took a King to make us part of a kingdom. It is not about you at all. It is all about Christ and Him crucified. It is all about the victory that Jesus won on the Cross - Nothing added. Therein is the Victory and nothing else will do. If you can grasp this fully you will understand how perfectly God has answered the prayer," God Help Me". You will remember how it was when you had your first love and you will do the first works of resting in Him alone. Jesus relied on His Father for everything when he was in the flesh. This was the example that Jesus gave us. We must follow in His foot steps. Jesus died to Himself and lived unto the Father paving the way for our victory. If only we could learn how by His example. Relying on God and God alone and not our own abilities will bring victory in our life. We will fail if we attempt to keep the letter of the law. And if we fail we have an advocate with the Father And if anyone sins, we have an Advocate with the Father, Jesus Christ the righteous. We can not win the battle over the law of sin and death

our sin nature when we try to win it with the law of our mind. The will to do good is within us but how to perform it is not in us. But when we will to serve the law of God with our mind, yet with the flesh fall into sin, we can thank God that our deliverance has come - through Jesus Christ our Lord! For there is therefore now no condemnation to those who are in Christ Jesus!!! We should Not be sin Conscious but rather Righteous Conscious for: Knowing this is the Power that will sanctify unto Holiness! We are Saved by Grace. Knowing this is the Power that will sanctify us unto Holiness! Rest in His finished work. His Grace is sufficient for you. In other words, His Grace is all you need for the victory! Miracles can happen when you keep your eyes on Jesus. Keep your eyes on Jesus. This is the Law of the Spirit of life in Christ Jesus. Prosper in all things and be in health.

*Dr. Parks's God, Help Me Pray! is the most useful manual on prayer that I have read. It is basic enough for a newly born-again Christian, but contains depths from which even a veteran prayer warrior can learn.*

Inspirational Bible Verses God Help me! Inspirational Bible verses, minister to your soul. God is a very present help at a time when you need Him the most. Meditate on the Word of God and let Him heal and sooth your soul. God is able to deliver you from all your enemies. Hearing the Word of God will give you strength and add life and wellness to you body, soul and spirit. We are totally helpless apart from what God does in our life. And how can they hear if nobody tells them? Grand processions of people telling all the good things of God! Isaiah asked what we all ask at one time or another: Is anyone listening and believing a word of it? My help comes from the Lord, Who made heaven and earth. He will not allow your foot to be moved; He who keeps you will not slumber. And why are you disquieted within me? O my God, my soul is cast down within me; Ps The Lord will command His loving kindness in the daytime, and in the night His song shall be with me a prayer to the God of my life. And in thy loving kindness cut off mine enemies, and destroy all them that afflict my soul; for I am thy servant. There is no want to those who fear Him. The Lord gives freedom to the prisoners. I will speak Your Word Lord; Ps Let my supplication come before You; Deliver me according to Your word. My lips shall utter praise, For You teach me Your statutes. My tongue shall speak of Your word, For all Your commandments are righteousness. Let my soul live, and it shall praise You; And let Your judgments help me. Then they cried out to the Lord in their trouble, And He saved them out of their distresses. Oh, that men would give thanks to the Lord for His goodness, And for His wonderful works to the children of men! Deliver me in Your righteousness, and cause me to escape; Incline Your ear to me, and save me. Be my strong refuge, To which I may resort continually; You have given the commandment to save me, For You are my rock and my fortress. Why should the nations say, "Where is their God? Let them be confounded and consumed Who are adversaries of my life; Let them be covered with reproach and dishonor Who seek my hurt. My mouth shall tell of Your righteousness And Your salvation all the day, For I do not know their limits. For our heart shall rejoice in Him, Because we have trusted in His holy name. NKJV God is our very present help in time of need.

**Chapter 4 : Help me, God. | Peace With God**

*The air is sucked out of us, and it's all we can do to simply whisper, "God please help me through this!" Here's a prayer you can use as a springboard to get back on your feet. We'd like to avoid pain at all costs, but sometimes life throws a curve ball that smacks us right in the face and knocks us off our feet.*

