

Chapter 1 : 5 Books to Study History for UPSC Civil Services Prelims and Mains Exams

History is a major part of General Studies Paper 1 in Civil Services Exam Prelims. This paper will include questions from Indian Culture, History of India and Indian National Movement.

Small topics like disaster management, security, irrigation, left wing extremism, cyber security can be covered from internet sources like Iaspaper. With this handy resource, a reader can gain perspective on numerous features of the political system in the country as well as the trends. Indian Polity by Laxmikanth is a very popular book for civil services examination, particularly for Public Administration. In fact, till a few years back when there were optional subjects in the preliminary exam as well, Laxmikanth was indispensable for Pub Ad and IAS aspirants used to literally write the entire book. Divided into as many as 11 parts, the part one of the Indian Polity focuses on Indian constitutional framework while part two sheds light on the system of the Government of India. The next three parts of the book provide details about the Central, State and Local Governments and their individual ways of governing while the sixth and seventh parts deal with the Constitutional Bodies and UTs of the India Union. Detailed information on non-constitutional bodies, other constitutional dimensions, and working of the Indian constitution have been covered in rest of the parts. IAS aspirants with no background knowledge of Indian polity and constitution will grasp the concepts quickly as the book is intended for beginners as well as experienced candidates. Indian Polity consists of useful bullet points to get the concepts across concisely and clearly. Apart from the detailed information concerning the various aspects of Indian politics, the book has a total of 71 chapters with 14 appendices. All chapters in the book are supplemented by a set of probable questions at the end. Those appearing for Civil Services Examinations can practice with these questions after having gone through the contents. Although primarily referred to as a good resource for those preparing for above-mentioned examinations, the book has also been used extensively by the students of Law. After having read the book, an aspirant may be able to go into the details of different topics separately. The fourth edition of this book by M Laxmikanth was published on July 1st, About the author Laxmikant: An alumnus of Osmania University in Hyderabad, M. Apart from the Indian Polity, M. Laxmikanth has also authored another book titled Governance of India. Everything is very well structured. Read the books by correlating the chapters. For ex- read President, then Vice- President, then go for Governor. Read Prime minister, a council of ministers then go for CM and state council of ministers. The book is very methodically structured and the chapters are short and concise. The book covers among, inter alia, the chapters on Parliament and various Committees which I found particularly useful. The author has also tried to incorporate as much of comparison between the constitutions of select States as possible and to me, I believe, he has done justice to the cause –”Abhishek Kumar Awesome book Must buy friends. I say that this new edition is really good. Another thing is M. Go for it with full confidence. The language is very simple and readable language. But this book alone explains everything from the beginning to end. The book covers almost all the topics of Indian Geography. Geography can be deemed as the study of the link between people and the environment they live in. It is also recognized as the study of places and the inhabitants that come along with them. The book is a great help for aspirants who are looking to crack the Civil Services exams as it covers almost all aspects of the Geography of India, which is often a topic with high weight in the exam. This book is also a great help for students who have picked up the subject of Geography for their graduation. The book is divided into chapters for easy understanding of the students. It covers all major components of geography like Drainage, Seasons, Structure, Wildlife Parks and other facets of the nation, with a separate chapter for natural resources. All chapters have been comprehensively explained so that readers of this book experience no difficulty in clearing and understanding the concepts of Geography. At the end of the book, a questionnaire of MCQs has been provided so that students can check their understanding and gain an idea about the type of questions asked in the various competitive examinations. The publisher of this book is McGraw-Hill Education India Private Limited which is known for their commitment to providing reference books for students in all sectors. This book is easily available online for convenient shopping. Get this book from Amazon. Yogesh Vishwakarma A must have book if you want to understand the geography of India from root

