The Checklist guys were on time, super competent, really nice and thoughtful and careful! Moreover, the office was responsive and efficient. Christina was so responsive and professional in all our communications and made scheduling my appointment super easy. Leif was prompt and worked diligently for two days completing all my projects. He replaced a kitchen faucet, bathroom light, bathroom floor, dimmers, doorknobs, a ceiling fan, etc. I have used them twice, both times to paint rooms in my apartment. Leif the lead painter and the rest of the team were punctual and did a beautiful job completing the work. Each job took several days and they made sure to leave the apartment very clean each time. They also completed some minor repair work to the walls before painting. In addition, working with Christina to set up the job and find a date that worked for my family could not have been easier. She was very responsive! Highly recommend these folks. All the staff is professional and the handymen take pride in their work. Steve and Leif are courteous, detail oriented, neat, clean, arrived on time and worked hard all day. Each request made was as important to them as it was to us. They exceeded our expectations. We highly recommend this company! I really appreciated the detailed email exchange with the customer service manager. No surprises or shadiness here and very patient. They sincerely care about getting a job done right, and well.
