My blog site is in the exact same niche as yours and my visitors would genuinely benefit from a lot of the information you present here. Please let me know if this is ok with you. [Porno - agosto 29, at 7: Do you have any solutions? Can you suggest a good internet hosting provider at a fair price? Thanks, I appreciate it! You appear to know so much about this, like you wrote the book in it or something. I think that you can do with a few pics to drive the message home a bit, but other than that, this is a great blog. Get real, Yes, it was my method to read, but when I thought you'd have something interesting to state. All I hear is a number of whining about something that you could fix should you weren't too busy trying to find attention. Like - agosto 28, at 9: I blog frequently and I really thank you for your content. The article has truly peaked my interest. Documentation as to the allowed votes and disallowed votes can be provided and it will show there was not enough qualified votes to allow the Renaissance proceeds to be used to repurchase the vast majority of the Series E. The priority of cash disbursements should have been 1. High Yield Bond Holders, 3. Unsecured Creditors Vendors , 4 Preferred Equity, 5. There was enough money to pay each creditor and equity holder using the 2Q SEC filing. A thorough analysis of the approval vote of the High Yield Bond holders to use proceeds from the Aug Renaissance Offshore sale to repurchase Series E Pref Equity should have been performed, as well as a logical view on how the Bonds would be repaid. It should be noted that Mr. Clearly Platinum was only concerned with themselves. Then in a bold move, Platinum and Shulse assisted by Mr. Fuerst selected the best fields remaining after the Renaissance sale appearing to be a self-serving insider deal. Who will pay the tax? Therefore the income rolled down to BEE is 4. And therefore becoming income. Rob Shearer and Platinum had involvement to the highest level in the insider transaction.