WhatsApp God, Life can sometimes throw a curve ball where we become hopeless. We stumble upon situations where only God can heal our most profound pain. No matter how hard we try, we cannot seem to fix the problems in our lives. It is during these times that God wants to shower us with love if we will only let Him. The Bible says in Hebrews Maybe you are going through a hopeless situation your life. Although many circumstances can put us in a feeling of hopelessness, I would like to focus on these three. If you are dealing with any of these situations and want God to help you, please pray the prayers after each circumstance. It is easy to go through your entire life never healing from the broken-heartedness of losing a loved one. However, God does not want you to be in mental torment over this. He wants you to hand your loved one over to Him because they are now in His loving care. He wants you to cling to the beautiful memories. I release my loved one over to you! They are now basking in your Holy presence. I know they would not want to come back here for the world. Thank you for taking them home to your splendor. God, help me heal from my broken heart. Remind me that I will see them again one day. Being Diagnosed with a Terminal Illness It would be very easy to walk through this situation scared to death. However, God is the God of all comfort. He can give you peace even in the midst of this valley, and the very thing that you might think is a curse can wind up blessing so many other people. God help me see the beauty in my pain. Help me understand that nothing happens to me without your first knowing about it. Help me not be scared of the unknown but entrust my situation to your all-knowing wisdom. You just have to trust in that! God is the only person that can heal any of these painful hurts. Know your life matters, and it has a unique purpose! I feel broken inside, and I cannot deal with this any longer. God, I need your intervention. I feel like there is no way out anymore. My God, I feel like nobody cares but please remind me that you care about me. As long as you care about me, that is all I need. Please take these suicidal feelings and depression away. In your precious name, I pray.

**Chapter 5 : Lord, Help Me | People Get Ready**

*God, Help Me: How to Grow in Prayer Absolutely one of the best books I've read in quite some time on growing in personal prayer! Jim's interweaving of family stories with solid Catholic teaching makes the book very easy to read and hard to put down.*

Does God Answer Our Prayers? How does prayer work? Find out what God will answer When I was an atheist, I had a good friend who prayed often. She would tell me every week about something she was trusting God to take care of. And every week I would see God do something unusual to answer her prayer. Do you know how difficult it is for an atheist to observe this week after week? After a while, "coincidence" begins to sound like a very weak argument. The biggest reason is that she had a relationship with God. She wanted to follow God. And she actually listened to what he said. In her mind, God had the right to direct her in life, and she welcomed him doing just that! When she prayed for things, it was a natural part of her relationship with God. She felt very comfortable coming to God with her needs, her concerns, and whatever issues were current in her life. Furthermore, she was convinced, from what she read in the Bible, that God wanted her to rely on him like that. She pretty much exhibited what this statement from the Bible says, "This is the confidence we have in approaching God: They may know that God exists, and they might even worship God from time to time. Further, they have never received from God complete forgiveness for their sin. What does that have to do with it you ask? Here is an explanation. But your iniquities have separated you from your God. Your sins have hidden his face from you, so that he will not hear. When people begin to ask God for something, what usually takes place? They begin with, "God, I really need your help with this problem They might not know that they can come into a relationship with God so that God will hear them. This is the foundation for God answering your prayer. How Does Prayer Work? You must first begin a relationship with God. Imagine that a guy named Mike asks the president of Princeton University to co-sign a car loan for him. Yet, if the daughter of this president asked her dad to co-sign a car loan for her, it would be no problem. With God, when the person is actually a child of God, when the person belongs to God, he knows them and hears their prayers. Jesus said, "I am the good shepherd. I know my sheep and my sheep know me I know them and they follow me. I give them eternal life and they shall never perish; no one can snatch them out of my hand. Do you have a relationship with him that warrants God answering your prayers? Or is God pretty distant, pretty much just a concept in your life? For those who do know him and rely on him, Jesus seems to be wildly generous in his offer: Here is another qualifier: And if we know that he hears us -- whatever we ask -- we know that we have what we asked of him. And this is where it gets tough. We live within the limits of time and limits of knowledge. We have only limited information about a situation and the implications of future action on that situation. How an event plays out in the course of life or history is only something he knows. And he may have purposes far beyond what we could even imagine. So, God is not going to do something simply because we determine that it must be his will. What Does It Take? What is God Inclined to Do? The entire Bible is a description of the kind of relationship God wants us to experience with him and the kind of life he wants to give us. Here are just a few examples: He rises to show you compassion. For the Lord is a God of justice. Blessed are all who wait for [trust] him! Like someone rising out of his chair to come to your help, "He rises to show you compassion. He is a shield for all who take refuge in him. Jesus said, "Greater love has no one than this, that he lay down his life for his friends,"<sup>10</sup> which is what Jesus did for us. And so, "If God is for us, who can ever be against us? Certainly people get sick, even die; financial problems are real, and all sorts of very difficult situations can come up. God tells us to give our concerns to him. Even as the situation remains dismal, "Cast all your anxiety on him, because he cares for you. When the whole world seems to be falling apart, God can keep us together. This is when a person can be very grateful that they know God. Be anxious for nothing, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. And the peace of God, which surpasses all comprehension, will guard your hearts and your minds in Christ Jesus. Probably any Christian could list examples like this in their own lives. But if the circumstances do not improve, God can still give us his peace in the midst of it. Jesus said, "Peace I leave with you; my peace

I give to you; not as the world gives do I give to you. Do not let your heart be troubled, nor let it be fearful. It is based on the very character of God. A car traveling on the Golden Gate Bridge is fully supported by the integrity of the bridge. What gets the car safely to the other side is the integrity of the bridge, which the driver was willing to trust. In the same way, God asks us to trust his integrity, his character He says, "I have loved you with an everlasting love, therefore I have continued my faithfulness to you. Pour out your heart before him. God is a refuge for us. He asks us to take any concerns to him in prayer and he will act upon it according to his will. As we deal with difficulties we are to cast our cares on him and receive from him a peace that defies the circumstances. The basis for our hope and faith is the character of God himself. The better we know him, the more apt we are to trust him. For more on the character of God, please see "Who is God? The first prayer God answers is your prayer to begin a relationship with God.

