In addition to this market-leading text, he wrote a number of other business books and numerous articles in journals such as Journal of Small Business Management, Academy of Management Review, Business Horizons, and Journal of Business Ethics. He was active in several professional organizations and served as president of the International Council for Small Business. Longenecker grew up in a family business. Moore was the Edwin W. Streetman Professor of Marketing at Baylor University, where he was an instructor for more than 35 years. He was honoured as a Distinguished Professor by the Hankamer School of Business, where he taught both graduate and undergraduate courses in marketing research and consumer behaviour. His authorship of this textbook began with its sixth U. He earned a B. Besides fulfilling his academic commitments, Dr. Moore served as co-owner of a small ranch and a partner in a small-business consulting firm until his death in He is also associate director of the Entrepreneurship Studies program at Baylor. He has taught entrepreneurship and strategic management in a number of overseas settings, including Cuba, France, the Netherlands, the United Kingdom, and the Dominican Republic. His interest in entrepreneurial opportunity and small business management dates back to his grade-school years, when he set up a produce sales business to experiment with small business ownership. That early experience became a springboard for a number of other enterprises. Since that time, he has owned and operated domestic ventures in agribusiness, automobile sales, real estate development, and educational services, as well as an international import business. William Petty is Professor of Finance and the W. His research interests include acquisitions of privately held companies, shareholder value-based management, the financing of small and entrepreneurial firms, angel financing, and exit strategies for privately held firms. Petty has worked as a consultant for oil and gas firms and consumer product companies. He also served as a subject matter expert on a best-practices study on shareholder value-based management, funded by the American Productivity and Quality Center, and he was part of a research team for the Australian Department of Industry to study the feasibility of establishing a public equity market for small- and medium-sized enterprises in Australia. Finally, he serves as the audit chair for a publicly traded energy firm.

Chapter 2 : BRIGADIER GENERAL L. KIP CLARK > 25th Air Force > Display
