

Chapter 1 : Sacrifice (Daughters of Lilith: Book 3) – Online Home of Jennifer Quintenz

'Sacrifice' by Jennifer Quintenz is the third in the young adult Daughters of Lilith Series and it is every bit as good as the previous books. Quintenz knows how to hold a reader and keep them turning the pages.

Book 3 Just when Braedyn Murphy thought she understood the danger descending on Puerto Escondido, a new threat arrives. A cult devoted to Lilith has taken up residence in the little town, and when Cassie gets tangled up its intrigue, Braedyn realizes she might have to choose between protecting her friends and stopping Lilith from reclaiming this earth. With her duties to the Guard wearing on her, Braedyn turns to Lucas for solace. Together they wonder if now is the time to claim their one night together—knowing that one night is all they may ever have. Darker forces have their own plans for Braedyn and the Guard. Braedyn knew this fight could be brutal—but how much can one girl be asked to sacrifice in order to save the world? Check out the previous books in the series: Praise for "Thrall" Daughters of Lilith: Book 1 "Before you even start this review, put down anything you are doing and go read Thrall. Engaging and smart, Thrall leaves you speechless! Add some good characters, well-paced story and you have something that I like. Where to even begin? This book is a MUST read! I give it an unreserved 5 stars. I recommend the entire series for the fully developed characters, the impressive mythology, and the fight scenes. I am dreading waiting for the next book. Jennifer Quintenz is a special writer who can be very riveting Spent several sleepless nights in a crazy rush to see how it ends. Jennifer Quintenz is an award-winning film and television writer, author, and graphic novelist. She lives in Los Angeles with her husband and son.

Chapter 2 : Sacrifice (Daughters of Lilith, #3) by Jennifer Quintenz () Pdf Book ePub - calendrierdelascience

It's time. Choose Your Side. For a limited time, you can get a FREE copy of Thrall - the first novel in the Daughters of Lilith series - direct from this site.

By Emeraldfire at 6: Quintenz will be hosting a Goodreads Giveaway of three print copies until February 15, Sign up for a chance to win! I wish you all the very best of good luck in taking part! Meet Jennifer Quintenz Jennifer Quintenz is an award winning film and television writer, author, and graphic novelist. She lives in Los Angeles with her husband and son. Connect and Socialize with Jennifer! Thrall by Jennifer Quintenz Length: Braedyn is a normal girl just trying to survive high school with her two devoted friends, Royal and Cassie. Suddenly Braedyn finds herself falling in love for the first time. But as her sixteenth birthday approaches, Braedyn discovers humankind is at war with the Lilitu, an ancient race of enticing demons that prey on human souls. Her father is a member of the Guard fighting against the Lilitu - and so are the new neighbors, including her crush, Lucas. And as for "good" and "evil" - it all depends on how we choose to act. Inspired by the ancient Mesopotamian myths of Lilith and her offspring, Thrall explores first love, strong friendships, and taking on adult responsibilities against the backdrop of powerful supernatural forces and life-and-death stakes. Incubus by Jennifer Quintenz Length: Braedyn Murphy used to think nothing important ever happened in her sleepy town of Puerto Escondido. But that was before she learned she was a descendent of Lilith, the mother of all demons. Now Braedyn fights to protect humanity from the Lilitu - the beautiful, souls-stealing daughters of Lilith. As she fights the Lilitu, Braedyn must also fight her growing love for her boyfriend Lucas - because giving in to temptation could end his life. Sacrifice by Jennifer Quintenz Length: Just when Braedyn Murphy thought she understood the danger descending on her little town of Puerto Escondido, a new threat arrives. A cult devoted to Lilith has taken up residence in town, led by a charismatic old woman with more than one secret. When Cassie gets tangled up in the mystery, Braedyn realizes her two worlds are colliding. As her duties to the Guard become more difficult, Braedyn turns to Lucas for solace. They begin to wonder if now is the time to claim their one night togetherâ€”knowing that one night is all they may ever have. Darker forces have their own plans for Braedyn and the Guard. No one ever told Braedyn this battle would be easyâ€”but how much can one girl be asked to sacrifice in order to save the world? Daughters of Lilith Series:

Jennifer Quintenz is an award-winning film and television writer, author, and graphic novelist. She has written for Twentieth Television, Intrepid Pictures, and Archaia Studios Press. She lives in Los Angeles with her husband and son.

