The Fifteenth edition builds on this legacy through new innovative student focused pedagogy in the book itself and with online support. Kieso maintains the qualities for which the text is globally recognized, including its reputation for accuracy, comprehensiveness, accessibility, and quality problem material that best prepares students for success on the CPA exam. The WileyPLUS homework and learning platform is better than it has ever been for Kieso, with a multitude of new assessment items, multimedia resources, and enhanced functionality to ensure students will do real accounting and get real results. There have also never been so many options for accessing content, from several online only options, premium value print and digital formats, and custom versions designed to fit your needs perfectly. A Cost-Basis Approach 9 Inventories: Championed by users as a valuable resource to read and providing just the right amount of current information and scholarship students need to come to class prepared and succeed both in their intermediate accounting course and later down the road on the CPA exam. Read the Sample Chapter. Sometimes a picture is worth a thousand words. Students also See It! Students need to do accounting to get accounting. The WileyPLUS problem-solving experience imitates a blank sheet of paper with SmartEntry for entering account titles, so that students use recall memory when they practice or do homework online. Now in WileyPLUS, students catch their mistakes early and access content-specific resources at the point of learning with new multi-step problems that provide feedback at the step-level. New Content Focus on Conceptual Understanding: New Evolving Issues boxes and Underlying Concepts notes in each chapter expand on key concepts and highlight accounting standards under consideration for change. In the 15th edition the Exercises have been the most heavily revised from the previous edition. Most chapters now have a new comprehensive Demonstration Problem that ties together chapter concepts and has a worked out solution for students to test their understanding. Students now have access to the award winning CPA prep program CPAexcel with an opportunity to test themselves as they progress through the course. Thoroughly reviewed and updated with the addition of more computational questions, new brief exercises and more problems. A student-centered learning and assessment online environment. New mini-lecture videos featuring Terry Warfield provide further assistance on some of the more difficult concepts in the text. New Problem Set B for additional practice in class or assignable for homework. New problem walk-through videos and key accounting skills videos. Bestselling supplemental resource Problem Solving Survival Guide free to adopting professors.
