You will also find CLIL, Values and festival lessons; a strong focus on pronunciation and phonics; and review sections. The exams in levels 2, 4 and 6 have been updated to reflect the revised Young Learners exams. New vocabulary included in the syllabus of the exam has also been added. Activity Book The Activity Book is designed to give pupils further practice of the new language and to help them consolidate their learning. Spanish handwriting font serves as a model for writing throughout the levels. For this updated edition, exam practice pages have been revised to match the new specifications of the revised exam, including new vocabulary items and activity types. Language Portfolio The Language Portfolio encourages students to keep a record of their learning experience throughout the primary school years. Available for download from the Resources area. It also includes letters to parents. There is also an overview of the syllabus for each level, extra activities, photocopiable pages and useful classroom language. There are reinforcement and extension worksheets as well as worksheets to further exploit the songs and stories, extra exam-type tests with listening content, and playscripts. Spanish handwriting font is used in all the worksheets. The accompanying booklet provides further support and lesson plans. Test Generator This evaluation tool allows teachers to create and customise tests to suit their specific needs. Resource Bank The Resource Bank provides a variety of worksheets and other additional resources. Flashcards Flashcards are available for levels 1 to 4. Posters Full colour posters for every unit helps pupils practise unit language. Written words are now included in Spanish handwriting font. Digital Components For Pupils All levels are also available as digital books. These books can be used online and offline, and they are both multiplatform and multidevice, allowing for them to be used with PCs or tablets. Online Activities in the Cambridge LMS provide even more grammar, vocabulary, reading and listening practice. They are accessed via a code in the Activity Book. This version includes improved zoom and answer check tools. It also includes ready-made Young Learners-based tests. The Resource Bank provides a variety of extra worksheets and other additional resources, such as printable wordcards, scripts and song lyrics. All digital components for teachers are available on The Cambridge Teacher.

Chapter 3 : Courses for CHILDREN | =AeroEnglish= |

The Pupil's Book 2 presents and practises new language through amusing stories and fantastic songs and activities to give children an enjoyable and confident start to learning English. Cambridge English: Starter-type tests evaluate progress and familiarise children with the international tests format.