Reviews Sacrifice Daughters of Lilith, 3 Marla I thought this was going to just move the story along until the next book but a lot happens in this one. Some more has been revealed about Lilith and more lives are in danger. This has been a great series. Quintenz knows how to hold a reader and keep them turning the pages to find out what will happen next. Isis I would like to thank the author, Jennifer Quintenz and The Cover Contessa, for the opportunity to read and review this book for free. The fact that I received it for free in no way influences this review. This series builds each book upon the foundation of the prior book, which means that this review contains spoilers for the rest of the series. Katyana Same problem as the last - the Guard is filled with some of the most horrible human beings the race has to offer. It only got worse in this one Reira I am really really sad right now. I tried really hard to like this series. As has been the trend throughout, action is never very far from the beginning of a page. Only three mere weeks have passed since the manipulation of Braedyn and her strongest wish had lead to the opening of the seal. In that time the denizens of the underworld seem to have developed a plan; an early confrontation between demons leaving B Becky I fell in love with this series the first time I picked it up. I have been lucky enough to be given each book by the author in exchange for a review, and everytime she emails with the offer of the next book I literally squeal with excitement. Rachelle Is it weird to say that I vastly enjoy books about demons? I think it is. As a reader you have certain wants and expectations in a series. The book started out good. The first twenty percent was a good read. Then the story bottomed out and never really recovers. The end of book 2 was pretty significant. Book 3 turns it into nothing. The broken seal really has no impact in this book. Oh there is some but nothing that c Elien This review and more on So Bookalicious Sacrifice, the third book in the Daughters of Lilith series is as good as the other. I first fell in love with this series when I read the first book. Quintenz knows how to caption the attention of her readers. Book after book she keeps surprising you with all the plot twists she has in stall for your. Jessica Bryan I really loved this although there were things that bothered me about this that seemed rather obvious. Instead she tried to race there to tell him instead of just sending him a message? She sent one to Royal, and she sent one to Cassie. Holly I received a copy of this from the author in exchange for an honest review. When she offered me this book, I jumped at the chance. And for good reason. This book was full of unexpected twists and turns as well as an entertaining plot, powerful scenes of love, sacrifice, and hatred, and characters who are g Kate Policani Braedyn battles once again to stop the apocalypse and prevent the terrible demon Lilitu from breaking through the ancient barrier into our world. Friendships are forged, tested, and destroyed while the teens must wrestle with decisions that may save the world Can Braedyn save Luke, Cassie, and Royal, her vulner The story revolves around a girl who though a succubus herself a daughter of Lilith she stands on the side of the sons of Adam in an age-old battle that, unknown by most Liz In Incubus, evil incubus Seth succeeded in opening the Seal between the human and Lilitu worlds. But are they really a cause for good, or something more sinister? How would I describe this third ins Jean Oh my gosh. I was so scared to read the ending. In fact, I put the book down and waited for ten minutes before deciding to read the end. I would be so distraught if Lucas had become a thrall. A dream come true. Celeste I really enjoyed this book! Braedyn is far more confident and self aware. Amy Good follow-up Good follow-up this was a good follow-up to the story. I still want to kick Amber in the teeth, however. There was no finality in the ending but at the same time it felt like this was it. I have so many questions!! I first book was the best now just dragging on. Cc Alaina My heart breaks for Braedyn. She is trying so hard, and she constantly has to keep proving herself to her "team" on top of everything else.

Chapter 4 : Book Review: Sacrifice (Daughters of Lilith, #3) by Jennifer Quintenz | Mboten

Sacrifice: A Dark YA Urban Fantasy (Daughters of Lilith Paranormal Thrillers, #3) by Jennifer Quintenz What reviewers are saying: "Author Quintenz doesn't disappoint with this third novel in the series.

Sacrifice Daughters of Lilith, 3 Review January 1, Marla I thought this was going to just move the story along until the next book but a lot happens in this one. Some more has been revealed about Lilith and more lives are in danger. This has been a great series. Quintenz knows how to hold a reader and keep them turning the pages to find out what will happen next. But I will say I just wanted to pull aside Karayan and give her one long, uncomfortable hug. That girl could use it whether she wants it or not. That meant big changes for some of them. The meek became strong, and the frozen became thawed. Just know my thoughts were yelling, Lucas, what have you done?! Why would you be so stupid? I hope Braedyn gets to meet her mother, or if she has been killed, she gets to find out more about her and her history! Also I hope she "grows" into her powers more. I feel like she is much more powerful than even you have explained in the books yet, and I would love to see her tap into that, and also unleash some of that during a fight. I am sick of seeing little girls with power who never fully unleash it. This book is an emotional roller coaster. Finding an author that actually makes the reader feel something anymore is such a rarity. It was perfect, I truly hope there is more to come. Lucas and Braedyn's relationship takes a whole new spin in this book. Even so, the author manages to end the book with a slither of hope. January 1, Isis I would like to thank the author, Jennifer Quintenz and The Cover Contessa, for the opportunity to read and review this book for free. The fact that I received it for free in no way influences this review. This series builds each book upon the foundation of the prior book, which means that this review contains spoilers for the rest of the series. Just when Braedyn Murphy thought she understood the danger descending I would like to thank the author, Jennifer Quintenz and The Cover Contessa, for the opportunity to read and review this book for free. Just when Braedyn Murphy thought she understood the danger descending on her little town of Puerto Escondido, a new threat arrives. A cult devoted to Lilith has taken up residence in town, led by a charismatic old woman with more than one secret. When Cassie gets tangled up in the mystery, Braedyn realizes her two worlds are colliding. As her duties to the Guard become more difficult, Braedyn turns to Lucas for solace. They begin to wonder if now is the time to claim their one night together—knowing that one night is all they may ever have. Darker forces have their own plans for Braedyn and the Guard. No one ever told Braedyn this battle would be easy—but how much can one girl be asked to sacrifice in order to save the world? The third book in this compelling series does not fail to deliver. Be prepared to run the entire gamut of emotions, from end of the world lows to mind boggling highs, as well as everything in between. Cassie takes on a much more active role in this book, joining Royal as a major player. With a local cult of Lilith in town, Cassie becomes the only viable candidate for infiltrating the group and reporting what she learns back to the Guard. It is really nice to see Cassie finally really step on the road to recovery from what Parker did to her. In taking steps to reclaim her life Cassie discovers an inner core of strength she never knew she possessed, which serves her well in both her adventures and misadventures. Thankfully for Braedyn, Cassie is willing to step back into her role as best friend; however she and Royal truly cemented their friendship over the events of the previous books, which does have an impact on Braedyn and her life. Seth returns and continues to plague Braedyn and the Guard. And just when Braedyn thinks miracles can happen - that she and Amber might actually become tentative friends, her whole world gets knocked askew. While searching for answers on how to defeat Lilith and preventing her return Braedyn makes an enemy of a specific Lilitu. Unfortunately she moves on, forgetting about the threat the other Lilitu made, and now not only does she have to pay the price, but yet another person she loves must suffer right along with her. In the end things are not what they were. What more can Braedyn lose before going too far and also losing her chance to become human? Or has she already done too much harm, even while trying to help? Is it too late for Braedyn? Too late for the Guard? Please promise to bring on the next serving, the next book soon! January 1, Katyana Same problem as the last - the Guard is filled with some of the most horrible human beings the race has to offer. It only got worse in this one January 1, Reira I am really really sad right now. I tried really hard to like

