Chapter 2 : Employment / Required Clearance and PDE Reporting Information

About the Company. IDEMIA is the global leader in trusted identities for an increasingly digital world, with the ambition to empower citizens and consumers alike to interact, pay, connect, travel and vote in ways that are now possible in a connected environment.

The following three background checks are required: Clearances obtained for employment purposes are acceptable for volunteer purposes. Employees are required to report changes in clearances status within 72 hours of the applicable event. Clearances must be renewed every 60 months. Follow the instructions on the website. Payment is made by credit card. The clearance report can be printed. Paper Submission Paper submissions of the Pennsylvania Child Abuse History Clearance application are accepted for anyone who may not have access to the internet. The paper application is available in the Human Resources Office. Submit the paper application and payment to: Please write down the Control Number and the Request Date - this information will be required in order to inquire on the status of a record check. No cash transactions or personal checks are allowed. As explained below, this is a three step process: Registration The first step is to enroll online or over the phone. During the pre-enrollment process, all demographic data for the applicant is collected name, address, etc. Using the correct service code ensures that the background check is submitted for the correct purpose. Fingerprint requests processed through any other service code cannot be accepted by the District and are not transferrable. If an applicant enters the wrong code by mistake, the incorrect applicant type will appear at the top of the screen. Fingerprinting After registration, the applicant proceeds to the fingerprint site of their choice for fingerprinting. The location of fingerprint sites may change over time; applicants are encouraged to confirm the site location nearest to their location. At the fingerprint site, applicants are required to produce a qualified State or Federal photo ID before the fingerprint process is started. Applicants will not be processed if they cannot produce an acceptable photo ID. After the identity of the applicant has been established, all ten fingers are scanned to complete the process. Applicants will enter their personal information after clicking in the lower portion of that screen to obtain their receipt with the UEID.

Chapter 3 : Human Resources / Application & Clearances

In today's day and age, clear communication is essential. So stay connected with all our latest press releases from our press-room.

The fingerprint-based background check is a multiple-step process. Walk in service is allowed but all applicants are required to complete pre-enrollment in the new Universal Enrollment system. Pre-enrollment can be completed online or via telephone. Telephonic registration is available at Monday through Friday, 8 a. During the pre-enrollment process, all demographic data name, address, etc. When registering online, an applicant must use the appropriate agency specific Service Code 1KG6NX to ensure fingerprints are processed for the correct agency. Using the correct service code ensures the background check is submitted for the correct purpose. Fingerprint requests processed through any other agency or purpose cannot be accepted and are not transferrable. If an applicant enters the wrong code, the incorrect agency appears at the top of the screen. No cash transactions or personal checks are accepted. Each coupon is unique and may only be used one time. Account applications must be completed prior to the applicant visiting the fingerprint site. The authorized representative must complete the account application. To establish a billing account, download an application from the identogo website at <https://www.identogo.com> STEP 3 Fingerprint Locations Fingerprint Locations After registration, the applicant proceeds to the fingerprint site of their choice for fingerprinting. The location of fingerprint sites may change; applicants are encouraged to confirm the site location. Applicants will not be processed if they cannot produce an acceptable photo ID. After the identity of the applicant has been established, all ten fingers are scanned to complete the process. The entire fingerprint capture process should take no more than five minutes. This process takes 4-6 weeks; please allow ample time. The designated and approved PDE staff members are:

Chapter 6 : Criminal Background Checks

Applicant must provide his/her name and address and credit card information. Creating an account and submitting your clearance application online will give you immediate access to your results or the status of your results.

