We all need to be reminded that we should be very thankful for our freedoms. Many lives were sacrificed, and many lives were damaged beyond repair with permanent scars. I pray these arrangements will touch hearts, as they are sang and played. This volume came during the toughest time of my life. On June 2, , my Dad went to heaven. It was a joyful graduation for him, but I miss him terribly. He was a godly man with a soft and tender heart, yet a strong man, whose life touched so many people and is continuing to do so. Since he also had a love for music and was a song leader in church for many years, he would be pleased to know this volume is in honor of him. Enjoy playing and singing these songs. HE paid for us to be free from sin by His death on the cross. And remember 2 Chronicles 7: It has been even more than I expected. Once a student has a grasp of the basic fundamentals of music most can begin playing many of these songs in their beginning year. This brings me such great satisfaction and is very rewarding. Jason and Monica were married in , and they give GOD all the glory for any accomplishments in their lives. Contact Monica with questions about the books or to order hard copies. I practice it even more than my Lesson book! Some of them make me think of my childhood days, when we used to sing them. May I play another one?