this series. As has been the trend throughout, action is never very far from the beginning of a page. Only three mere weeks have passed since the manipulation of Braedyn and her strongest wish had lead to the opening of the seal. In that time the denizens of the underworld seem to have developed a plan; an early confrontation between demons leaving Braedyn and the Guard dazzled. Once again it appears the lilitu have the upper hand. Karayan herself struggles with the outcast sentiments that pushed her away from the guard and Thane all those years ago. Spotters, given their unique situations that lead to their abilities, offering resistance and oppression that would make even the grizzled Thane proud. Time and honesty has allowed the cohesion of the school friends to begin to repair. Seth it seems still firmly has sights on making Royal pay a hefty price for the perceived traitor status of Braedyn. The appearance of a cult like following of a group calling themselves the daughters of Lilith, reveals itself as a manifestation of contrary facts about who the daughters really were. The ongoing logistic lack of Guard, and especially spotter numbers, paves the way for a position to be filled by none other than Amber; spotters being rare, her abilities come to the attention of the Guard. Even her once fantastical and random dreams fall victim, furthering the psychological harm caused by her origins as a lilitu. The use of relationships near and afar, from one to six and more degrees of separation, that bring the story to light, a powerful tool used by Jennifer in creating empathy in the reader. The passing of time, filled with both mundane, ongoing normalcy and small lightbulb moments of realisation, work well to create anxiety and suspense. The psychology of the story knitting well with that of the reader. With the chances of armageddon increasing, an end of days, Sacrifice begins to have dual meaning. Nail biting, sweaty palmed, butterflies in the stomach, thrill and tension. Those left standing are those left mourning, and as much as you know what took place is devastating, the anticipation toward book four, Guardian, is truly immeasurable. January 1, Becky I fell in love with this series the first time I picked it up. I have been lucky enough to be given each book by the author in exchange for a review, and everytime she emails with the offer of the next book I literally squeal with excitement. Although it has been quite a while since I read book 1 and 2 this is a story that has stayed with me, I remembered who everyone was and what was going on. This is actually quite rare for me with the amount of books I read, but this one came straight back and I had no problem being thrown back into the action. Everything is presented in a way that you know it is relevant, everything adds together to make an awesome plot. Cassie in particular is a great character. I also liked the hints of confrontation and the possibility of a traitor, may sound cliché but it was actually done really well. To me this is a fresh, unique fantasy series, different from most of the others I have read and I love it. I hope there is more to come in this series because I want more! January 1, Rachele Is it weird to say that I vastly enjoy books about demons? I think it is. Braedyn Murphy is a Is it weird to say that I vastly enjoy books about demons? Braedyn Murphy is a very kickass character. She may not make the smartest choices sometimes What teenage half-demon does nowadays? She did seem to grow up a lot in this book and I really enjoyed her character development. There was a lot more interaction with some of the side characters in this book. Karayan, Cassie, and Royal were all featured quite heavily. Quintenz had her characters studying for finals and eating food like regular human beings. That made me happy. It seems like sometimes authors forget their characters are people and that they need to take a break from all of the potential angst in a YA novel. The only bad thing about the side characters showing up more was that Lucas was in the book quite a bit less. I was kind of disappointed about that. Okay, I was very disappointed. I was hoping for things to be all wrapped up. Little did I know that Braedyn and the gang are going to be together for at least two more books. So yeah, the plot of this book was insane and the ending had me freaking out. It totally made up for the small lull I had towards the middle of the story. I received a copy of this book to review from the author. As a reader you have certain wants and expectations in a series. The book started out good. The first twenty percent was a good read.