The paper form may also be downloaded at the above site. What is contained in the PA State Police criminal history report? The information provided by the requestor will be checked against the criminal history database maintained by the Pennsylvania State Police Central Repository only, and does not preclude the existence of criminal records which might be contained in the repositories of other local, state, or federal criminal justice agencies. Child Abuse Report Fee: Amendments to the Child Protective Services Law in and expanded who is required to receive child abuse clearances and that clearances must be renewed every five years, resulting in the number of PA child abuse history clearance applications increasing exponentially. Organization accounts will allow businesses and organizations to purchase child abuse history clearance payment codes and distribute those codes to applicants. Paper Submission Paper submissions of the Pennsylvania Child Abuse History Clearance application will still be accepted for anyone who may not have access to the internet. Submit paper applications to: The instructions for how to complete the Pennsylvania Child Abuse History Clearance application are now included on the last page of the application and can be printed for easy reference when completing the application. Failure to comply with the instructions that are attached to the application will cause considerable delay in processing the results. Applicants can now type their information directly onto the application or the information can be hand written onto the application. If the information is typed directly onto the application, the information will NOT be able to be saved on a computer unless the computer has a licensed version of the acrobat adobe software. Therefore, please be sure to print the completed application before closing the document so that the information typed on the application is not lost. If you have trouble accessing the application you may need to download the latest version of Adobe Reader, which is available free on the internet. ALL information that has been entered directly onto the application will be lost if you close the application prior to printing it if your computer does not have a licensed version of the Acrobat Adobe software. If we are fully booked with appointments that day you have the option to wait for a spot that might become available or return another day with a scheduled appointment. If you have questions about scheduling appointments please contact Identogo at The fingerprint-based background check is a multiple-step process, as follows: Registration - The applicant must register prior to going to the fingerprint site. Walk in service is allowed but all applicants are required to complete pre-enrollment in the new Universal Enrollment system. Pre-enrollment can be completed online or over the phone. During the pre-enrollment process, all demographic data for the applicant is collected name, address, etc. When registering on-line, an applicant must use the appropriate agency specific Service Code for Employment: Using the correct service code ensures the background check is submitted for the correct purpose. Fingerprint requests processed through any other agency or purpose cannot be accepted and are not transferrable. If an applicant enters the wrong code by mistake, the incorrect applicant type will appear at the top of the screen. No cash transactions or personal checks are allowed. Each coupon is unique and may only be used one time. Account applications must be completed prior to the applicant visiting the fingerprint site. The authorized representative must complete the account application. The location of fingerprint sites may change over time; applicants are encouraged to confirm the site location nearest to their location. PDE encourages entities where access to the fingerprint location is more than 25 miles away to contact IDEMIA and suggest areas where another closer site could be established. Fingerprinting - At the fingerprint site the Enrollment Agents EA manages the fingerprint collection process. Applicants will not be processed if they cannot produce an acceptable photo ID. After the identity of the applicant has been established, all ten fingers are scanned to complete the process. The entire fingerprint capture process should take no more than three to five minutes. This process allows an applicant to provide multiple potential employers with their UEID, as the

DOWNLOAD PDF IDEMIA ELECTRONIC ART SPECIFICATIONS CREDIT CARD

report is linked to the UEID number and not assigned to a specific school. Applicants will enter their personal information after clicking in the lower portion of that screen to obtain their receipt with the UEID. However, the school is required to review the official CHRI online and print a file copy of the CHRI if the applicant is hired by the school or their contractor, or if the applicant is approved for student teaching. More information regarding fingerprinting locations and the process for obtaining an FBI fingerprint based background check report may be found at: A new law includes an important mechanism to help ensure that current school employees, who may not have been subject to a previous background check, are now required to provide assurances that they have not been previously arrested or convicted of Section e offense. Accordingly, under Act 24, all current school employees are required to complete and return to their school administrator or other person responsible for school employment decisions the School Administrator a form developed by PDE to report prior arrests or convictions for any offense listed in Section e. Under Act , in addition to satisfying pre-existing employment requirements under the Public School Code of and 23 Pa. All former employers of the applicant that were school entities; and 3. All former employers where the applicant was employed in a position where he or she had direct contact with children.

Chapter 7 : Biometrics: smart cards with an integrated fingerprint sensor

Indiana's Electronic Fingerprinting Network. Welcome to the information page for Indiana's Electronic Fingerprinting Network, named INKless. To better serve applicants, agencies and employers, the State of Indiana has contracted with IDEMIA to provide electronic applicant fingerprint processing services.

Chapter 8 : Colorado Office of Early Childhood | Oec_providers | Providers

The Commonwealth of Pennsylvania has changed to a new electronic fingerprinting vendor, IDEMIA, for Federal Bureau of Investigation (FBI) criminal history background checks. IDEMIA, will begin processing FBI criminal history checks on November 28,