I know that is the case with me, as much as I do not like to admit it. I am so thankful that we have a Heavenly Father who is full of mercy and grace and we can count on the fact that He will always answer our prayers for help. We can cry out to Him in our time of need and He will rescue us. Though sometimes it seems like He will never answer or does not hear, God is still on the throne and available and willing to listen to our prayers for help. Ask for help and then be still and know that He is God and will act in His time. Listen to the song over there on the right on this page and then take a look at these 10 prayers for help that I have collected. If there is dew on the fleece alone, and it is dry on all the ground, then I shall know that you will save Israel by my hand, as you have said "let not your anger burn against me; let me speak just once more. Please let me test just once more with the fleece. Please let it be dry on the fleece only, and on all the ground let there be dew. And you have kept for him this great and steadfast love and have given him a son to sit on his throne this day. I do not know how to go out or come in. Open your eyes and see our desolations, and the city that is called by your name. For we do not present our pleas before you because of our righteousness, but because of your great mercy. O Lord, pay attention and act. Delay not, for your own sake, O my God, because your city and your people are called by your name. I went down to the land whose bars closed upon me forever; yet you brought up my life from the pit, O Lord my God. Salvation belongs to the Lord! Nevertheless, not my will, but yours, be done. A Prayer for Help " To Follow the Savior God of all grace, You have given me a Savior, produce in me a faith to live by him, to make him all my desire, all my hope, May I enter him as my refuge, build on him as my foundation, walk in him as my way, follow him as my guide, conform to him as my example, receive his instructions as my prophet, rely on his intercession as my high priest, obey him as my king. May your dear Son preserve me from this present evil world, so that its approval never tempt, nor its disapproval terrify, nor its errors delude me. Where there is injury, pardon. Where there is doubt, faith. Where there is despair, hope. Where there is darkness, light. And where there is sadness, joy. O divine master grant that I may not so much seek to be consoled as to console; to be understood as to understand; To be loved as to love For it is in giving that we receive- it is in pardoning that we are pardoned. **Chapter 7 : Lord, Help Me To Pray - Tim Challies**

*plz pray I become far from them, I need God's Peace very much, but cant do alone, help me. plz pray God protects me from all bad happenings. and plz pray for my mom Aamane(Aamaneh) plz pray God protects her from all bad things, from death, from disease.*

Our emotions are a mess! Sometimes these emotions are too much for us to handle and they spill onto others. When first diagnosed with cancer, I was fearful of going blind. I vented anger at my caretakers. Did you ever notice that fear and anger are siblings? Harsh words are exchanged between individuals, fearing betrayal in their relationships. Fear concerning a medical test generates anger when cancer is confirmed. Destructive fear worry, panic, suspicion is generated from anticipation of the unknown. We all like to be in control of our circumstances. But when I compared my minimal human capabilities to that of an all-knowing, all-powerful, all-present God, I surrendered my control. Suddenly my fears and anger diminished Psalm A relationship with a dedicated and loving Heavenly Father changes your worldview from a temporary to an eternal perspective 2 Corinthians 4: Or we can ask for forgiveness and thank Jesus Christ for sacrificing His life as payment for our sins. You were his enemies, separated from him by your evil thoughts and actions, yet now he has brought you back as his friends. He has done this through his death on the cross in his own human body. As a result, he has brought you into the very presence of God, and you are holy and blameless as you stand before him without a single fault" Colossians 1: All you need to do is believe. Pray a simple, sincere prayer: I confess and ask forgiveness for my sins. Thank You for forgiving me and loving me. Help me to live a new life that pleases You, as a new creation in Christ Jesus. Sustain me through this circumstance. He will never leave you. I will never forsake you. Get baptized as commanded by Christ. Tell someone else about your new faith in Christ. Spend time with God each day. It does not have to be a long period of time. Just develop the daily habit of praying to Him and reading His Word. Ask God to increase your faith and your understanding of the Bible. Seek fellowship with other followers of Jesus. Develop a group of believing friends to answer your questions and support you. Find a local church where you can worship God. Did you become a follower of Jesus today? God , the Father, sent His only Son to satisfy that judgment for those who believe in Him. Jesus , the creator and eternal Son of God, who lived a sinless life, loves us so much that He died for our sins, taking the punishment that we deserve, was buried , and rose from the dead according to the Bible. If you truly believe and trust this in your heart, receiving Jesus alone as your Savior , declaring, " Jesus is Lord ," you will be saved from judgment and spend eternity with God in heaven. What is your response?