to tip. Presented in a very lucid way. It details topics in a way that you get the complete understanding of it. Updated info and maps. Sumit This book is very knowledgeable. Vivek Kumar Pandey 3. Written by a subject expert who has several books on economics, contemporary essays etc. The book is recommended by UPSC on its reading list. The book is a stellar product, with many years of bestselling performance. But very much lengthy. A selective study required for this book. I bought it for the general introduction of the Indian economy, but this book proposes more than this. Topics are well designed to cover the entire UPSC syllabus. One who wants to prepare Indian Economics as a subject must read. However, the best thing about this book is that it is well designed in a way and written in a manner that everyone can read very easily. Sisir Kumar Das 4 A brief history of modern India by spectrum A Brief History of Modern India deals with the events that shaped the happening after the decline of the Mughal empire and the rise of East India Company and the advent of British rule in the country. Written in an easy to understand language, the book is a good ready reckoner for many competitive examinations such as banks, state and union civil services examinations. In addition, the book also lays emphasis on personalities associated with specific movements such as peasant and tribal movements as well as the freedom movement. At the end of each chapter important points have been tabulated as bullet points, charts or in tables for quick review. For students as well as candidates preparing for competitive examinations, the book has nearly all important details that would meet the level of knowledge required for preparation. End of chapter key points is there for making a quick revision and for undergoing a self-analysis about recalling historical facts. Reviews from verified buyers Well written the book. It covers the whole Modern Indian history. Presentation is good Key points at the end of each chapter are very useful for revision. Though the size of the book is small, the font size is normal. Nothing new is added in the new edition. The authors of the book are Sheelwant Singh and Kriti Rastogi. This book is a compilation of the information required to appear for the Civil Services Paper 1 Examination. In this book, students will find that that the entire syllabus for Civil Services paper 1 appropriately covered in details. Right from the basics to the most complicated topics, every topic has found a place in this book. Students who are preparing for competitive exams can greatly benefit from this book. The format of the book is very user-friendly and the authors have done quite a bit of research for it. Students will be glad to know that the entire syllabus prescribed for Prelims has been covered in this book. The book is very useful for students from class six onwards. As evident from the description, the book pretty much covers all the important topics. Students who want to boost their confidence and learn the basics properly can refer to this book readily. I appreciate, for releasing such kind of books in the market, if do you revise the price for all people who require this. I personally, request you to edit the chapter wise again because typographical errors and some places technical errors also repeated. I suggest for next revised book, you will fulfill all aspects. Thanks Gunadeep Much useful but exhaustive. By Sultan Much useful but exhaustive.

Chapter 2 : History Notes and PDF (Gujarati) - Hiren Sir's Study Materials

Books on Indian History can be helpful as Optional subject also for General Studies paper in the Mains exam. It can also be referred for conceptual clarity in the Prelims exam. Our references on History books can also be helpful in the preparation for other services exam conducted by the UPSC.

A few days ago we asked everyone on our Facebook and Twitter pages to recommend a book on Indian history. Many of you responded with some wonderful suggestions. We also received many e-mails suggesting books we had never heard of. Here then, is the list of 10 books in no particular order on Indian history that we have compiled based on your responses. It gives a detailed account of the period ranging from the coming of the Aryans to the establishment of the British Empire. This book was also produced as an award-winning television series by Shyam Benegal. The series of events that unfold during this period are worthy of this book being classified as a historical one. It is extensively researched, gives incredible details that you never knew for instance, do you know who actually drew the dividing line between the two nations and on what basis? The book also includes interviews with Lord Mountbatten, the last viceroy of British India. Sen talks about how India has had a long history of public debate in all spheres of life and how heterodoxy was prevalent in Indian society centuries ago. This vibrant past is something that Sen believes we all should know about – considering that it can have a deep impact on the way we embrace our future. This is the perfect book for you to understand the evolution of Modern India. It covers details of the Harappan and Mohenjodaro findings and then dwells on the now-controversial Aryan invasion theory. It is a fictional work that takes the story of the Mahabharata, the epic of Hindu mythology, and recasts and resets it in the context of the Indian Independence Movement and the first three decades post-independence. Figures from Indian history are transformed into characters from mythology, and the mythical story of India is retold as a history of Indian independence and subsequent history, up through the s. Ramchandra Guha provides a fascinating peek into the way this British sport made its foray into India and how it is now a national obsession. The Fall of a Dynasty: Delhi, by William Dalrymple William is an award winning historian and travel writer. The Last Mughal talks about a culturally diverse and rich society during the rule of Bahadur shah Zafar, the last Mughal emperor. In , the first war against the British known popularly as the Sepoy Mutinee marked the end of the Mughal rule. William lists the manner in which these events unfolded and the impact it had on the country – both politically and culturally. His writing style and flair for capturing insights makes this book a must-read. A history by John Key John Key is an English journalist and author specialising in writing popular histories about India, often with a particular focus on their colonisation and exploration by Europeans. This book is considered by many as a perfect textbook for any student of India. Sachau Alberuni is considered as one of the greatest historians of the medieval Islamic era. In AD, at the behest of Sultan Muhmud of Persia, Alberuni travelled to India to learn about the Hindus, and to discuss with them questions of religion, science, and literature, and the very basis of their civilisation. He remained in India for 13 years, studying and exploring. This book is an outcome of his rigorous study of India. If you know of any books on Indian history that have not been listed here, please write about them in the comments section below.
