Havells offers different ceiling fans at different price ranges. Here we will discuss Havells ceiling fan price, features, and designs of different models. This fan is ideal to reduce suffocation and provide enhanced comfort. There are double ball bearings in this fan to ensure more RPM and less noise. This model is available in two fascinating colors i. Havells Nicola mm Havells Nicola mm is a beautiful ceiling fan with three fine blades. The design of this model is very pleasing to the eyes. However, this ceiling fan is a bit expensive due to the design. There are decorative trims on the motor cover and the blades. Available in Gold, Brown and Off-white color, this fan comes in mm, mm, mm and mm sweeps. This ceiling fan is available in two exciting colors i. The motor of the fan comes with a decorative ring which makes it beautiful to watch. Havells Leganza mm Those who like ceiling fans in four blades, Havells Leganza is perfect. This fan has a beautiful design and metallic paint finish. However, the price does complete justice with the product. The fan is designed for superior air delivery and the blades are set at an angle that provides increased air. The Gold and Off-white color both are very attractive and can match the interior of your place. The motor of the fan is also very powerful which can rotate the fan at a high speed and provide increased air delivery. The fan performs equally good even at low voltage. The blades have a wider tip to ensure maximum air and comfort to the users. This fan consumes about 72 watts which can be termed as a drawback of this said model. These are some of the best models of Havells ceiling fans. Price of each model differs and that is because of several other factors. These fans can be the ideal ones for your home of the workplace. Havells also offer warranties on their products. Havells Ceiling Fan Price.