## Chapter 8 : 10 Prayers For Help In Times of Need

*A Prayer for Guidance When Life is Challenging. Lord, I'm here today with open hands and an open heart, ready to depend on you to help me through the day and all it will bring my way.*

Is there really a God? How can He help you? God is real, and when you trust in Him, He promises to be with you always. The Bible says in Psalm Turn to Him today. Step 1 â€” God loves you and has a plan for you! Step 2 â€” Man is sinful and separated from God. The result of sin is death, spiritual separation from God Romans 6: Step 3 â€” God sent His Son to die for your sins! Jesus died in our place so we could have a relationship with God and be with Him forever. He rose again and still lives! Jesus is the only way to God. All you have to do is believe you are a sinner, that Christ died for your sins, and ask His forgiveness. Jesus Christ knows you and loves you. What matters to Him is the attitude of your heart, your honesty. We suggest praying the following prayer to accept Christ as your Savior: I believe Jesus Christ is Your Son. I believe that He died for my sin and that you raised Him to life. I want to trust Him as my Savior and follow Him as Lord, from this day forward. Guide my life and help me to do your will. I pray this in the name of Jesus.

## Chapter 9 : A Prayer for Help - Seeking God in Time of Need

*To pray, "God help me show me my sin," is a prayer He will surely answer. But God does not condemn us. God will lift us up and teach us how to walk in His ways.*

Find help in every time of need God Help Me: Find help in every time of need Have you ever cried out, "God help me! His promises cover the entire range of our needs, troubles, and problems. He wants us to lay hold on these promises for help in every time of need. But this I do know. They extend the needed help for every conceivable difficulty. They help when the outlook appears utterly hopeless. These promises are as essential for Christian living, as food and drink are for physical life. Very few realize this. If believers understood this, they would appreciate them in every day living. Think about these four possibilities that the promises of God can do for you, written by a gifted writer in Ministry of Healing, p What a tremendous loss people experience when they short change themselves by failing to lay hold on these promises! Do you want faith to give vital energy to your entire being? Do you want healing power, and inspiration to really live? Become acquainted with the promises of God as recorded in the Bible. It is tragic that so many who profess to follow Christ are ignorant of the very promises, which would give them what they need most. Also where to locate them. We will list some which need to be considered from four angles. For solving some of your problems. For supplying your spiritual needs. For power for Christian living. For attaining your deepest desires. One scripture is quoted on each item. Additional references are listed in parentheses in some instances. Forgiveness of all your sins and freedom from guilt: I will remove from them their heart of stone and give them a heart of flesh. Then they will follow My decrees and be careful to keep my laws. They will be My people, and I will be their God. For peace of mind: Blessed is the man whose sin the Lord will never count against him. They shall soar on wings like eagles. My Father will love him, and we will come to him and make our home with him. I will strengthen you and help you; I will uphold you with my righteous right hand. What a helping hand they extend! They reveal how your God is reaching His strong and loving hand to grasp your weak and trembling hand. We should be armed with the promises of God. Our souls should be barricaded with them. When the enemy comes in like a flood, the Comforter will bring to your remembrance the appropriate promises for your comfort, and help. Keep your heart full of the promises of God. Then where will be no room for doubt, fear, frustration and discouragement to come in. Problems will be solved as the rising sun absorbs the darkness. Every one of these promises is an invitation to use it in prayer for needed help in these respective situations. Of course they cannot help you unless you apply them by faith and prayer. The vast majority of church members never use these promises in prayer. Those who are familiar with some of these promises use them only to a limited degree. This is why they come short of having the continuing help which they so urgently need. But the right key does not give admittance unless you use it. You need to know how to insert it into the lock. So it is with promise-based prayers for the sure answers. Follow this four-step procedure, and it will bring results Find the promise of God in your Bible that offers what you need at that particular time. By the grace of God meet the condition in the promise. One important factor is to believe with all your heart that God will do for you exactly what He says in this promise. Take this promise to the Lord in prayer and ask Him to do for you as specified in the promise. As you ask God to fulfill His promise, believe that He does it as that moment. Believe that you receive what you requested according to His promise. In some cases it may be a matter of believing that what He has promised will come to you when you need it. But in such cases you have the gift in His sure promise. This is how to pray and be sure that you receive what you pray for. This kind of prayer can revolutionize your life for a better and happier experience. Then you can ask God for peace, help, courage, strength, and victory, and always receive help.
